1 The development, due to the siting of block 2 close to the boundary with Dragons Hill Court, combined with the number of windows on the rear elevation of this block, would result in unacceptable loss of privacy to the communal garden of Dragons Hill Court. The loss of privacy would result in significant harm to the residential amenity of the users of this space, and is contrary to policy D6 of the Bath and North East Somerset Placemaking Plan.

2 The proposed development would not provide an appropriate level of on-site parking spaces; this would exacerbate highway safety associated with additional on-street parking, and is therefore contrary to policy ST7 of the Bath and North East Somerset Placemaking Plan.

3 The proposed development, primarily due to the inappropriate height of block 2 and its relationship with the neighbouring boundary is considered to be of an unacceptable design and results in the overdevelopment of the site. The development has a resultant detrimental impact upon the character and appearance of the Keynsham Conservation Area. The harm is considered to be less than substantial but there are no public benefits which outweigh this harm. The development is therefore considered to be contrary to Bath and North East Somerset Placemaking Plan policies HE1, D1,D2, D5 and Core Strategy Policy CP6.

PLANS LIST:
03 Nov 2019  903-05 REV L  PROPOSED SITE AND GROUND FLOOR PLAN
03 Nov 2019  7828-051A  SITE PLAN SHOWING PROPOSED IMPERMEABLE AREA
03 Nov 2019  7828-052A  SITE PLAN SHOWING PROPOSED SURFACE WATER
03 Nov 2019  903-03 REV D  PROPOSED SITE BLOCK PLAN
03 Nov 2019  903-10 REV H  PROPOSED GROUND FLOOR PLANS
03 Nov 2019  903-15 REV J  PROPOSED ELEVATIONS SHEET 1
03 Nov 2019  903-16 REV G  PROPOSED ELEVATIONS SHEET 2
19 Mar 2019  06 B  EXISTING POLICE STATION ELEVATIONS
19 Mar 2019  07B  EXISTING BATH HILL STREET ELEVATION
19 Mar 2019  01 C  SITE LOCATION PLAN

In determining this application the Local Planning Authority considers it has complied with the aims of paragraph 38 of the National Planning Policy Framework. Whilst the application was recommended for permission by Officers the Development Management Committee considered the proposal to be unacceptable for the stated reasons.

**Community Infrastructure Levy**

You are advised that as of 6 April 2015, the Bath & North East Somerset Community Infrastructure Levy (CIL) Charging Schedule came into effect. Whilst the above application has been refused by the Local Planning Authority please note that CIL applies to all relevant planning permissions granted on or after this date. Thus any successful appeal against this decision may become subject to CIL. Full details are available on the Council's website [www.bathnes.gov.uk/cil](http://www.bathnes.gov.uk/cil)

Wales & West Utilities has pipes in the area. Our apparatus may be affected and at risk during construction works. Should the planning application be approved then we require the promoter of these works to contact us directly to discuss our requirements in detail before any works commence on site. Should diversion works be required these will be fully chargeable.
DECISION  REFUSE

1 The proposed development would lead to the erosion of an important hillside and would harm the landscape setting of Bath. The proposal would therefore cause less than substantial harm to the Outstanding Universal Value of the Bath World Heritage Site and this harm is not outweighed by public benefits. The proposal is therefore contrary to the development plan, in particular policies B4 and CP6 of the Bath and North East Somerset Core Strategy and policies NE2, NE2A and HE1 of the Bath and North East Somerset Placemaking Plan.

2 The design of the proposed dwellings, in particular the terrace form, is out of keeping with the local context and would be harmful to local character and distinctiveness. The proposals are therefore contrary to the development plan, in particular policy CP6 of the Bath and North East Somerset Core Strategy and policy D2 of the Bath and North East Somerset Placemaking Plan.

3 The proposed development would adversely affect the Twerton Farm Site of Nature Conservation Interest. Material considerations are insufficient to outweigh the local biological value of the affected species and habitats. The proposals are therefore contrary to policy CP6 of the Bath and North East Somerset Core Strategy and NE3 of the Bath and North East Somerset Placemaking Plan.

PLANS LIST:

1380-02-P5  SOFT LANDSCAPE PLAN
072 B PROPOSED ELEVATIONS
073 B PROPOSED ELEVATIONS SHEET 2
074 B PROPOSED ELEVATIONS SHEET 3
In determining this application the Local Planning Authority considers it has complied with the aims of paragraph 38 of the National Planning Policy Framework. Whilst the application was recommended for permission by Officers the Development Management Committee considered the proposal to be unacceptable for the stated reasons.

