## **1 THE ISSUE.**

- 1.1** On 28<sup>th</sup> July 2019 an application was received from Laura Terry, trading as “Baked Potato”, to have a street trading pitch created in Kingsmead Street, Bath. The application is to allow them to sell Baked Potatoes with a variety of toppings on Mondays to Saturdays from 09:30 to 18:00. **(Annex A)**

## **2 RECOMMENDATION**

- 2.1** That the Licensing Sub Committee determines the application.

## **3 RESOURCE IMPLICATIONS (FINANCE, PROPERTY, PEOPLE)**

- 3.1** There are no resource implications arising from this report. The costs of processing licences and regulatory investigations are covered by the fees charged for licenses.

## **4 STATUTORY CONSIDERATIONS AND BASIS FOR PROPOSAL**

- 4.1** In accordance with Section 3 of the Local Government (Miscellaneous Provisions) Act 1982 (the 1982 Act), Bath and North East Somerset Council

have adopted Schedule 4 of that Act. In accordance with that Schedule, the Council has designated all Streets/Highways within the Authority as "consent streets". This means that street trading is prohibited, subject to legal exemptions, without first having obtained a street trading consent from the Council.

4.2 This application has been brought to the committee as valid objections have been received from local businesses and the ward Councillors.

4.3 When making a decision consideration needs to be given to the Human Rights Act 1998.

4.4 An Equalities Impact Assessment (EqIA) has been completed. No adverse or other significant issues were found.

## **5 THE REPORT**

5.1 An application has been received from Laura Terry (**Annex A**).

5.2 The type of stall to be used will be a wooden framed stall measuring 1.7 m x 1.85m.

5.3 The times applied for are 09:30 to 18:00 on Monday to Saturday.

5.4 Notification of the application was posted in Kingsmead Street and copies of the application were hand delivered to all nearby residential and retail premises on 9<sup>th</sup> August 2019 giving persons until midnight on 30th August 2019 to submit any objections. The application was also published on the Council's website.

5.5 Paragraph 7(2) of Schedule 4 to the 1982 Act provides that subject to sub-paragraph (3) the Council may grant consent if they think fit.

Sub-paragraph (3) provides that a street trading consent shall not be granted:

(a) To a person under the age of 17 years; or

(b) For any trading in a highway to which a control order under Section 7 of the Local Government (Miscellaneous Provisions) Act 1976 is in force, other than trading to which the control order does not apply.

5.6 Paragraph 7(4) of Schedule 4 to the 1982 Act provides that when granting or renewing a street trading Consent the Council may attach such conditions to it as they consider reasonably necessary.

Bath and North East Somerset Council has standard Street Trading conditions which are applicable to all Street Trading Consents issued by the Council.  
(**Annex B**)

5.7 Each application for a Street Trading Consent will be considered in line with the Council's current policy on Street Trading (**Annex C**).

5.8 A plan of the area is included (**Annex D**).

5.9 Objections were received (**Annex E**). The grounds for the objection are:-

That there is not enough space in the street for the applicant to engage in the trading, in which they desire to engage, without causing undue interference or inconvenience to persons using the street and that there are already enough traders trading in the street, from shops or otherwise in the goods in which the applicant desires to trade.

5.10 A representation in support of the application has been received (**Annex F**)

## **6 RATIONALE**

6.1 As objections have been received, the Licensing Sub Committee must determine the application.

## **7 OTHER OPTIONS CONSIDERED**

None

## **8 CLIMATE CHANGE**

8.1 The licensing objectives do not require the applicant to specify steps to mitigate the impact of climate emergency. However, the applicant is encouraged to consider locally sourced ingredients and reducing single use plastic in the operation of their business.

## **9 CONSULTATION**

9.1 In accordance with the current Bath and North East Somerset Street Trading Policy, the Licensing Service consulted with Avon and Somerset Police, the Council's Highways team, Property Services, Environmental Services, Development Control, Ward Councillors and adjacent premises.

9.2 The report has not been sent to the Trade Unions because they would have no involvement in this application.

## **10 RISK MANAGEMENT**

A risk assessment related to the issue and recommendations has been undertaken, in compliance with the Council's decision making risk management guidance.

