PART 1 SUMMARY AND EXPLANATION

1.1 WHAT IS IN THE CONSTITUTION

The Constitution has six parts:

- **Part 1** is this summary and explanation.
- [Part 2](#) sets out which parts of the Council are responsible for carrying out the various functions of the Council (who does what).
- [Part 3](#) contains the various Procedure Rules – which govern how the Council conducts its business, including how it makes decisions and how meetings are conducted.
- [Part 4](#) includes codes and protocols that govern how Councillors (also known as “Members” of the Council) and officers of the Council must behave in performing their duties.
- [Part 5](#) is the Councillors’ Allowances Scheme which sets the level of financial allowances which Councillors receive for performing their duties.
- [Part 6](#) is a Glossary which explains some of the terminology used in this document.

There are a number of other codes, protocols and policy documents that govern how the Council operates which do not form part of this Constitution. Where the Constitution refers to these documents, they will be made available on the Council's website via a hyperlink.

1.2 PURPOSE OF THE CONSTITUTION

Bath and North East Somerset Council has agreed a constitution which sets out how the Council operates, how decisions are made and the procedures which are followed to ensure that the Council’s business is efficient, transparent and accountable to local people. Some matters addressed in this Constitution are required by the law, while others are a matter for the Council to choose.

This is a document to help residents, businesses, partners, stakeholders, Councillors and Officers to understand how the Council works. We have included hyperlinks between different parts of the Constitution wherever possible to make it easy to navigate your way around the information. We have also included hyperlinks to other documents/sites where we think this will be helpful. All hyperlinks are [coloured blue like this](#).

1.3 THE COUNCIL

The Council comprises 59 Councillors elected every four years. Councillors are democratically accountable to residents of their ward. The overriding duty of Councillors is to the whole community, but they have a special duty to their constituents, including those who did not vote for them.

All Councillors meet together as the Council. Meetings of the Council are open to the public, (unless when meetings resolve to exclude the public). Here, Councillors decide some of the Council's overall policies and set the budget each year. Certain decisions must be taken by full Council, but most may be delegated to other decision making bodies or officers. Further information about who has responsibility for the Council's functions is set out in [Part 2 of the Constitution](#).

There are three different types of Council meeting

- The Annual Meeting of the Council.
- Ordinary meetings; and
- Extraordinary meetings, which will be called as and when required in accordance with the Council Procedure Rules.

You can find details of Council meetings on the Council's website

1.4 COUNCILLORS

Councillors are directly accountable to residents and local businesses for the running of the Council. They have a duty to represent all constituents in their Ward (including those who did not vote for them) and they must make decisions in the best interests of the area as a whole. They are involved in decision making in accordance with the Council's Procedure Rules. Councillors can also represent the authority on external bodies.

The regular election of Councillors will be held on the first Thursday in May once every four years, with all Councillors being elected at the same time. The last election was in 2023. The term of office of Councillors will start on the fourth day after being elected and will

finish on the fourth day after the date of the next regular election (except for the Leader who remains in office until the Annual Meeting). You can find out more about [Councillors, the political groups that they may represent, committee memberships, declarations of interest on the Council's website.](#)

1.5 POLITICAL GROUPS

For a political group to be recognised by the Council, the following must occur:

- the Chief Executive must receive a notice signed by at least 2 Councillors who wish to be treated as a political group;
- the notice must identify the name of the political group and the name of the group's Leader and any Deputy Leader(s) (who must be one of the Councillors signing the notice);
- All Councillors who wish to be regarded as Members of the political group must sign the notice.

Political Groups on the Council may nominate Members to act as informal points of liaison for Cabinet Members.

Councillors carry out the following roles and functions, they:

- collectively are the ultimate policy makers and determine certain of the Council's policies and budget;
- represent their communities and bring their views into the Council's decision-making process i.e. become the spokesperson of and for their communities;
- contribute to the good governance of the area and actively encourage community participation and resident involvement in decision making;
- deal with individual casework and act as a spokesperson for constituents in resolving particular concerns or grievances;
- respond to constituents' enquiries and representations, fairly and impartially, balancing different interests identified within the ward or electoral division to represent it as a whole;
- take decisions at full Council, and through membership of Cabinet, or the Council's Committees or Panels;

- participate in reviewing and scrutinising decisions made or actions taken in the exercise of the Council's functions;
- are available within the terms of the Constitution to represent the Council on other bodies; and
- promote and maintain the highest standards of conduct and ethics in the way they undertake their duties.

