Applicant:	Kingley Properties Ltd		
Expiry Date:	3rd July 2025		
Case Officer:	Ben Burke		

DECISION PERMIT

1 Standard Time Limit (Compliance)

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason: As required by Section 91 of the Town and Country Planning Act 1990 (as amended) and to avoid the accumulation of unimplemented planning permission.

2 Bicycle Storage (Pre-occupation)

No occupation of the development shall commence until bicycle storage for at least 4 bicycles has been provided in accordance with details which have been submitted to and approved in writing by the Local Planning Authority. The bicycle storage shall be retained permanently thereafter.

Reason: To secure adequate off-street parking provision for bicycles and to promote sustainable transport use in accordance with Policy T.6 of the Bath and North East Somerset Local Plan.

3 Parking (Compliance)

The 3 car parking spaces and turning area shown on the submitted plan below shall be provided prior to occupation of the flats, hereby approved, and thereafter kept clear of obstruction and not used other than for the parking of vehicles in connection with the application site.

- Proposed Layout P.53

Reason: To ensure sufficient parking and turning areas are retained at all times in the interests of amenity and highways safety in accordance with policy D6 of the Bath and North East Somerset Placemaking Plan and policy ST7 of the Bath and North East Somerset Local Plan Partial Update and the Transport and Development Supplementary Planning Document.

4 Plans List (Compliance)

The development/works hereby permitted shall only be implemented in accordance with the plans as set out in the plans list below.

Reason: To define the terms and extent of the permission.

PLANS LIST:

This decision relates to the following approved drawings:

25 Apr 2025	A674P23-P.44	PROPOSED FIRST AND SECOND FLOOR PLAN

25 Apr 2025	A674P24-P.53	PROPOSED LAYOUT 1:100
25 Apr 2025		LOCATION PLAN
25 Apr 2025	A674L3-L.03	LOCATION AND BLOCK PLAN

Condition Categories

The heading of each condition gives an indication of the type of condition and what is required by it. There are 4 broad categories:

Compliance - The condition specifies matters to which you must comply. These conditions do not require the submission of additional details and do not need to be discharged.

Pre-commencement - The condition requires the submission and approval of further information, drawings or details before any work begins on the approved development. The condition will list any specific works which are exempted from this restriction, e.g. ground investigations, remediation works, etc.

Pre-occupation - The condition requires the submission and approval of further information, drawings or details before occupation of all or part of the approved development.

Bespoke Trigger - The condition contains a bespoke trigger which requires the submission and approval of further information, drawings or details before a specific action occurs.

Please note all conditions should be read fully as these headings are intended as a guide only.

Where approval of further information is required you will need to submit an application to Discharge Conditions and pay the relevant fee via the Planning Portal at

www.planningportal.co.uk or post to Planning Services, Lewis House, Manvers Street, Bath, BA1 1JG.

Permit/Consent Decision Making Statement

In determining this application the Local Planning Authority considers it has complied with the aims of paragraph 39 of the National Planning Policy Framework.

Biodiversity Net Gain - Exempt/Not required

The effect of paragraph 13 of Schedule 7A to the Town and Country Planning Act 1990 is that planning permission granted for development of land in England is deemed to have been granted subject to the condition (biodiversity gain condition) that development may not begin unless:

- (a) a Biodiversity Gain Plan has been submitted to the planning authority, and
- (b) the planning authority has approved the plan.

There are statutory exemptions and transitional arrangements which mean that the biodiversity gain condition does not always apply. These are set out in the Biodiversity Gain Requirements (Exemptions) Regulations 2024 and The Environment Act 2021 (Commencement No. 8 and Transitional Provisions) Regulations 2024.

Based on the information available this permission is considered to be one which will not require the approval of a biodiversity gain plan before development is begun because one or more of the statutory exemptions or transitional arrangements is/are considered to apply.

Community Infrastructure Levy - General Note for all Development

You are advised that as of 6 April 2015, the Bath & North East Somerset Community Infrastructure Levy (CIL) Charging Schedule came into effect. CIL may apply to new developments granted by way of planning permission as well as by general consent (permitted development) and may apply to change of use permissions and certain extensions. **Before** commencing any development on site you should ensure you are familiar with the CIL process. If the development approved by this permission is CIL liable there are requirements to assume liability and notify the Council **before any development commences**.

Do not commence development until you have been notified in writing by the Council that you have complied with CIL; failure to comply with the regulations can result in surcharges, interest and additional payments being added and will result in the forfeiture of any instalment payment periods and other reliefs which may have been granted.

Community Infrastructure Levy - Exemptions and Reliefs Claims

The CIL regulations are non-discretionary in respect of exemption claims. If you are intending to claim a relief or exemption from CIL (such as a "self-build relief") it is important that you understand and follow the correct procedure **before** commencing **any** development on site. You must apply for any relief and have it approved in writing by the

Council then notify the Council of the intended start date **before** you start work on site. Once development has commenced you will be unable to claim any reliefs retrospectively and CIL will become payable in full along with any surcharges and mandatory interest charges. If you commence development after making an exemption or relief claim but before the claim is approved, the claim will be forfeited and cannot be reinstated.

Full details about the CIL Charge including, amount and process for payment will be sent out in a CIL Liability Notice which you will receive shortly. Further details are available here: www.bathnes.gov.uk/cil. If you have any queries about CIL please email cil@BATHNES.GOV.UK
