During the hours of darkness Manvers Street has many vulnerable people wandering about. They mostly have addictions such as alcohol, drugs gambling etc. The members of Manvers Street Baptist Church (187 members) feel strongly that a Casino in this vicinity would add to the problems currently being experienced by those working in the area

I am aware that a full copy of my representation (including my name and address) will be sent to the applicant and will form part of a public document prior to any hearing on this matter.

Signed

Proposal to build a Casino in Manvers Street.

Dear Mr Jones,

I live in Bath Abbey Parish & regard this a most unsuitable use for the current car park site, laying aside moral objections to gambling.

This is a quiet, yet densely populated area. Each Georgian house is typically split into 5 flats. The terms of our tenancies allow for peaceful enjoyment between the hours of 11pm & 7am. I understand the licence for a casino would be 24/7.

As well as Bath Abbey - in the immediate area there are 2 non-conformist chapels, a Mosque & the principal Catholic Church of the City. Hence there are vulnerable groups including children & old people visiting on a regular basis & former a venue for weddings & funerals. Additionally there is a home for elderly people at the junction of Duke St. & Sealm Parade.

Manvers St. Car Park fulfils a very useful function since there are few car parks in the central business & tourist heart of the City & has recently been refurbished.

Perhaps at some time in the future & being part of a riverside location close to the transport hub - a marina would be a more suitable development for this area.

Yours sincerely

Mrs P.E. Jessop

Important Information About Your Representation

Why do I need to fill in this form?

While we can accept any written representation, we ask that you complete this form in order to assist the Licensing Sub Committee at the hearing.

Representations made under the Gambling Act 2005 must be made public, and by signing this form you give permission for your details to be disclosed. That is why we ask you to complete this form even if you have already made a written representation.

What if I do not want my details to be disclosed?

Anonymous representations will not normally be accepted.

If you think there are exceptional circumstances that would justify you making an anonymous representation, such as the threat of intimidation or violence from the applicant, then please contact the Licensing Office on 01225 477557 to discuss the matter.

Alternatively, you can ask your Local Councillor, Parish Council or local Residents' Association to make a representation instead. If you choose to do this, there is no need to complete this form; the Councillor, Parish Council or Residents' Association will do it if they decide to make a representation.

What do I need to know when writing my representation?

Representations can be made by people who live, or are involved with a business, within the vicinity of the premises. There is no given definition of vicinity and it is up to the Licensing Authority to decide how it applies in each case, taking into account things like the nature and location of the premises.

Further details can be found in Section 5 of the Council's Gambling Act Statement of Principles; copies of which are available via the Council's web site or from Reception at our Bath Street Offices.

What if I want to supply extra information in support of my representation?

You can include the information with your representation form. If you have already made a representation and now want to give us extra information in support of it, you need to send copies of it to the Licensing Office *and* the applicant. This should be done at least 5 working days before the hearing.

If you arrive at the hearing with extra information that has not been sent to the Licensing Office and the applicant, it will only be considered if the applicant and the Committee agree to it. We recommend that you bring at least 10 copies of the information with you to the hearing.

I want to make a representation about other issues

Unfortunately, representations about issues other than the three objectives cannot be accepted. The licensing regime is separate from other local government functions, including the planning department. If a Premises Licence is granted for a building, this will not exempt the licence holder from having to obtain the necessary planning permission. We are therefore unable to accept representations that simply refer to the need for planning permission.
