Proportionate equality analysis is being carried out on the proposals within the Operational Plan by the Council's Communities Team.

## **5 THE REPORT**

- 5.1 This Plan forms an important part of Bath and North East Somerset Council's strategic planning framework. The plan translates the Council's overarching Corporate Strategy and vision for the future into a more detailed operational plan, setting out the key activities and projects that the Council plans to deliver to achieve this.
- 5.2 In previous years, plans have been structured through the Council's three Directorates. However, the Council faces unprecedented pressure and has been working on a cross-Council transformation programme to help manage its funding gap and transform the way in which it operates. The plan for this year reflects this and brings together the proposals into a single Operational Plan for 2018-2019.
- 5.3 It has a 2 year focus, aligned with the budget planning process, although it will reference the Council's longer term (years 3 – 5) direction of travel.
- 5.4 The plan is structured by Cabinet Portfolios in line with the budget structure and identifies the key changes in service delivery over 2018-19 and 2019-20 where appropriate. It also outlines the individual budget proposals.
- 5.5 The plan contains a greater level of detail for the coming year. The detail for the following years will continue to develop as Council policy evolves and the plan will be updated annually. This edition of the plan will be considered by Policy Development and Scrutiny Panels in January 2018, having been developed on behalf of the Cabinet, and will inform the 2018/19 budget setting process.

### **January PDS process**

- 5.6 During January 2018, the draft Operational Plan is being presented to each of the Policy Development and Scrutiny (PDS) Panels. Panels should only concentrate on the parts of the plan relevant to their own remit.
- 5.7 The Panel is asked to consider the implications of the draft Operational Plan and make recommendations to the relevant portfolio holders and Cabinet. Where the panel wishes to either increase expenditure or reduce savings targets, alternatives should be proposed.
- 5.8 The key change proposals contained within the Operational Plan have been structured by the Cabinet Portfolio areas. At the meeting, the relevant lead will highlight those aspects of the plan that are directly relevant to the panel. The table below maps the remit of this panel to the related Portfolio area(s):