Councillors are required to comply with the Members' Code of Conduct, the Protocol on Councillor/Officer Relations and any other [Codes and Protocols set out in Part 4](#) of this Constitution.

The Council's Monitoring Officer is responsible for the provision of training and advice to Councillors on the role of a Councillor including the Code of Conduct.

Councillors will be entitled to receive allowances in accordance with the Members' Allowances Scheme, following review and recommendations by an Independent Allowances Panel, as set out in [Part 5 of this Constitution](#).

1.6 THE CABINET

The Cabinet (which is also called "the Executive") is the part of the Council which is responsible for most of the significant decisions. The Cabinet is made up of the Leader of the Council, who is elected by the Council, and up to nine other Councillors appointed by the Leader. One or more of the Cabinet Members is also appointed by the Leader as their deputy. The Leader determines which executive decisions will be made by the Cabinet collectively and which decisions may be taken either by a committee of Cabinet or by individual Cabinet Members or Officers.

When "Key Decisions" are to be discussed or made, these are published in the Cabinet's Forward Plan (except in cases of urgent decisions where this is not possible). If Key Decisions are on the agenda for a meeting of the Cabinet, this will generally be open for the public to attend except where, for example, personal or confidential matters are being discussed (further details are set out in the [Access to Information Procedure Rules](#)). The Cabinet has to make decisions which are in line with the Council's overall Policy and Budget framework. If Cabinet wishes to make a decision which is outside this framework, this must be referred to the Council as a whole to decide.

Each Member of Cabinet is responsible for a particular functional area (known as a "Portfolio"), and the allocations of [portfolios to Cabinet Members](#) is determined by the Leader. The Leader may allocate a portfolio area to be shared (joint portfolio) between two Cabinet Members, in which case, it remains a single portfolio and the allowance is shared between the Cabinet Members.

The Leader may allocate [Cabinet Project Leads](#) to support Cabinet Members, in research and project work. The decision making responsibility remains with the Cabinet Member, and the Cabinet Project Lead may not substitute at Cabinet meetings for the Cabinet Member.

The Leader may amend and update the Executive arrangements at any time and shall notify the Monitoring Officer of any changes.

Proceedings of the Cabinet shall take place in accordance with the Cabinet Procedures Rules set out in [Part 3 of this Constitution](#).

1.7 THE ROLE OF THE COUNCIL CHAIR

The Council will, at its Annual Meeting, elect a Councillor to be its Chair for the Municipal Year i.e. until the next Annual Meeting. The Council will also appoint a Councillor to be the Vice Chair.

The functions of the Chair of Council are as follows:

- To uphold and promote the purposes of the Constitution insofar as they relate to the conduct of Council meetings;
- To preside over meetings of the Council so that its business can be carried out efficiently and with regard to the rights of Councillors and the interests of the community;
- To make rulings at meetings of the Council on the interpretation of the Council's procedural rules in the context of efficient and effective decision making;
- To exercise discretion in the management of public and Councillor submissions;
- To ensure that the Council meeting is a forum for the debate of matters of concern to the local community;
- To promote the Council's strategic objectives and values in

exercising all functional responsibilities;

- To promote public involvement in the Council's activities;
- To attend such civic and ceremonial functions as the Council and s/he determines appropriate.

The Chair will be guided by the Chair's Civic Handbook.

[Note;

The Chair (person) of the Council is a different office to that of the Civic Mayor of Bath. The latter is an office conferred by Civic Charter on the person selected by the Charter Trustees of the City of Bath to hold that position for any given year. The Mayor of Bath is a civic and ceremonial office.

The Charter Trustees comprise all the Bath & North East Somerset Councillors elected to represent wards within the City of Bath. The Charter Trustees have no local government administrative powers and are a separate corporate body from the Council.]

