**Report Title: Standards Committee – Report relating to Complaint 09-17 BANES**

**List of attachments to this report:**

**Appendix 1 – Hearing Procedure (Open)**

**Appendix 2 – Public Interest Test (Open)**

**Appendix 3 – Report of Investigation Officer (Exempt)**

**Appendix 4 – Proposed Local Resolution with Complainant and subject member's comments (Open)**

**Appendix 5 – Note on issues raised outside the Investigating Officers report (Exempt)**

The Report contains exempt information, according to the categories set out in the Local Government Act 1972 (amended Schedule 12A). The relevant exemption is set out below.

Stating the exemption:

1. Information relating to any individual.
2. Information which is likely to reveal the identity of an individual.

The public interest test has been applied, and it is concluded that the public interest in maintaining the exemption outweighs the public interest in disclosure at this time. It is therefore recommended that the Report be withheld from publication on the Council website. The paragraphs below set out the relevant public interest issues in this case.

## **PUBLIC INTEREST TEST**

If the Committee wishes to consider a matter with press and public excluded, it must be satisfied on two matters:

Firstly, it must be satisfied that the information likely to be disclosed falls within one of the accepted categories of exempt information under the Local Government Act 10972.

The Officer responsible for this item believes that this information falls within the following exemptions and this has been confirmed by the Council's Information Compliance Manager.

The following exemptions are engaged in respect to this report:

1. Information relating to any individual.
2. Information which is likely to reveal the identity of an individual.

Exemptions 1 and 2 above must be considered in conjunction with the Principles of the Data Protection Act 1998 (DPA). It is considered that disclosure of the information in this report would breach the first principle of the DPA, which requires personal data to be fairly and lawfully processed.

Secondly, it is necessary to weigh up the arguments for and against disclosure on public interest grounds. It is considered that there is a public interest in decisions relating to councillor behaviour.

Other factors in favour of disclosure include:

- Furthering public understanding of the issues involved;
- Furthering public participation in the public debate of issues, in that disclosure would allow a more informed debate;
- Promoting accountability and transparency by the Council for the decisions it takes;
- Allowing individuals and companies to understand decisions made by the Council and assist individuals to challenge these decisions.

However there is a real risk that the first Principle of the DPA will be breached by this disclosure, and that the individual/s identified within the exempt appendix could bring a successful action against the Council if the disclosure occurred. Therefore it is recommended that exemptions 1 and 2 in Schedule 12A stand, and that the exempt information be discussed in exempt session and that any reporting on the meeting is prevented in accordance with Section 100A(5A)