## **11 ADVICE SOUGHT**

The Council's monitoring officer (Head of Legal & Democratic Services and Council Solicitor), Section 151 Officer (Chief Financial Officer) and the Head of Building Control and Public Protection have had the opportunity to input to this report and have cleared it for publication.

Subject: Request for Street Trading Pitch

Name: Laura Terry

Trading Name: Baked Potato

Pitch: New location on Kingsmead Street, location plan is attached.

Goods: Baked potatoes are one of the healthiest options for a quick, filling lunch. Naturally low in fat and gluten free, a medium sized baked potato offers approx 48% of your required daily vitamin c and more potassium than a banana. All produce will be supplied from local suppliers and we will only be using eco friendly packaging. After doing a lot of market research within the Bath area, we found there was a need for a takeaway option, that didn't involve something fried, wrapped in a bun or wrap. A good wholesome staple, that everyone remembers! With a different range of toppings just to mix it up a little.

Times: Monday to Saturday 930am - 600pm

Type: Our stall is purpose built, sturdy with the oven being on a trailer, the rest of the stall, all fold out to make a square stand, which will be completely self contained. I have attached photos.

# Street Trading Policy

## 1 Purpose

- 1.1 Bath and North East Somerset Council understands that street trading is important to both the local environment and local economy. Street trading can provide vibrancy and interest to the local environment and an opportunity for small businesses to establish themselves and grow.
- 1.2 The Council's vision for Bath and North East Somerset is to create a street trading environment which:
  - complements premises-based trading
  - is sensitive to the needs of residents
  - ensures that public spaces become active spaces
  - provides diversity and consumer choice;
  - seeks to enhance the character, ambience and safety of local environments

- 2.2 The Council has adopted Schedule 4 of the Local Government (Miscellaneous Provisions) Act 1982 for the whole of its area and has designated all streets in the area as 'Consent Streets' for street trading purposes.
- 2.3 The effect of this designation is that street trading in any street is prohibited, subject to legal exemptions, without first obtaining a street trading consent from the Council.
- 2.4 Consents may also be issued to mobile artists who sketch or paint, sell their own work and move from location to location.
- 2.5 Street trading consents for buskers wishing to sell items associated with their performance (e.g. CD's) will be established
- 2.6 Consents may be issued to mobile vendors such as Ice Cream Traders to operate in specific locations outside of the central area of Bath.

3.1 The Local Government (Miscellaneous Provisions) Act 1982 states that the following are exempt from the need to obtain Street Trading Consent:

- trading by a person acting as a pedlar under the authority of a pedlars' certificate granted under the Pedlars Act 1871

- trade carried on at premises used as a shop or in a street adjoining premises so used and as part of the business of the shop

### 4 Pitch assessment

4.1 The Council will maintain a map showing the location of street trading pitches. This map is available on the Council's web site at [www.bathnes.gov.uk/services/business/street-trading](http://www.bathnes.gov.uk/services/business/street-trading)

4.2 The Council may from time to time identify new pitches for street trading and will consider applications for new pitches. In determining whether to create a street trading pitch the Council will have regard to:

- an overriding public interest
- any effect on road safety, either arising from the siting of the pitch, or any loss of amenity caused by noise, traffic or smell
- existing Traffic Orders e.g. waiting restrictions
- any potential obstruction of pedestrian or vehicular access
- any obstruction to the safe passage of pedestrians; and
- the safe access and egress of customers and staff from the pitch and immediate vicinity
- any land owners permission which may be required from a private land owner or a relevant Council service e.g. Environmental Services (Open Spaces), Commercial Estates or Economic Regeneration

### 5 Application Process for a New Pitch

5.1 Before new pitches are created the Council will consult and seek written observations from:

- occupiers of premises immediately adjacent and opposite
- existing holders of street trading consents in the immediate area
- relevant ward councillors
- relevant parish or town councils
- Avon & Somerset Constabulary

- relevant Council Services including Development Control, Highways, Property Services, Environmental Services (Open Spaces), Commercial Estates, Trading Standards and Food Safety
- a relevant land owner
- any other stakeholder considered by the Council's Licensing Team to be relevant to the application

5.2 In addition to the above, public notices will be placed in a clearly visible location at the site of the proposed new pitch.

