Notes for Guidance

This application cannot be used to vary the licence so as to extend the period for which the licence has effect or to vary substantially the premises to which it relates. If you wish to make that type of change to the premises licence you should make a new premises licence application under section 17 of the Licensing Act 2003.

1. Describe the premises. For example the type of premises, its general situation and layout and any other information which could be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for consumption of these off-supplies you must include a description of where the place will be and its proximity to the premises.
2. Where taking place in a building or other structure please tick as appropriate. Indoors may include a tent.
3. For example state type of activity to be authorised, if not already stated, and give relevant further details, for example (but not exclusively) whether or not music will be amplified or unamplified.
4. For example (but not exclusively), where the activity will occur on additional days during the summer months.
5. For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.
6. Please give timings in 24 hour clock (e.g. 16:00) and only give details for the days of the week when you intend the premises to be used for the activity.
7. If you wish people to be able to consume alcohol on the premises please tick on, if you wish people to be able to purchase alcohol to consume away from the premises please tick off. If you wish people to be able to do both please tick both.
8. Please give information about anything intended to occur at the premises or ancillary to the use of the premises which may give rise to concern in respect of children regardless of whether you intend children to have access to the premises, for example (but not exclusively) nudity or semi-nudity, films for restricted age groups, the presence of gaming machines.
9. Please list here steps you will take to promote all four licensing objectives together.
10. The application form must be signed.
11. An applicant's agent (for example solicitor) may sign the form on their behalf provided that they have actual authority to do so.
12. Where there is more than one applicant, both applicants or their respective agents must sign the application form.

To prevent crime and disorder	Yes	The premises are situated in a residential area of Radstock. The area does experience sporadic crime and disorder and anti social behaviour. The problems are most frequent in the early evenings and are alcohol related. With the premises in such a high density of residential property , the Police are of the opinion that all licensable activity should cease in outside areas at 11pm to further the prevention of public nuisance objective. The movement of persons from one venue to another late at night also causes problems of tension within venues , and increases noise disturbance in the area. Conditions have been agreed with the licence holders that satisfy these concerns.

Darren

With ref the above, I have today spoken with the dps Kathryn Morris re this application, it had been agreed that two items under the licensing objectives would be included in the operating schedule, this had also been discussed with yourselves as the licence holders and full agreement was given. The matter will now have to go to a hearing, but hopefully you will agree by way of this email to the two conditions below.

1. All licensable activity will cease at 11pm from all outside areas.
2. There will be no new entry to the premises after 11pm.

An early reply would be appreciated.

To prevent crime and disorder	No	
Public safety	No	
To prevent public nuisance	Yes	Admiral Taverns have applied for live music outdoors. I appreciate the benefits of outdoors music events for the community. However, It is clear that amplified music outdoors at this location will be very clearly audible to residents living nearby as this premises is surrounded by residential property. This will be very intrusive and is contrary to the public nuisance objective of the Licensing Act 2003. I would propose that if a licence is granted that no amplified music is allowed outside and a limit of 4 outdoor events in any 12 month period to protect residential

		amenity. I am aware that drum and bass events have happened at this location. Drum and bass events outside is clearly an unacceptable situation for residents. In addition, I would suggest that as a condition, the applicant should submit a Noise Management Plan to demonstrate how they intend to control noise from music and the potential nuisance that may arise from regulated entertainment permitted.
The prevention of harm to children	No	
Suggested conditions that could be added to the licence to remedy your representation you would like the Licensing Sub Committee to take into account. Please use separate sheets where necessary and refer to checklist.		<p>No amplified music allowed outdoors</p> <p>No more than 4 outdoor events in any 12 month period</p> <p>Regulated entertainment outdoors shall be no more than 4 hours duration unless agreed in writing with the Licensing Authority.</p> <p>Regulated entertainment outdoors shall terminate no later than 2300</p> <p>The Applicant to submit a Noise Management Plan to the Licensing Authority. This plan will stipulate the number and type of events (indoor and outdoor) planned to take place. The terminal hour and the controls in place e.g. windows and doors to be kept closed, any improvements to the premises to prevent noise breakout, use of noise limiter.</p>