**Community Infrastructure Levy**

You are advised that as of 6 April 2015, the Bath & North East Somerset Community Infrastructure Levy (CIL) Charging Schedule came into effect. Whilst the above application has been refused by the Local Planning Authority please note that CIL applies to all relevant planning permissions granted on or after this date. Thus any successful appeal against this decision may become subject to CIL. Full details are available on the Council's website www.bathnes.gov.uk/cil
DECISION    REFUSE

1 The proposed use of the property as an eight bedroom HMO combined with the loss of one off-street parking space is likely to give rise to additional on-street parking in an area where on-street parking is in high demand. An increase in on-street parking in this location will affect highway safety and residential amenity. The proposal would therefore be contrary to policy ST7 of the Bath and North East Somerset Placemaking Plan (July 2017).

2 The proposed development would result in over-intensification of the property to the detriment of the amenities of neighbours. The proposal would therefore be contrary to policies H2 and D6 of the Bath and North East Somerset Placemaking Plan (July 2017).

PLANS LIST:

This decision relates to the following plans:

23 Oct 2019 - TQRQM19296105853768- LOCATION PLAN
24 Oct 2019 - EXISTING PLANS
24 Oct 2019 - PROPOSED PLANS
15 Nov 2019 - EXISTING AND PROPOSED FRONT ELEVATION

In determining this application the Local Planning Authority considers it has complied with the aims of paragraph 38 of the National Planning Policy Framework. Whilst the application was recommended for permission by Officers the Development Management Committee considered the proposal to be unacceptable for the stated reasons.

Community Infrastructure Levy
You are advised that as of 6 April 2015, the Bath & North East Somerset Community Infrastructure Levy (CIL) Charging Schedule came into effect. Whilst the above application has been refused by the Local Planning Authority please note that CIL applies to all relevant planning permissions granted on or after this date. Thus any successful appeal against this decision may become subject to CIL. Full details are available on the Council's website www.bathnes.gov.uk/cil

Responding to Climate Change (Informative):

The council is committed to responding to climate change. You are advised to consider sustainable construction when undertaking the approved development and consider using measures aimed at minimising carbon emissions and impacts on climate change.

DECISION  PERMIT

1 Standard Time Limit (Compliance)
The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 (as amended) and to avoid the accumulation of unimplemented planning permission.

2 Highway Works (Pre-occupation)
No occupation of the development shall commence until the access amendments shown on drawing number L5789 / 104 have been provided.
Reason: To ensure that the development is served by an adequate means of access in accordance with Policy ST7 of the Bath and North East Somerset Placemaking Plan.

3 Wildlife Protection and Enhancement (Pre-commencement)
No development shall take place until full details of a Wildlife Protection and Enhancement Scheme have been submitted to and approved in writing by the local planning authority. These details shall include all necessary measures to avoid harm to wildlife and protected species including reptiles and nesting birds; and for provision of wildlife habitat, bird and bat boxes, wildlife friendly planting and sensitive lighting. All works within the scheme shall be carried out in accordance with the approved details prior to the occupation of the development.

Reason: To prevent ecological harm and to provide biodiversity gain in accordance with policy CP6 of the Bath and North East Somerset Core Strategy and policy NE.3 of the Bath and North East Somerset Placemaking Plan.

4 Implementation of Wildlife Scheme (Pre-occupation)
No occupation of the development hereby approved shall commence until a report produced by a suitably experienced ecologist confirming and demonstrating, using photographs where appropriate, implementation of the recommendations of the Wildlife Protection and Enhancement Scheme has been submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that the implementation and success of the Wildlife Protection and Enhancement Scheme to prevent ecological harm and to provide biodiversity gain in accordance with policy CP6 of the Bath and North East Somerset Core Strategy and policy NE.3 of the Bath and North East Somerset Placemaking Plan.

5 External Lighting (Bespoke Trigger)
No new external lighting shall be installed without full details of proposed lighting design being first submitted and approved in writing by the Local Planning Authority; details to include lamp specifications, positions, numbers and heights, details of predicted lux levels and light spill, and details of all necessary measures to limit use of lights when not required and to prevent light spill onto nearby vegetation and adjacent land, and to avoid harm to bat activity and other wildlife. The lighting shall be installed and operated thereafter in accordance with the approved details.

Reason: To avoid harm to bats and wildlife in accordance with policy CP6 of the Bath and North East Somerset Core Strategy and policy NE.3 of the Bath and North East Somerset Placemaking Plan.

6 Hard and Soft Landscaping (Pre-occupation)
No occupation shall commence until a hard and soft landscape scheme has been submitted to and approved in writing by the Local Planning Authority showing details of all trees, hedgerows and other planting to be retained, a planting specification to include numbers, size, species and positions of all new trees and shrubs, details of existing and proposed walls, fences, other boundary treatment and surface treatment of the open parts of the site, and a programme of implementation.
Reason: To ensure the provision of an appropriate landscape setting to the development in accordance with Policies D1, D2, D4 and NE2 of the Bath and North East Somerset Placemaking Plan.

