Extension to No vehicles Order, New Orchard Street, Bath

Decision maker/s	Cllr Roger Symonds, Cabinet Member for Transport
The Issue	A number of Traffic Regulation Orders (TRO's) have been proposed and consulted upon in connection with the extension of the existing cycle facility between New Orchard St and Lower Borough Walls, required as a result of the extended pedestrianised area into New Orchard St, as part of the new Southgate development. Other orders were promoted, which merely formalised the existing road layout of Henry St, bringing them into legal effect.
Decision Date	02 Aug 2011
The decision	The Cabinet Member agrees that the following orders are to be implemented (as advertised in PEV7210/ST): <ul style="list-style-type: none"> i. Extension to existing 'Prohibition of Driving - Except for Cycles' in New Orchard St; ii. No Waiting At Anytime and No Loading At Anytime in Henry St; iii. Disabled Parking in Henry St.
Rationale for decision	The new Traffic Regulation Orders will ensure that the spaces defined for the various functions of the street will give clear direction to users and allow parking enforcement officers to manage the spaces appropriately.
Financial and budget implications	There is no financial implication to either the Council or Developer as all signs and lines required in connection with the orders have already been implemented.
