- (2) **SOUTH GLOUCESTERSHIRE DISTRICT COUNCIL** of Council Offices, Badminton Road, Nibley, South Gloucestershire (“**SGDC**”).
- (3) **BRISTOL CITY COUNCIL** of City Hall, College Green, Bristol, BS1 5TR (“**BCC**”).
- (4) **BATH & NORTH-EAST SOMERSET COUNCIL** of The Guildhall, High Street, Bath, BA1 5AW (“**BANES**”); and
- (5) **WEST OF ENGLAND COMBINED AUTHORITY** of 3 Rivergate, Temple Quay, Bristol BS1 6ER (“**WECA**”).

Together referred to as “The Authorities”.

1. BACKGROUND

- 1.1 NSDC, SGDC, BCC and BANES entered into an Initial Promotion Agreement dated 13 March 2014 (IPA 1) and a further Initial Promotion Agreement dated 13 February 2015 (IPA 2). Both IPA 1 and IPA 2 were entered into pursuant to a Joint Working Agreement (“the JWA”) dated 12 March 2013 for the creation of a Local Transport Body (“LTB”) to oversee the delivery of a programme of major transport schemes in the region.
- 1.2 Subsequently SGDC, BCC and BANES agreed to form WECA in accordance with the West of England Combined Authority Order 2017 inter alia to oversee certain functions relating to transport matters in the areas of South Gloucestershire, Bristol and Bath and North East Somerset. As a result the governance arrangements to oversee the delivery of major transport schemes in the region have changed. The arrangements agreed in the JWA no longer apply and are substituted by the MetroWest Governance arrangements dated March 2018 annexed to this Agreement at Annex A.
- 1.3 The Authorities are jointly promoting a programme of rail enhancement projects, known as the MetroWest Programme. The MetroWest Programme

aims to uplift the local rail network in terms of service provision and access to the network, through the delivery of specific projects. The MetroWest Programme includes:

- MetroWest Phase 1 – involving the re-opening of the Portishead rail line and stations and re-introduction of passenger train services, together with other infrastructure enhancements to provide enhanced half-hourly passenger train services for the Severn Beach line and the Bath line.
- MetroWest Phase 2 – involving re-opening the Henbury rail line and stations and re-introduction of passenger train services, together with other infrastructure enhancements to provide enhanced passenger train services for Yate line.

1.4 In accordance with the stated aims set out in the Outline Business Case annexed to this Agreement at Annex B (by reference to the web site) and the governance arrangements set out in Annex A the Authorities have agreed to work together on the project (“the **Project**”) as outlined in this paragraph and more particularly detailed in the Outline Business Case and to make further arrangements for the promotion and implementation of the Project by applying for and obtaining the necessary Orders and by procuring completion of GRIP 5 detailed design and associated technical work to take the Project to the completion of Full Business Case .

- (a) In summary the MetroWest Phase 1 Project is a joint cross boundary project to deliver the re-opening of the Portishead rail line and re-commence passenger train services, together with other infrastructure enhancements to provide enhanced half-hourly passenger train services for the Severn Beach line and the Bath line.
- (b) The Project will extend the UK passenger rail network by 9 miles and is to be the first major project of a long term programme under the MetroWest name, to deliver enhancements to local passenger train network across the West of England.

- (c) Upon the completion of construction and commencement of passenger train services, the land forming the track alignment between Portishead and Pill currently owned by North Somerset Council will be sold to Network Rail on a cost basis. Furthermore all assets delivered by the Project excluding new car parks and footpath / highway links will be transferred to Network Rail and will be accepted into the national rail network. Network Rail is a state owned not-for-profit company which owns and operates the UK rail network. Network Rail will be responsible for all operational liabilities for the maintenance and repair of all infrastructure delivered by the Project, from commencement of passenger train services.
- (d) The passenger train services will be procured by the Authorities in association with the Department for Transport (DfT). Under the current DfT rules the Authorities will need to meet the revenue liability (subsidy) for the first three years of the operation of passenger train services, after which the liability transfer to the DfT in perpetuity subject to meeting value for money tests. All aspects of the Project value for money will be laid out in the Project business case and this will be scrutinised by the Joint Committee prior to final sign off of funding.

