

New Service Model

Core Library Services

By 2020, it is anticipated that there will be three core council run libraries in our main population centres. These will be located with other Council Services and our partners.

Bath One Stop Shop & Library

Keynsham One Stop Shop & Library

Midsomer Norton One Stop Shop & Library

Community Run Libraries

There will be opportunities to develop Independent Community Run Libraries.

Some existing Branch Libraries may transition from Local Authority management to be managed by the local community with a view to becoming Independent Community Run Libraries.

We will offer support to communities, key organisations and stakeholders expressing an interest in making this transition or providing new library services based on their local conversations and identified need.

We will offer a package of professional and funding support.
