People are wanting to help wildlife

Three-quarters of people are now doing at least something in their garden or outside space to help wildlife.

19% trying a lot

30% trying a fair amount

26% trying a little

A YouGov survey commissioned by the RSPB

We have:

96 subscribers to our emails

225 followers of our Instagram posts

41 gardens displaying our plaques

So much to build on

33 ponds

69 twig/log piles

32 have a compost heap

28 bird feeders

no less than 70 nest boxes!

43 bird baths

29 gardens have long grass or meadow areas

31 insect hotels

29 have planted native species

34 have a rainwater butt

36 have flowering plants providing nectar and pollen year long

(In the 41 gardens with plaques)

Some of the things we do

- Email articles
- Website with information and advice
- Instagram
- Talks
- Working with larger landowners
- Encouraging love of wildlife, e.g. national surveys
- Team happy to visit gardens and offer advice
- Other events, e.g. walks with the preschool
- Link with other groups to share ideas
 - e.g. Nature Chain Winsley, Friends of Freshford, Meadow in my Garden, Wild about Bath, Bathscape
