Subject: RE: Street Trading Consent Ref. 24/02050/STTRAD

Dear Licensing,

I object to this application.

This trader does not sell food and beverage. This tent is simply an extension to their shop and I see no justification for it.

Last year at the Christmas Market they set up an unauthorised stall selling food and drink and the authority had to take enforcement action.

This application appears to me to be a way of setting up shop during the Christmas Market without paying the normal fees for a place in the Market.

The location of a tent at this location when the busy Xmas market is in progress will cause serious disruption to the flow of pedestrians.

On a longer term basis I think it would be a detraction of the very pleasant ambience that has been created in York St.

I do not think it should be allowed.

Many thanks.

11 Pitches for Charitable Street Trading

11.1 The Council issues permits to enable charitable street trading. Charitable street trading must not be undertaken in any street or public place unless the Promoter has obtained a consent from the Council. The only exception to this is where the collection is exempt under schedule 4 of the 1982 Act (see section 3)

11.2 In relation to charitable street trading, the Council has a designated street trading pitch for this purpose at Kingston Parade, Bath. This pitch will be available to registered charities, or organisations demonstrating that they are a 'not-for-profit' organisation. Use of this pitch will be subject to the Council's standard street trading conditions.

11.3 The charity or organisation must obtain permission from the Principal Consent Holder responsible for the pitch at Kingston Parade whose details can be obtained from the Licensing Department.

12 Nature of Goods and Trading Hours

12.1 The nature of goods which may be sold from any pitch and the trading hours will be specified in the consultation process. Any subsequent application for a change in the nature or type of goods sold or the trading hours will require a further application and will be subject to the level of consultation as set out in section 5.1 above.

12.2 Until 1st April 2015, the Council will not normally grant a consent for the sale of goods or services which conflict with those provided by nearby shops or nearby street trading pitches. (After this date, changes to Schedule 4, Local Government [Miscellaneous Provisions] Act 1982 come into effect which promote open competition).

12.3 Goods will normally consist of craftwork, fresh flowers, fresh fruit and vegetables, ice cream or soft drinks. Other types of goods, including services, will be considered on a pitch by pitch basis and have particular regard to local needs, product diversity and balanced with other retailers in the immediate vicinity.

12.4 Street trading hours will normally mirror those of shops in the immediate vicinity. Extended trading hours will be determined on a pitch by pitch basis.

12.5 In the case of stalls selling hot food trading hours will be determined on a pitch by pitch basis.

12.6 Late night food traders operating after 11:00 pm will be subject to the requirements of the Licensing Act 2003 regarding the need for a Premises Licence. Greater consideration will be given to the impact on the night time environment and the possibility of crime and disorder on the streets as a result of the granting of a street trading consent.

13 Design and Appearance of Stall, Barrow, Van, Cart etc.

13.1 The design and appearance of the stall, barrow, van or cart etc. to be used must be agreed by the Council.

13.2 The Council has a preferred set of standards of design and appearance that they wish to achieve for all street trading pitches based in the central area of Bath.

- All new applicants will be required to use an approved design unless a suitable alternative is agreed
- All existing Consent Holders will be required to change to an approved design by 1st January 2017, or upgrade the whole or parts of their units, as appropriate

13.3 The condition of all pitches will be monitored regularly to ensure that the required standards are maintained.

13.4 All consent Holders trading in food products are required to be registered and inspected by the Council's Food Safety Team. Contact details of the Food Safety team can be found on the Council's website.

13.5 All consent Holders are required to comply with relevant health and safety regulations including those relating to electrical and gas safety.

14.4 When an existing or new pitch becomes available, the Council will publish a notice inviting applications for the said pitch on its website.

14.5 Applications for an existing pitch will be determined by the Licensing Manager or other authority delegated by the Council. Each pitch will be offered to the applicant whose proposal is considered most suitable for the particular pitch. If no suitable application is received then the pitch will be re-advertised.

14.6 Any application received by a person less than 17 years of age will be considered by taking into account the provisions contained in the Children and Young Persons Act 1933 and the Children and Young Persons Protection at Work Regulations 1998.

14.7 An application for an existing pitch may be refused or revoked if the applicant is found to be unsuitable to hold the consent by reason of having been convicted of a relevant offence, or for any other reason.

14.8 The issue of a street trading consent will not normally be delayed where other approvals, permits, licences are required by other departments or statutes except in the case where advice is required from the Council's Food Safety and Health and Safety teams.

15 Fee Structure

15.1 The Council may charge such fees as it considers reasonable having regard to pitch location, the size of the Pitch, trading days, hours and the description of goods offered for sale.

15.2 The fees will be reviewed and set on an annual basis and any variation advertised by notice in a local newspaper.

15.3 Fees for consents must be paid in full in advance:

- in the case of Direct Debits, on a monthly basis
- all other methods, three months in advance

15.4 Failure to maintain payments as above may result in the consent not being renewed. Where a payment is not made by the due date the Council may charge an administration fee as determined by the Licensing Manager. This will include cheques or Direct Debit requests that are not honoured.

15.5 The Council cannot guarantee that pitches will be available every day and accepts no liability for the loss of earnings in relation to street trading consent holders or their employees.

15.6 In the event of roadworks, utility or service repairs and other genuine circumstances that affect the use of any pitch, the Licensing Manager will consider appropriate refunds on a case by case basis, provided a written request has been made by the consent holder.

- fetes, carnivals or similar community based and run events

- 17.2 Specific conditions will also be attached such as the days and hours when street trading is permitted, the goods which may be sold and the size of the pitch.
- 17.3 Failure to comply with conditions may lead to revocation or non-renewal of a consent.