1.8 OFFICERS

The Council has people working for it (called 'officers') to give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely with certain officers having extra responsibilities.

The structure of management roles within the Council is set out in the [Management Structure chart](#).

The functions and responsibilities which the Council and the Cabinet have given to officers are detailed in [Part 2 of the Constitution](#).

A protocol governs the relationships between officers and Members of the council. This protocol is included within [Part 4 of the Constitution](#).

The Council has a [Code of Conduct for Employees](#)

The Council produces an annual Pay Policy Statement which sets out the Council's approach to setting the pay of its employees (other than those working in local authority schools).

1.9 RESIDENT RIGHTS & RESPONSIBILITIES

Everyone has an equal right to access Council services. Residents also have the following rights to:

- vote in Council elections (if they are registered);
- attend meetings of the Council, the Cabinet and Council committees except where confidential or exempt information (as defined in the Local Government Act, 1972 as amended and in accordance with Part 4B) is likely to be disclosed, and the meeting or part of it is therefore held in private;
- ask questions, present petitions or make statements to the Council, the Cabinet or any of the Council's committees;
- report on the proceedings at open meetings of the Council, Cabinet and Committees, by filming, photographing, audio-recording or by any other means, and to provide written commentaries during a meeting and oral commentaries outside a meeting;

- expect the Council to strive to meet its targets for responding to correspondence, telephone calls, electronic messages and complaints;

- complain to;
 - the Council itself under its [complaints scheme](#);

 - the Council's Monitoring Officer about an alleged breach of the Council's Local Code of Conduct by an elected Member or a co-opted member.
- Residents on the electoral roll for the area have the right to demand a referendum on a directly elected mayor form of executive arrangement under the Local Government Act 2000 by raising a petition comprising 5% of the electorate. Residents on the electoral roll may request referenda on other matters by petitioning the Council. Residents may petition the Council on any other matters relating to the Council's activities or within its general powers of wellbeing.
- Residents must not be violent, abusive or threatening to Councillors or officers and must not wilfully or recklessly harm things owned by the Council, Councillors or officers.

1.10 JOINT ARRANGEMENTS

The Council is able to enter into various forms of joint arrangements with other Local Authorities and Bodies. Details of Joint Arrangements which the Council has entered into are available in [Part 2 of the Constitution](#).

1.11 OVERVIEW & SCRUTINY ARRANGEMENTS

The Council at its Annual Meeting will appoint at least one Overview and Scrutiny Panel (in this Authority, currently known as a Policy Development & Scrutiny Panel). Overview and Scrutiny Panels allow residents to have a greater say in Council matters by holding public inquiries into some matters of local concern. These lead to reports and recommendations to the Cabinet and to the Council on its policies, budget and service delivery. Overview and scrutiny Panels also monitor the decisions of the Cabinet and other executive persons/bodies.

The scope, functions and composition of the Council's Scrutiny Panels are set out in [Part 2 of the Constitution](#).

1.12 DECISION MAKING (INCLUDING KEY DECISIONS)

The Local Government Act 2000 ("the 2000 Act") divides functions of the Council into two categories; executive and non-executive. Non-executive functions (or Council functions) are specified in Regulations issued under the 2000 Act and include functions such as those relating to planning, licensing and registration. Non-executive functions may be delegated to committees, sub-committees or officers under section 101 of the Local Government Act 1972 ("the 1972 Act"). Unless specified as a non-executive function, a function is presumed to be an executive function.

Executive Decisions may be taken by the Leader, the Cabinet as set out in paragraph 1.6 above or delegated to a committee of Cabinet, a portfolio holder or an officer, under the Local Government Act 2000.

The Council will issue and keep up to date a record of what part of the Council or individual has responsibility for particular types of decisions or decisions relating to particular areas or functions. This record is set out in [Part 2 of the Constitution](#). Local schemes of delegation maintained by the Council's Chief Officers are held in the [Library](#).

Where a decision is delegated under this Constitution, that does not prevent the person or body that has delegated the function from taking back the delegation and themselves exercising the function.

