Improving People's Lives

Who we are

Heritage Services is an essential part of Bath & North East Somerset Council; responsible for stewarding the public facing heritage assets in the council's care.

The council established Heritage Services as an independent business unit in 2005 allowing the service greater financial freedom and agility delivering, in return, an agreed surplus for the council. Heritage Services is unique amongst UK local authorities in operating at no cost to the local taxpayer; the service is singular, within the council, in self-funding all cost increases. Instead, the service provides reductions in council tax to residents and helps fund the council's delivery of cardinal services, such as social care, schools, and housing.

Learn from the past,
understand the present,
shape the future

We have three overarching priorities that this Strategy will deliver on:

1.

Return the service to its pre-Covid profitability

2.

Move the Fashion Museum

3.

Achieve Net Zero by 2030

Mission: Corporate link

We **improve people's lives** directly through the experiences and opportunities we offer and indirectly via the surplus we return for use by the council

We will **tackle the climate emergency** within our own carbon boundary and strategically through our influence within the sector

We will **give people a bigger voice** by making community participation, audience evaluation and co-creation central to how we approach what we do

Culture

This is how we do things in Heritage Services. It is everyone's responsibility to live these values when they work for us:

Bold

- ▶ We'll do whatever it takes to make sure people love their interactions with our sites and collections
- ▶ We set aspirational goals, try new things, embrace change and learn from our mistakes
- ▶ We look outwards to help us continuously improve what we do
- ▶ We use data and research to help us set the right outcomes, make the right decisions and understand how things have gone

Empowered

- ▶ When someone performs well we recognise this and celebrate it
- ▶ Everyone knows what is expected of them and what good looks like so they can take the initiative and get things done
- ▶ Everyone understands our audiences and how to give them what they need
- ▶ Everyone is focussed on their personal development and, if they have them, of their staff too

Supportive

- ▶ We care about each other and want to make sure we are enjoying ourselves at work
- ▶ We can make sure everyone has what they need to get the job done – including the right equipment and enough time
- ▶ We work collaboratively across the service, council and with external stakeholders

Transparent

- ▶ We all know what the plan is, why we are doing it and make an effort so everyone knows what is happening
- ▶ We listen to our supporters and work with them to improve how we do things
- ▶ We listen to our colleagues and actively encourage constructive criticism from any person in the service to contribute to our continuous improvement
- ▶ We learn lessons, make sure we embed best practice and don't repeat our mistakes

Strategic Priorities

1.

To provide maximum access to our buildings, monuments and collections to as wide an audience as possible to facilitate learning, understanding and emotional connection

2.

To be a supporter focussed organisation

3.

Maximise income

4.

To operate efficiently and effectively as an organisation

5.

To bring benefit to Bath, the South West and the UK

6.

To act as an environmentally sustainable and responsible organisation in everything we do