7 Hard and Soft Landscaping (Compliance)
All hard and/or soft landscape works shall be carried out in accordance with the approved details. The works shall be carried out prior to the occupation of any part of the development or in accordance with the programme (phasing) agreed in writing with the Local Planning Authority. Any trees or plants indicated on the approved scheme which, within a period of five years from the date of the development being completed, die, are removed or become seriously damaged or diseased shall be replaced during the next planting season with other trees or plants of a species and size to be first approved in writing by the Local Planning Authority. All hard landscape works shall be permanently retained in accordance with the approved details.

Reason: To ensure that the landscape scheme is implemented and maintained in accordance with Policies D1, D2 and NE2 of the Bath and North East Somerset Placemaking Plan.

8 Contaminated Land - Unexpected Contamination (Compliance)
In the event that contamination which was not previously identified is found at any time when carrying out the approved development, it must be reported in writing immediately to the Local Planning Authority. Thereafter an investigation and risk assessment shall be undertaken, and where remediation is necessary, a remediation scheme shall be submitted to and approved in writing by the Local Planning Authority. Following completion of measures identified in the approved remediation scheme, a verification report (that demonstrates the effectiveness of the remediation carried out) must be submitted to and approved in writing by the Local Planning Authority prior to occupation of the development.

Reason: In order to ensure that the land is suitable for the intended uses and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors and in accordance with section 11 of the National Planning Policy Framework.

9 Materials - Submission of Schedule and Samples (Bespoke Trigger)
No construction of the external walls of the development shall commence until a schedule of materials and finishes, and samples of the materials to be used in the construction of the external surfaces, including roofs, have been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be carried out only in accordance with the approved details.

Reason: In the interests of the appearance of the development and the surrounding area in accordance with Policies D1, D2, D3 and D5 of the Bath and North East Somerset Placemaking Plan and Policy CP6 of the Bath and North East Somerset Core Strategy.

10 Agricultural Occupancy (Compliance)
The occupation of the dwelling shall be limited to a person solely or mainly working, or last working, in the locality in agriculture or in forestry, or a widow or widower of such a person, and to any resident dependants.
Reason: To accord with the Policies in the Development Plan and to ensure an adequate availability of dwellings to meet agricultural or forestry needs in the locality.

11 **Water Efficiency - Rainwater Harvesting (Pre-occupation)**

No occupation of the approved dwellings shall commence until a scheme for rainwater harvesting or other methods of capturing rainwater for use by residents (e.g. Water butts) has been submitted to and approved in writing by the Local Planning Authority. The development shall thereafter be constructed in accordance with the approved details.

Reason: In the interests of water efficiency in accordance with Policy SCR5 of the Placemaking Plan.

12 **Water Efficiency (Compliance)**

The approved dwellings shall be constructed to meet the national optional Building Regulations requirement for water efficiency of 110 litres per person per day.

Reason: In the interests of water efficiency in accordance with Policy SCR5 of the Bath and North East Somerset Placemaking Plan.

13 **Bespoke condition - Sustainable Construction (Compliance)**

The development hereby approved shall be built in accordance with the details of the Sustainable Construction Checklist submitted to the Local Planning Authority on 24 September 2019.

Reason: To ensure that energy efficiency has been maximised through a 19% reduction in regulated emissions in accordance with Policy CP2 of the Bath & North East Somerset Core Strategy.

14 **Plans List (Compliance)**

The development/works hereby permitted shall only be implemented in accordance with the plans as set out in the plans list below.

Reason: To define the terms and extent of the permission.

**PLANS LIST:**

This decision relates to plan references;

L5 789 103A and L5 789 104 received 24th September 2019.

**Permit/Consent Decision Making Statement**

In determining this application the Local Planning Authority considers it has complied with the aims of paragraph 38 of the National Planning Policy Framework.

**Community Infrastructure Levy**

You are advised that as of 6 April 2015, the Bath & North East Somerset Community Infrastructure Levy (CIL) Charging Schedule came into effect. **Before** commencing any
development on site you should ensure you are familiar with the CIL process. If the
development approved by this permission is CIL liable there are requirements to assume
liability and notify the Council before development commences, failure to comply with the
regulations can result in surcharges and additional payments. Full details about the CIL
Charge including, amount and process for payment will be sent out in a CIL Liability
Notice which you will receive shortly. Further details are available here:
www.bathnes.gov.uk/cil