A "key decision" is defined in law as one which is likely to:

- result in the local authority incurring expenditure, or the making of savings, over a financial threshold of £500k; and/or
- be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

The definition of key decision does not apply to proposals or decisions of the Leader acting in their capacity as Shareholder of a Local Authority Company owned or operated by the Council.

1.13 DUTY TO MONITOR AND REVIEW THE CONSTITUTION

The Monitoring Officer will monitor, review and evaluate the operation of the Constitution to ensure that the aims and principles of the Constitution are given full effect.

The Monitoring Officer has delegated authority to update the Constitution arising from;

- decisions of the Council or Cabinet;
- where legislation requires a change in wording or terminology;
- minor or inconsequential changes;
- changes that are predominantly managerial in their nature where there is agreement from the other two statutory officers (the Chief Executive and the Executive Director - Resources (S151)) and where the matter has been subject to consultation with the appropriate Members (normally the relevant Cabinet Member and Group Leaders).

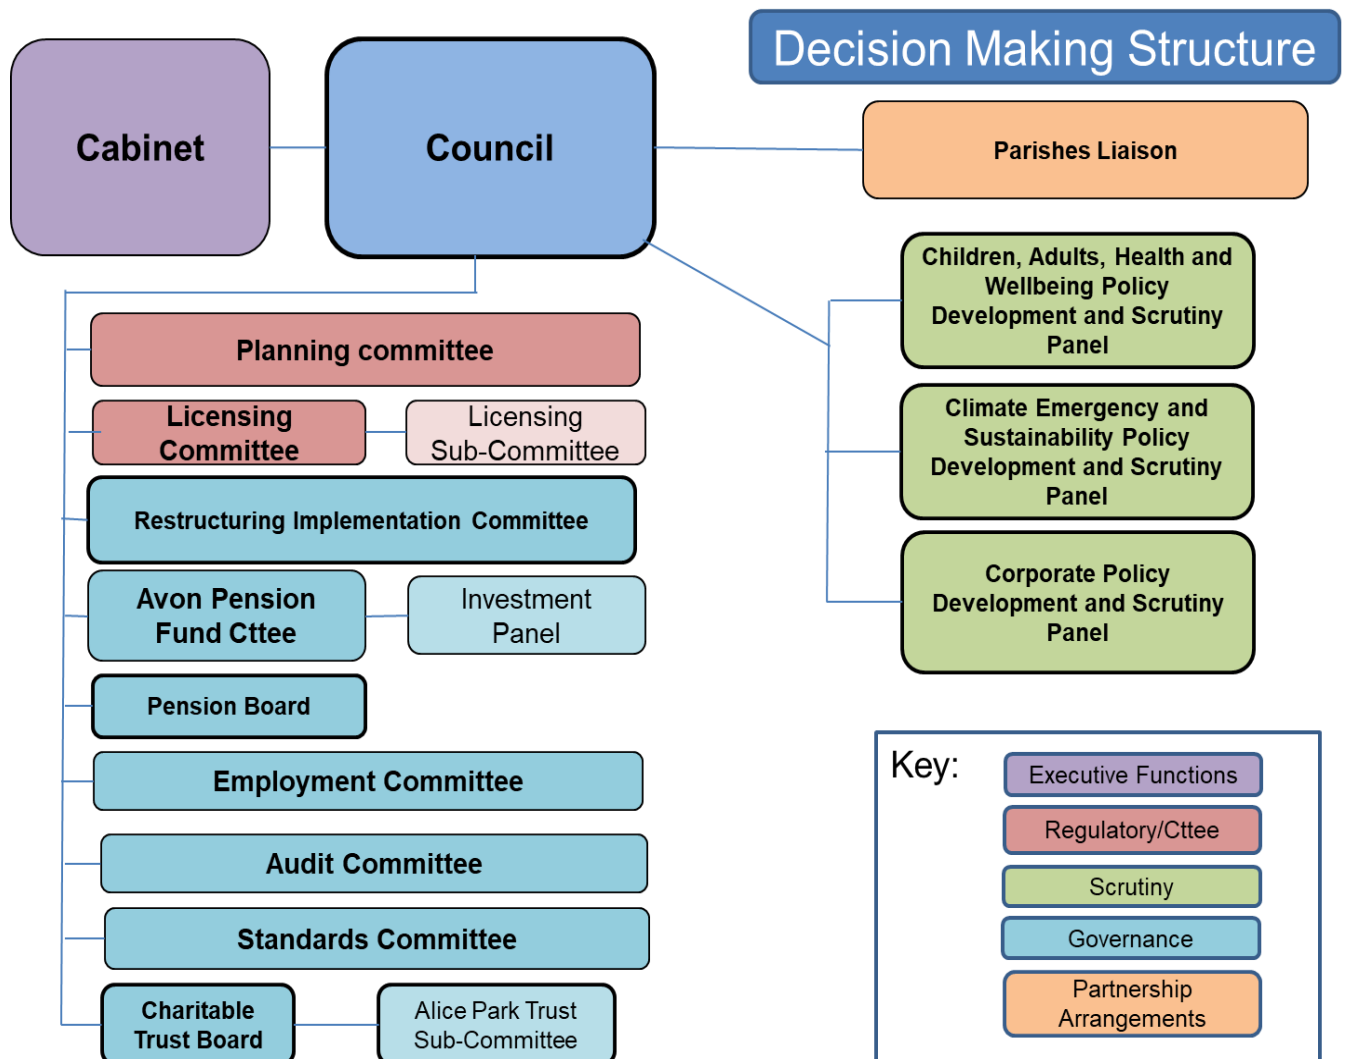

1.14 SUSPENSION OF THE CONSTITUTION

There are occasions when it is helpful to the conduct of a meeting, or for other reasons, not to apply the Procedural Rules (to the extent permitted within the law). Any such motion to suspend must be supported by at least one half of the whole number of voting Members present. The extent and duration of suspension must be stated in the proposal. This is usually done to facilitate the smooth running of a meeting eg; proposing an extension to the 10pm meeting close, so that business can be concluded.

Any issues of interpretation of the Constitution shall be determined by the Monitoring Officer after consultation with the Chief Executive.

PART 2 RESPONSIBILITY FOR FUNCTIONS AND DELEGATION SCHEMES

Diagram Of Council's Decision Making Bodies

2.1 COUNCIL

2.1.1 Functions

The Council will exercise the following functions:

- i. adopting and changing the Constitution;
- ii. approving or amending the Policy and Budget Framework and the budget;
