The decision	To recommend that full Council approves the Youth Justice Plan 2024-26.
Rationale for decision	<p>The principal, statutory aim of the youth justice system is to prevent youth offending by 10–17-year-olds. The Youth Justice Plan includes the latest performance indicators for work with children at risk of offending and reoffending and sets out how services will be resourced and delivered in 2024 to 2026.</p> <p>Actions in the work plan will help to make Bath and North East Somerset a safer place and support children to lead crime-free lives with better prospects for their futures. This includes working with the Violence Reduction Partnership to address knife crime and other serious violence.</p> <p>Preparation of a Youth Justice Plan is required under S.40 of the Crime and Disorder Act 1998. The national Youth Justice Board for England and Wales has published guidelines for its completion and submission.</p>
Other options considered	None.