1.5 The purpose of this Third Initial Promotion Agreement is to set out the working arrangements between the Authorities for the Third Stage of the Project including applying for/obtaining the necessary Order(s) and completion of the GRIP 5 detailed design and associated technical work to take the Project up to the completion and submission of the Full Business Case (“Third Initial Stage”).

1.6 The Authorities wish to record the basis on which they will collaborate with each other on the Third Initial Stage. This Agreement sets out:

- (a) the key objectives of the Third Initial Stage and the Project as a whole;

- (b) the principles of collaboration;
- (c) the governance structures the Authorities will put in place; and
- (d) the respective roles and responsibilities the Authorities will have during the Third Initial Stage.

- 11.7 Every 3 months the Project Section 151 Officer shall prepare and submit to the Authorities an invoice of each of the relevant Authority's Standard Proportion of the costs incurred for the Project, including a detailed breakdown of such costs. If the Project Team agrees to allow the recharge of internal staff costs to the Project (in accordance with **clause 11.2**) the recharge rate inclusive of any overheads must be agreed in advance by the RPB.

Powers Outside the Scope of the Project Team

- 11.8 Neither the RPB nor the Project Team shall have power to commit an Authority to expenditure or any other commitment that is outside the scope of the Project, the Joint Transport Strategy or beyond its own budgeted expenditure on the Project without the agreement of that Authority.
- 11.9 The Project Team will endeavour to make decisions by consensus. Where this is not possible if the representatives of the Authorities are in agreement with each other they may decide matters on their own.
- 11.10 The Project Team shall ultimately report to the Joint Committee (in respect of devolved DfT capital funding and Local Growth Fund funding) and in the event that the representatives of the Project Team do not agree with each other they will refer it to RPB for decision and if the Authorities are not satisfied with such decision any Authority may refer the matter to the Joint Committee and if the Authorities are still not satisfied with such decision any Authority may refer the matter for Dispute Resolution in accordance with **clause 19**.

- 11.11 Unless or until the Project Team decides otherwise, the Project shall use the Managing Successful Program (MSP) system of project management.

12. ROLES AND RESPONSIBILITIES

- 12.1 The Authorities shall undertake the following roles and responsibilities to deliver the Project:

- (a) Each Authority will nominate a Lead Officer with senior management responsibilities for transport functions in their area. The Lead Officer shall ensure that his / her Council provides the support necessary to secure the effective achievement of the Project. In this context, “support” shall include the involvement and time of capable officers, the provision of information and the prompt consideration of matters referred to his / her Authority for determination. The Authorities’ respective Lead Officers at the Commencement Date are:
 - (i) BCC – Head of Strategic City Transport (currently Adam Crowther)
 - (ii) NSDC – Head of Highways & Transport (currently Colin Medus)
 - (iii) SGDC – Strategic Public Transport Manager (currently Janet Kings)
 - (iv) BANES – Group Manager Transport (currently Gary Peacock)

- (c) Each Authority will authorise its Lead Officer and the Project SRO will authorise the Project Team to take any steps necessary to ensure the efficient promotion of the Project whether in response to any objection or requests by the Inspector at any Public Inquiry or for any

14. FINANCIAL ARRANGEMENTS

- 14.1 The Authorities will assume joint and several liability to perform their obligations under any Order and any agreements that may be reached with third parties, including any agreements or concessions to implement the Third Initial Stage of the Project.
- 14.2 On 17 May 2018 the DfT notified NSDC that its Large Local Major Scheme funding bid had not been successful. However the DfT notification letter stated a willingness to continue to have detailed discussions with WECA NSDC and other stakeholders in the West of England about potential improvements to rail services, including the MetroWest programme, and how they might be funded. The Parties will continue to work together to secure appropriate funding for the Project. As an interim measure and to prevent any delay in completion of the Project the Parties agree that the Third Initial Stage should be completed. NSDC is taking responsibility for all the additional liability required to progress the delivery of the scheme over and above the estimated out-turn of £58m as per the total scheme estimated cost of £58.159m referred to in the Preliminary Business Case endorsed by the WoE Joint Transport Board on 3rd September 2014. For the avoidance of any doubt the liability for BCC, B&NES and SGC remains at the same level as included in the Second Initial Stage.
- 14.3 In the event that WECA agrees to take on liability for the Project (including any obligations under any Order any agreements that may be reached with

third parties and any agreements or concessions to implement the Third Initial Stage of the Project) instead of BCC, BANES and SGDC then from the date that WECA notifies the Authorities that it takes on liability for the Project, BCC, BANES and SGDC shall be released from all liability and obligations in this Agreement and since 1st April 2013 (the Project Cost Baseline Date) but without prejudice to the rights of the parties in relation to any antecedent breach of their obligations.

