

Bath and North East Somerset's Children and Young People's Plan on a Page 2018-2021

What we'll do

One Vision

Children and young people will enjoy childhood and be well prepared for adult life

Four Outcomes

- Children and young people are safe
- Children and young people, are healthy
- Children and young people, have fair life chances
- Children and young people are engaged citizens within their own community

Eleven Priorities

1. Increase the proportion of children and young people living in safe, supportive families and communities
2. Decrease the proportion of children and young people affected by unintended or accidental injury
3. Increase the proportion of children and young people are protected from crime and anti-social behaviour
4. Increase the proportion of children and young people maintaining a healthy weight
5. Increase the proportion of children and young people experiencing good emotional health, wellbeing and resilience
6. Increase the proportion of children and young people free from the harm of substance misuse including alcohol and tobacco and illegal drugs
7. Ensure children and young people are supported to have the best start in life and be ready for learning
8. Ensure children and young people are supported sufficiently to be able to achieve and that gaps in their educational outcomes are closed.
9. Ensure children and young people are able to access and maintain appropriate local education provision
10. Ensure children and young people are supported through key transitions, including into adulthood
11. Ensure children and young people are supported to participate, have a voice and can influence change.

How we'll do it – our 4 commitments

4 Cross cutting themes that link to the H&WBB Strategy, BCSSP Strategic Plan, Early Help Strategy and the Children's Workforce Strategy

'Think Family' Approach

Strengthen Early Help

Narrowing the Achievement Gap

A skilled and competent workforce

How we'll know if we've made a difference

- Increase in multi agency Early Help Assessments
- Increase in joint assessment and plans around substance misuse, mental health and domestic violence.
- Reduction in number of children on CP plans and who need to be looked after
- Increase in children and young people and parents receiving better mental health services
- Reduction in obesity levels at age 10/11
- Decrease in substance misuse by under 18's
- Percentage with good level of development in Early Years
- Reduction in attainment gaps at 5, 11, 16 and 19 for vulnerable groups
- Ensure increase in Primary and Secondary /College attendance for vulnerable groups
- Ensure support for vulnerable groups around key transition stages
- Decrease of numbers of 10 –17 year olds engaged in the Youth Justice system
- Ensure children and young people are enabled to participate and influence change.