- iii. deciding matters relating to the discharge of executive functions where a possible decision is considered contrary to the Policy and Budget Framework or contrary to or not wholly in accordance with the budget (this does not apply in cases of urgency)
- iv. appointing a Councillor to be the Leader of the Council (except where there is a directly elected Mayor in which case no Leader shall be appointed) or removing the leader. The removal will take effect immediately on the passing of the resolution. Where the Council has resolved to remove the leader, a new leader is to be elected either at the same meeting or at a subsequent meeting.
- v. agreeing and/or amending the terms of reference and powers and duties of committees of the Council, including overview and scrutiny panels, deciding on their composition, making appointments to them and determining the allocation of chairing arrangements and seats between political groups;
- vi. appointing representatives to outside bodies and Joint Arrangements (including Statutory and other Joint Committees) unless the appointment is an executive function or has been delegated by the Council. Appointments are made in accordance with the Council's [Outside Bodies Policy](#);
- vii. adopting an allowances scheme for Councillors, taking into account the recommendations of an Independent Panel;
- viii. conferring the title of Honorary Alderman/Freeman of B&NES. [The Schemes of Appointment are found here](#);
- ix. approving the appointment of the Head of Paid Service, Chief Financial Officer and Monitoring Officer (on a recommendation of the Restructuring Implementation

Committee);

- x. making, amending, revoking, re-enacting or adopting bylaws and promoting or opposing the making of local legislation or personal Bills;
- xi. undertaking all functions in relations to elections;
- xii. approving the annual accounts;
- xiii. accepting or otherwise a delegation from another local authority or the Cabinet of another authority;
- xiv. all local choice functions set out in [Part 2 of this Constitution](#) which the Council decides should be undertaken by itself rather than by the Cabinet;
- xv. undertaking all other matters which, by law, must be reserved to Council.

