

What is the Pledge?

It is the Councils Promise to you on what you can expect from us during your time in care, and when you move on.

Where the Pledge talks about 'We' it means the Adults at the Council, Councillors, Social Workers and professionals who are responsible for you while you are in care. 'We' are your Corporate Parents and are here to support you to achieve the best in your childhood, adolescence and into adulthood.

'We' know we will not always get things right, but we Pledge to do our best.
