

Standards Committee

Annual Report 2019 - 20

Chair's Foreword

The Standards Committee fulfils a most important role for Bath and North East Somerset Council and for the Parish and Town Councils within its area. The Committee members are all volunteers: some are Unitary Councillors; some are Parish or Town Councillors drawn from Parish or Town Councils in the Bath and North East Somerset Council area, whose nominations are facilitated by Avon Local Councils Association, and some are Independent Members, being independent members of the public. In addition, as legally required, the Authority appoints an 'Independent Person', to work alongside the Standards Committee and Monitoring Officer.

At the start of the period covered by the period of this report, following elections, a number of new members joined the Standards Committee. All committee members have given willingly and generously of their time and talents in approaching issues most thoughtfully and constructively. We are most grateful to them.

The following detailed report shows the range of matters within the scope of the Standards Committee. In the past year, there have been some 7 matters raised: of which initial assessments required 'no further action' to be undertaken on 5 occasions; 1 dealt with by informal resolution; and one matter was withdrawn. No matters were referred for investigation. To put these figures in context, the Standards Committee has within its purview, the unitary authority and 45 Parish and Town Councils: in total over 500 councillors.

In Bath and North East Somerset, the Standards Committee has three Independent Members: Dr Cyril Davies and Deborah Russell and myself, and in this authority, the Committee is chaired by an Independent Member. I am most grateful to all my colleagues for their help and support and commend the Monitoring Officer and her officers for their most professional and successful operation of the Standards regime.

Dr Axel Palmer
Chair of the Standards Committee

The Standards Committee

Introduction

The Standards Committee has agreed that it will submit an annual report summarising the work the Committee has carried out during the previous year for the consideration of Council. This report comprises the Annual Review covering the period April 2019 to March 2020, together with background information regarding the standards regime established within Bath & North East Somerset Council. All references to 2019-20 in the report refer to this time period.

1. Background information

The Code of Conduct for Elected and Co-opted Members

In 2012 BANES adopted a code required by The Localism Act 2011 setting out the conduct that is expected of elected and co-opted members of the Authority when they are acting in that capacity. The Code applies whenever a member (a) conducts the business of the Authority (including the business of their office as an elected councillor or co-opted member) or (b) acts, claims to act or gives the impression they are acting as a representative of the Authority. The Code is consistent with Nolan's Seven Principles of Public Life, and should be read in the light of those principles, namely that Councillors will act with selflessness; integrity; objectivity; accountability; openness; honesty and leadership.

The Monitoring Officer

The Monitoring Officer is responsible for promoting and maintaining high standards of conduct and for reporting any actual or potential breaches of the law and maladministration to the full Council and/or to the Cabinet (as set out in s.5(1) of the Local Government and Housing Act 1989).

The Monitoring Officer and their team administer the local arrangements for addressing complaints made under the Code of Conduct. This includes the assessment of every complaint received under the Code of Conduct. Following consideration and consultation with the Authority's Independent Person and Chair of the Standards Committee, the Monitoring Officer decides whether the complaint will be investigated. The decision will be based on whether the allegation, if proved, would constitute a failure to observe the Code of Conduct and the application of the Council's adopted assessment criteria. The Monitoring Officer may also consider that a complaint can be reasonably resolved informally and will discuss this option with the complainant and subject member where appropriate.

Independent Persons

The Council has appointed an Independent Person who is invited to attend all meetings of the Standards Committee. The Council has access to a reserve Independent Person through informal arrangements with neighbouring local authorities. The Independent Person must be consulted by the Council before it makes a decision on a matter that has been referred to it for investigation; they can also be consulted by the Council in respect of a code of conduct complaint at any other stage; and can also be consulted by a member or co-opted member of the Council against whom a complaint has been made. It has been emphasised that the involvement and consultation of the Independent Person is important at all stages.

The Standards Committee

The Standards Committee is responsible for the promotion of ethical standards within the Council, helping to secure adherence to the Code; monitoring the operation of the Code; conducting hearings following investigation and determining complaints made under the Code. The Standards Committee's terms of reference are set out in the Council's Constitution in Part 5, Terms of Reference. The Committee conducts proceedings using Article 9 of the Constitution and the Authority's Local Arrangements for dealing with complaints under the Code of Conduct for Members. The Committee is also responsible for granting dispensations to Members.

Where a Final Report from an Investigating Officer recommends a finding that there is no breach of the Code, the Committee determines whether to accept the report; refer the report back to the Investigating Officer if it is considered incomplete; or refer the report to a hearing in accordance with the Authority's Local Arrangements for dealing with complaints under the Code of Conduct for Members.

Where a Final Report from an Investigating Officer recommends a finding that there has been a breach of the Code, the Committee undertakes a hearing in accordance with the Council's Local Arrangements for dealing with complaints under the Code. The Committee will determine the facts; if there has been a breach and any sanctions. It can also make recommendations to Council.

2. Training for Standards Committee Members and Independent Persons

Initial and refresher training on the duties and responsibilities of members serving on the Standards Committee of the Authority is important to ensure the probity and credibility of the Authority's decision making processes. Members are required to undertake basic training through the Authority's member induction programme, on election or re-election, and this is refreshed annually, before they can serve on the Standards Committee. Training is also provided for the Independent Persons appointed by the Authority in order to ensure they are able to carry out their role.

3. Standards Committee Membership 2019-20

In 2019/20 the Standards Committee comprised the following Members:

Councillors Jess David, Sally Davis, Duncan Hounsell, Michelle O'Doherty, June Player.
Parish Councillors Tony Crouch, Clive Fricker, Kathy Thomas.
Independent Members Dr Cyril Davies, Dr Axel Palmer (Chair), Deborah Russell.

4. The Authority's Independent Persons

The Authority's Independent Person is Tony Drew and the Council has access to a reserve Independent Person through informal arrangements with neighbouring local authorities.

5. Committee Meetings

At the start of each year the Standards Committee agrees its Work Programme/Action Plan

for the year, which is then monitored at meetings throughout the year. The Work Programme/Action Plan for 2019-20 is attached at Annex A to this report. Standard Committee sessions are scheduled every 2 months in advance. If not required, these are cancelled.

The Standards Committee met on:

- 4th July 2019
- 19th September 2019

7. Review of Standards Committee Work Programme and Action Plan for 2019/20

The Standards Committee's Work Programme/Action Plan for 2019/20 is attached at Annex A. The Standards Committee met on 2 occasions during the year. At each meeting the Committee monitored its Work Plan and noted the current position of complaints using the Complaints Tracker.

In the 2018-19 Annual report the Committee advised that it had reviewed the "Local Government Ethical Standards" – a review by the Committee on Standards in Public Life and noted that the Council was already complying with the majority of its best practice recommendations. Following from that review, an advice note for Councillors on bullying and harassment was agreed to be recommended to Council and this was adopted by Council at its meeting on the 10 October 2019. New members of the committee joined in 2019 following the Local Government Elections in May 2019 and were trained on the work of the committee and the process for dealing with complaints. The Committee also considered the Annual Report on Commission for Local Administration in England (Local Government and Social Care Ombudsman) Complaints and produced the Annual Report of the Standards Committee.

8. Conclusion

The Committee has dealt with a wide variety of matters in the past year. The Committee's aim is to continue to develop and maintain the Authority's ethical governance framework for the benefit of the Authority and ultimately local people. The Committee is looking forward to the next year.