2.1.2 Composition

The Council comprises 59 Members, otherwise called Councillors. One or more Councillors will be elected by the voters of each ward in accordance with a scheme drawn up by the Local Government Commission and approved by the Secretary of State.

Where a change in the political proportionality of the Council occurs, (proportionality addresses the number of Council seats held by each confirmed political group and the number of committee places allocated in proportion), the Council will, as a consequence, review this Constitution and make such changes as are appropriate to reflect the new position and which are consistent with the law.

2.1.3 Quorum

No business shall be transacted at a meeting of the Council unless at least one quarter of the whole number of Members of the Council is present. This is taken to be 15 elected Councillors of Bath & North East Somerset.

2.2 CABINET

2.2.1 Scope

This section sets out the functions and responsibilities of the Executive/Cabinet. The Cabinet, as the Executive, will carry out all of the local authority's functions which are not the responsibility of any other part of the Council whether by law or under this Constitution.

2.2.2 Functions

The business of Cabinet includes;

- To propose key Policy and Budget Framework items to the Council, including the budget;
- To ensure that all action is taken to implement the key policies and objectives of the Council as contained in the Policy Framework, including the setting of secondary policies;
- To maintain an active dialogue with Overview and Scrutiny bodies in ensuring that the overall integrity of the decision making process and the delivery of Council services is maintained;
- To respond directly or through the Council meeting as appropriate to Overview and Scrutiny activity or to individual Member initiatives formally proposed at a Council meeting;
- To receive performance management reports including updates on action plans and major projects;
- To pursue as appropriate negotiations on local area agreements or similar in order to promote the economic, social and environmental wellbeing of the area and to determine such agreements except where it relates to a matter reserved to the Council for determination;
- To perform its functional responsibilities in accordance with the arrangements prescribed in the [Executive Procedural Rules](#) within the Council's Constitution.

2.2.3 Composition

The Cabinet consists of the Leader of the Council and up to nine

other Cabinet Members, one of whom will be appointed by the Leader as his or her statutory Deputy Leader. All such appointments will be notified in writing to the Proper Officer of the Council.

The Cabinet comprises of the following individual Cabinet Members whose allocated portfolios of responsibility are detailed on the Council's website;

- The Leader
- Sustainable Bath & North East Somerset (Deputy Leader – statutory)
- Resources (Deputy Leader)
- Economic and Cultural Sustainable Development
- Built Environment, Housing and Sustainable Development
- Sustainable Transport Strategy
- Sustainable Transport Delivery
- Adult Services
- Children's Services
- Communications and Community

The Leader may allocate [Cabinet Project Leads](#) to support Cabinet Members, in research and project work. The decision making responsibility remains with the Cabinet Member, and the Cabinet Project Lead may not substitute at Cabinet meetings for the Cabinet Member.

The Cabinet may appoint Advisory Bodies to help it in its work. Those bodies will normally make their minutes available to all Council Members. They may receive specific requests for advice from the Cabinet collectively or from an individual Cabinet Member. These advisory bodies will not be prevented from giving advice directly to an Overview and Scrutiny Panel when asked to do so.

The Cabinet may appoint Committees to fulfil executive functions on its behalf. The details of any such committees will be included in the Scheme of Delegation maintained by the Monitoring Officer.

The Leader will be a Councillor elected as Leader at a meeting of the full Council. The Leader will hold office until the annual meeting immediately following the next local government elections, unless:

- a) he/she resigns from the office;
- b) he/she becomes disqualified from membership of the Council, either for a specific period, or indefinitely;
- c) he/she is no longer a Councillor; or
- d) he/she is removed from office by resolution of the Council or otherwise.

Where a Councillor has been elected as Leader for a term which expires at an Annual Meeting of the Council then their term as Leader (and their position as a Councillor) will continue until the Annual Meeting of the Council notwithstanding that he/she may have otherwise ceased to be a Councillor following an election.

It is now a function of the Leader to appoint Executive Councillors who remain in office until they are removed from office by the Leader or until they are no longer Councillors.

