Dear Malcolm

Re: Chew Valley Recreational Trail Full business case submission

I can confirm that I have approved the final Full Business Case for submission to the West of England Combined Authority and LEP.

This includes:

- All relevant financial approvals are in place within the Sponsoring Body to deliver the project as set out in the Full Business Case.
- All appropriate financial due diligence has been undertaken by the Sponsoring Body in respect of the Full Business Case.
- The Council are responsible and accountable for ensuring that the project delivers good value for money in the use of public resources, that being the suitability and effectiveness of the project as well as the economic growth and wider societal outcomes achieved in return for the public resources received.
- I have reviewed and endorse the value for money statement within the business case

Yours sincerely

Andy Rothery
Director of Finance (S151 Officer)
