

Following the completion of the term of office of a number of existing board members and the appointment of a new Executive Chair, Bath & North East Somerset Council is looking to appoint one new non-executive director to serve on the board of Visit Bath, with a particular specialism in legal, HR and employment law.

Visit Bath is an independent company, with its own board, wholly owned by Bath and North East Somerset Council.

Applicants should be able to demonstrate an ability to use their specific skills at Board level to support the company's on-going structural transformation and its role in managing and marketing of one of the world's premier tourism destinations.

Expenses will be provided for this role. It is anticipated that the board will meet approximately 4-6 times a year and board members are also expected to develop strong relationships with staff and provide ad-hoc advice to the company.

Applicants must not be connected in any way to serving councilors nor have any direct links with the Council. All applicants must carefully consider any potential conflict of interest issues either in the present or future prior to applying for consideration for this role. This is important to the Board to protect its objectivity and develop a reputation for impartiality, and candidates will need to demonstrate at interview how they have considered and propose to address this.