5.3 The Council will consider any responses received in relation to public notices and any objection from consultees will be assessed against the criteria in paras 1.2, 4.2 and Section 12 and may be referred to the appropriate Licensing Sub-Committee for determination.

5.4 Any proposed change to conditions attached to a consent will be in consultation with consent holders and others, as specified in 5.1 above, if relevant.

## **6 Application Process for an Existing Pitch**

6.1 When an existing or new pitch becomes available, the Council will publish details of the vacancy, inviting applications for the pitch. The details will be published on the Council's website.

6.2 Applications will be determined by the Licensing Manager. If no suitable application is received then the pitch will be re-advertised.

6.3 In situations where there are competing applications then the Licensing Manager will decide the most appropriate applicant in consultation with the Service Manager. The pitch will be offered to the applicant whose proposal is considered the most suitable for the particular location.

## **7 Mobile Street Artists**

7.1 Mobile street artist consents may be issued to persons who sketch or paint and sell their own work and move from location to location.

7.2 Applicants for mobile street artist consents must give a minimum notice period of 48 hours to the Licensing Team in relation to their application.

## **11 Pitches for Charitable Street Trading**

- 11.1 The Council issues permits to enable charitable street trading. Charitable street trading must not be undertaken in any street or public place unless the Promoter has obtained a consent from the Council. The only exception to this is where the collection is exempt under schedule 4 of the 1982 Act (see section 3)
- 11.2 In relation to charitable street trading, the Council has a designated street trading pitch for this purpose at Kingston Parade, Bath. This pitch will be available to registered charities, or organisations demonstrating that they are a 'not-for-profit' organisation. Use of this pitch will be subject to the Council's standard street trading conditions.
- 11.3 The charity or organisation must obtain permission from the Principal Consent Holder responsible for the pitch at Kingston Parade whose details can be obtained from the Licensing Department.

## **12 Nature of Goods and Trading Hours**

- 12.1 The nature of goods which may be sold from any pitch and the trading hours will be specified in the consultation process. Any subsequent application for a change in the nature or type of goods sold or the trading hours will require a further application and will be subject to the level of consultation as set out in section 5.1 above.
- 12.2 Until 1<sup>st</sup> April 2015, the Council will not normally grant a consent for the sale of goods or services which conflict with those provided by nearby shops or nearby street trading pitches. (After this date, changes to Schedule 4, Local Government [Miscellaneous Provisions] Act 1982 come into effect which promote open competition).
- 12.3 Goods will normally consist of craftwork, fresh flowers, fresh fruit and vegetables, ice cream or soft drinks. Other types of goods, including services, will be considered on a pitch by pitch basis and have particular regard to local needs, product diversity and balanced with other retailers in the immediate vicinity.
- 12.4 Street trading hours will normally mirror those of shops in the immediate vicinity. Extended trading hours will be determined on a pitch by pitch basis.
- 12.5 In the case of stalls selling hot food trading hours will be determined on a pitch by pitch basis.

- 12.6 Late night food traders operating after 11:00 pm will be subject to the requirements of the Licensing Act 2003 regarding the need for a Premises Licence. Greater consideration will be given to the impact on the night time environment and the possibility of crime and disorder on the streets as a result of the granting of a street trading consent.

## 13 Design and Appearance of Stall, Barrow, Van, Cart etc.

- 13.1 The design and appearance of the stall, barrow, van or cart etc. to be used must be agreed by the Council.
- 13.2 The Council has a preferred set of standards of design and appearance that they wish to achieve for all street trading pitches based in the central area of Bath.
- All new applicants will be required to use an approved design unless a suitable alternative is agreed
  - All existing Consent Holders will be required to change to an approved design by 1st January 2017, or upgrade the whole or parts of their units, as appropriate

- 14.2 Consents will not normally be issued for a period of less than six days per week, unless the applicant can provide an alternative scheme acceptable to the Council.
- 14.3 Where a consent has expired the pitch will become subject to paragraphs 14.4 and 14.5 below.
- 14.4 When an existing or new pitch becomes available, the Council will publish a notice inviting applications for the said pitch on its website.
- 14.5 Applications for an existing pitch will be determined by the Licensing Manager or other authority delegated by the Council. Each pitch will be offered to the applicant whose proposal is considered most suitable for the particular pitch. If no suitable application is received then the pitch will be re-advertised.
- 14.6 Any application received by a person less than 17 years of age will be considered by taking into account the provisions contained in the Children and Young Persons Act 1933 and the Children and Young Persons Protection at Work Regulations 1998.