The Leader must approve a scheme of delegation of executive functions. The Leader may vary the allocation of portfolio responsibilities, or the scope of any portfolio responsibility.

Arrangements for the undertaking of business in the event of absence, or where for any reason it is considered that the decision should not be made by a particular Councillor (conflicted), are set out below.

The Leader of the Council may designate any other Member of the Cabinet to take temporary responsibility for the absent Member's portfolio and for any associated decision making during the period of absence/conflict. The Leader may alternatively designate such decisions for the whole Cabinet to determine, during the period of absence/conflict. The Leader's decisions on how to deal with such business will be notified to and published by the Chief Executive.

Where the Leader of the Council is absent and unable to exercise his or her functions for a period exceeding 3 consecutive working days, or as otherwise agreed by the Leader in advance, or is otherwise

unable to act by virtue of a prejudicial interest or for any other reason whereby he or she considers it would be inappropriate to act, the Deputy Leader shall have the power to exercise all the executive and leadership functions of the Leader. If there is no Deputy Leader appointed, the Council will determine what arrangements are to operate in the event of the Leader being absent for a stated period of time.

If the Leader, the Cabinet or a committee of the Cabinet, or an individual Cabinet Member responsible for an executive function, decides to delegate to a committee of the Cabinet, an Area Committee (where these are established), a joint Committee or an officer, or amend or withdraw a delegation, written notice must be given to the Chief Executive. The notice must set out the extent of the amendment to the scheme of delegation and whether it entails the withdrawal of delegation from any person or body. Even when executive functions have been delegated, that fact does not prevent the discharge of delegated functions by the person or body who delegated, nor obliges the person/body to exercise that power or duty. These amendments will be published via the Weekly list.

A Cabinet Member may require that a decision within their portfolio is made instead by the Cabinet.

2.2.4 Quorum

No business shall be transacted at a meeting of the Cabinet unless 50% of the membership is present.

2.2.5 Substitution

No substitutes for Cabinet Members are permitted.

2.3 ALLOCATION OF LOCAL CHOICE FUNCTIONS

Certain functions of local authorities are classified as “Local Choice” functions under the Local Government Act 2000 and the Local Authorities (Functions and Responsibilities) Regulations 2000, Schedule 2. The Council will decide which of these decisions should be taken by the Full Council and which should be taken by Cabinet.

The following table sets out the decision-maker for each Local Choice Function:

2.6 OVERVIEW & SCRUTINY – GENERAL

2.6.1 Role of Policy Development & Scrutiny Panels

In accordance with Section 9FA – 9FI of the Local Government Act 2000, the Council is required to appoint at least one Overview and Scrutiny Panel to discharge these functions.

Overview and Scrutiny is the name in legislation given to the system of checks and balances implemented by the rest of the Councillors as they monitor the activity of the Cabinet, and also assist them in developing policy. In Bath & North East Somerset Council, it is known as Policy Development and Scrutiny and is a key part of local government allowing citizens to have a greater say in Council matters by holding public inquiries into matters of local concern.

The main decision-making powers in Bath & North East Somerset Council lie with Councillors who sit on the Cabinet, intended to create clear leadership and accountability for service delivery. By contrast, Policy Development and Scrutiny is intended to review the work of the Cabinet and to enhance the performance of services. It is also designed to provide a forum through which policy review and development can be extensively examined before consideration and decision by the Cabinet and/or Full Council.

The proceedings of all overview and scrutiny bodies will be conducted in accordance with the [Overview and Scrutiny Procedure Rules](#) set out in this Constitution.

The Policy Development & Scrutiny Panel Chairs and Vice Chairs group is an informal group which meets quarterly and has oversight of the overall Policy Development and Scrutiny work planning and responsibility for co-ordinating the Council's scrutiny activity, as follows:

- Share and co-ordinate individual Panel work plans, in order to prioritise resources effectively;
- Decide how to deal with cross-boundary issues, or issues that do not readily fall into the remit of any of the Panels (Integrated forward plan);
- Decide how to respond to/programme instructions from Council or requests from Cabinet;
- Identify training, development and support needs for all Panel members;
- Consider progress and direction of the scrutiny function and

working practices, and identify and implement future developments;

- Have oversight of financial, staff and other resources made available to support scrutiny;
- Discuss or propose variations to Panel membership, operating framework and Terms of Reference (constitutional) for Council approval where appropriate;
- Champion the scrutiny process within the Council and externally;
- Compile (with officers) and approve the Annual Report for submission to Council.

