THE ISSUE

- 1.1 The Investment Panel is responsible for addressing investment issues including the investment management arrangements and the performance of the investment managers. The Panel has delegated responsibilities from the Committee and may also make recommendations to Committee. This report informs Committee of decisions made by the Panel and any recommendations.
- 1.2 The Panel has held one formal meeting since the June 2019 Committee meeting, on 2 September 2019. The draft minutes of this meeting provide a record of the Panel's debate before reaching any decisions or recommendations.
- 1.3 Recommendations made in respect of the Annual Review of Risk Management Strategies are included in Item 14.

RECOMMENDATION

2.1 Notes the minutes of the Investment Panel meeting on 2 September at Appendix 1 and Exempt Appendix 2.

3 FINANCIAL IMPLICATIONS

- 3.1 In general the financial impact of decisions made by the Panel will have been provided for in the budget or separately approved by the Committee when authorising the Panel to make the decision.
- 3.2 There are transactional costs involved in appointing and terminating managers. Where these arise from a strategic review allowance will be made in the budget. Unplanned changes in the investment manager structure may give rise to transition costs which will not be allowed for in the budget.

4 RECOMMENDATIONS AND DECISIONS

4.1 There were no recommendations or decisions made by the Panel other than those covered in Item 14: Annual Review of Risk Management Framework.

5 INVESTMENT PANEL DELEGATION

5.1 The activity was undertaken under the delegation set out in the Fund's Terms of Reference approved in May 2015:

The Investment Panel will:

- 1. Review strategic and emerging opportunities outside the strategic asset allocation and make recommendations to the Committee.
- Review the Statement of Investment Principles and submit to Committee for approval.
- 3. Report regularly to Committee on the performance of investments and matters of strategic importance
 - and have delegated authority to:
- 4. Approve and monitor tactical positions within strategic allocation ranges.
- 5. Approve investments in emerging opportunities within strategic allocations.
- 6. Implement investment management arrangements in line with strategic policy, including the setting of mandate parameters and the appointment of managers.
- Approve amendments to investment mandates within existing return and risk parameters.
- 8. Monitor investment managers' investment performance and make decision to terminate mandates on performance grounds.
- 9. Delegate specific decisions to Officers as appropriate.

6 RISK MANAGEMENT

- 6.1 The Avon Pension Fund Committee is the formal decision-making body for the Fund. As such it has responsibility to ensure adequate risk management processes are in place. An Investment Panel has been established to consider in greater detail investment performance and related matters, and to carry out responsibilities delegated by the Committee.
- 6.2 A key risk to the Fund is that the investments fail to generate the returns required to meet the Fund's future liabilities. This risk is managed via the Asset Liability Study which determines the appropriate risk adjusted return profile (or strategic benchmark) for the Fund.

7 CLIMATE CHANGE

7.1 The Fund is implementing a digital strategy across all its operations and communications with stakeholders to reduce its internal carbon footprint. The Fund acknowledges the financial risk to its assets from climate change and is in the process of addressing this through its strategic asset allocation to Low Carbon Equities and renewable energy opportunities. The strategy is monitored and reviewed by the Committee.

8 OTHER OPTIONS CONSIDERED