14.7 An application for an existing pitch may be refused or revoked if the applicant is found to be unsuitable to hold the consent by reason of having been convicted of a relevant offence, or for any other reason.

14.8 The issue of a street trading consent will not normally be delayed where other approvals, permits, licences are required by other departments or statutes except in the case where advice is required from the Council's Food Safety and Health and Safety teams.

## 15 Fee Structure

15.1 The Council may charge such fees as it considers reasonable having regard to pitch location, the size of the Pitch, trading days, hours and the description of goods offered for sale.

15.2 The fees will be reviewed and set on an annual basis and any variation advertised by notice in a local newspaper.

15.3 Fees for consents must be paid in full in advance:

- in the case of Direct Debits, on a monthly basis

15.4 Failure to maintain payments as above may result in the consent not being renewed. Where a payment is not made by the due date the Council may charge an administration fee as determined by the Licensing Manager. This will include cheques or Direct Debit requests that are not honoured.

15.5 The Council cannot guarantee that pitches will be available every day and accepts no liability for the loss of earnings in relation to street trading consent holders or their employees.

15.6 In the event of roadworks, utility or service repairs and other genuine circumstances that affect the use of any pitch, the Licensing Manager will consider appropriate refunds on a case by case basis, provided a written request has been made by the consent holder.

## 16 Street Trading Consents for which fees are not payable

16.1 The Council will not require the payment of fees for the following street trading activities:

- fetes, carnivals or similar community based and run events

## 17 Conditions and Enforcement

ANNEX C

- 17.1 Standard conditions will be attached to every street trading consent detailing the holder's responsibilities to maintain public safety, avoid nuisance and generally preserve the amenity of the locality.
- 17.2 Specific conditions will also be attached such as the days and hours when street trading is permitted, the goods which may be sold and the size of the pitch.

Dear Madam,

**Re: Laura Terry License to trade on Kingsmead Street;**

Thank you for your notice for the above to trade out of a wooden structure within the vicinity outside the front of our shop, and others.

Whilst we are broadly supportive of this type of initiative, we would like to point out that owing to the nature of the goods we supply this type of structure and outlet would create a H&S issue for the following reason:

Our carpets are carried either at shoulder height or trolled from the back of the delivery wagon, often requiring a turning circle in order to access either our store or part of the shop safely. Also, our deliveries currently do use the cobbled area up to the bollards.

With the facility to park cycles as well as the flower box access, will become even more restrictive and create a potential hazzard.

Would it not be more sensible and practical for this stall to be set up within the centre of Kingsmead Square instead.

You are very welcome to visit and inspect the area in question.

Regards

**Subject:** Re: Street Trading Consent Ref. 19/03179/STTRAD

I do not think this is an appropriate location for a new pitch. There are other pitches in the area which in many ways may complement the street experience. I do not think this location provides either the right synergy with existing pitches or businesses, or any positive to the street/shopping experience.

Please accept this as my objection to this pitch.

Thank you.

**Subject:** Re: ref application baked potato pitch kingsmead st

The reasons I am objecting are

- 1 . There is very small walk way across Kingsmead St which can become dangerous when large lorries are unloading which happens every day
2. The stall is selling the same products we sale inside the chip shop
3. There is no need for any more food outlets in Kingsmead sq as there is all really to much
4. The stall will block access to and from the shops on the end with large carpet rolls and heavy goods this will course safety problems

**Subject:** APPLICATION REFERENCE 19/03179/STTRAD - Baked Potato proposed new pitch at Kingsmead Street, Bath

Dear Cathryn

Both FoodBev Media Ltd at 15 Kingsmead Square and Zenith Global Ltd at 7-9 Kingsmead Square are supportive of this application.

The nature and location of the pitch are consistent with other plans for the square.

We believe it would be wise to grant permission for an initial 12 months. We also request the inclusion of a requirement for refuse bins to form part of the pitch.

Yours sincerely

Richard Hall Chairman