- 14.4 Notwithstanding **clause 14.1** above, all financial liabilities under the Third Initial Stage of the Project during the term of this Agreement will be apportioned between the Authorities according to the following proportions (“the Standard Proportions”):

	Liability agreed in the Second Initial Stage based on a scheme estimated out-turn cost of £58m	Liability for the additional £58m taken on by NSDC, for the revised estimated capital cost of £116M (as set out in the Outline Business Case)	Net share of total liability for the Third Initial Stage
B&NES	15% of £58M	0% of additional £58M	15% of £58M
BCC	30% of £58M	0% of additional £58M	30% of £58M
NSDC	50% of £58M	100% of additional £58M	50% of £58M + 100% of a further £58M
SGC	5% of £58M	0% of additional £58M	5% of £58M
WECA	0% of £58M	0% of additional £58M	0%
Total	100%	100%	100.0%

- 14.5 In the event that WECA notifies the Authorities in accordance with **clause 14.5** above that it takes on the obligations and liabilities of BCC, BANES and SGDC then from the date of notification until the Expiry Date WECA shall bear the total of the Standard Proportions borne by BCC, BANES and SGDC.

- 14.6 The Authorities agree that and in relation to Project expenditure:-

- (a) each Party shall bear its own costs incurred by them up to but not including the Project Cost Baseline Date and such costs shall not be treated as Project costs;

- (b) From and including the Project Cost Baseline Date until completion of the Full Business Case the costs shall be shared in the Standard Proportions as defined in **clause 14.6**

14.7 The Authorities shall indemnify each other in respect of all costs, expenses, actions, proceedings or other expenditure arising under or in connection with a project agreement to the extent that either of them bears, has borne or is exposed to the risk of bearing more than their share of such based on the Standard Proportions.

14.8 Each Authority will make available the necessary funds to ensure that the Authorities and the Project Team can satisfy all liabilities falling due for payment, without one Authority having to make a payment on behalf of the other.

15. THIRD PARTY LIAISON

15.1 The Project Team shall be responsible for all negotiations with third parties including objectors and potential objectors to the Order(s).

15.2 No Authority shall meet, correspond or negotiate with such third parties without the consent of the Project Team.

15.3 In accordance with **clause 11.4(d)** any agreement which the Project Team makes with any third party must either be within the scope of an express authority delegated to it by the Authorities in writing or subject to ratification by the RPB and not binding until so ratified.

15.4 Subject to any authorisation required from the Authorities the RPB is authorised to and may settle the terms of any agreement with an objector, undertaking or revision to the Orders.

15.5 The Project Team shall where appropriate and reasonably practicable invite an officer from the Authority whose area any objection or third party issue concerns to attend any meeting with that objector or third party.

- 15.6 The representative of an Authority at such meeting shall not publicly disagree with the Project Team's position in respect of the negotiations with the objector or third party and all Authorities shall observe the requirements of **clause 22 (Publicity)**

16. LIABILITIES & INDEMNITIES

- 16.1 Notwithstanding the cost allocation provisions, where a liability under the Project arises out of either where one Authority ("the Indemnifying Party"):

- (a) fails to comply with the terms of this agreement; or
- (b) acts deliberately or negligently or commits an omission; or
- (c) makes a decision which leads to an increase in the costs of the Project;

the Indemnifying Party will bear the whole cost of the resulting costs and indemnify the other Authorities accordingly.

- 16.2 Each Authority shall ensure that it has on its own account, or co-operates with the other Authority to ensure that the Authorities jointly or the Project Team has appropriate insurance policies in force at all times to cover all risks the Project is reasonably able to insure against.

- 16.3 For the avoidance of doubt, any disputes as to valuation or the amounts of any claims by one Authority against the Project or the other are within the scope of the provisions on Remediation and Dispute Resolution referred to below.

17. WITHDRAWAL