Policy Development and Scrutiny has two key roles:

Overview

- To assist the Council and the Cabinet in the development of new policy.
- To assist the Cabinet by giving comments on issues identified as "key decisions" prior to a decision being made.
- To assist the Cabinet by giving comments on service and budget plans at their draft stage and assisting in the development of its budget and policy framework.

Scrutiny

- To scrutinise performance management information to ensure that the Council is performing to agreed targets and to agreed action plans.
- To determine "call-ins" of decisions made but not yet implemented by the Cabinet.
- To scrutinise particular "key decisions" and other aspects of Cabinet activity to ensure compliance with agreed Council policies and plans.
- Evaluate the impact of Council and or Cabinet decisions and policies.

Within their allocated remits, each Panel has a broad-based responsibility for Policy Development and Scrutiny in its particular area of responsibility, including;

- carrying-out of in-depth reviews, as set out in their work plan;
- reviewing and/or scrutinising decisions made or actions taken in connection with the discharge of any of the Council's functions;
- making recommendations to the Cabinet arising from the outcome of the scrutiny process;
- undertaking scrutiny of particular Key Decisions and other aspects of Cabinet activity, including evaluating the impact of Council and Cabinet decisions and policies;
- offering overview advice and reports of policy development issues;
- dealing with any relevant Councillor Call for Action;
- sending communications and reports directly to other Policy Development and Scrutiny Panels, Cabinet and Council, and providing them to any Member of the Council, subject to provisions regarding confidential and exempt information;
- inviting persons to be co-opted non-voting members (excepting those statutory co-optees with voting rights);
- inviting participants to give evidence, either verbally or in writing, on any issue contained within their work plan, giving a minimum of two weeks' notice unless mutually agreed otherwise
- requiring officers of the Council and Members of the Cabinet to attend to give evidence, subject to the provisions of the Overview and Scrutiny Procedural Rules
- forming discretionary joint bodies with other Councils for the purpose of enabling joint scrutiny of bodies/activities beyond the remit of Bath and North East Somerset, without delegation of any responsibilities or powers.
- conducting research, community and other consultation in the analysis of policy issues and development of possible options for the future, and implementing mechanisms to encourage and enhance community participation in the development of policy options;
- liaising with other external organisations to ensure that the interests of local people are enhanced by collaborative working.

This function is bestowed on the local authority's Full Council but can be delegated however the Full Council sees fit. In Bath & North East Somerset Council, the function is delegated to the Scrutiny Panel with responsibility for health. Councillors on this Panel therefore have a role, as representatives of the public, to hold to account local Health organisations when they are making big decisions about the future of health care provision in Bath & North East Somerset.

Provisions of the Health Scrutiny Regulations

- The council's overview and scrutiny body can scrutinise any NHS Commissioning Board, Clinical Commissioning Group or NHS body that provides services for people in the council's area.
- Local NHS bodies must provide any information the council reasonably requires (excluding information about individuals), and NHS staff can be required to attend and provide information.
- Scrutiny reports can be made to the council and to NHS bodies. If requested, the NHS body must respond within 28 days.
- NHS bodies must consult the designated health scrutiny function of the council about proposals for substantial development or variation of NHS services in the area. Health overview and scrutiny committees and other interested parties can write to request (via a call-in request form) that the Secretary of State consider calling in a proposal if the local authority is not satisfied of the merits for change or if it considers there has been inadequate consultation on the proposals. DHSC expects requests only to be used in exceptional situations where local resolution has not been reached.
- Councils can set up joint health scrutiny committees with one or more other councils. Councils can delegate aspects of this role to another

council's overview and scrutiny body. Joint Health Scrutiny Committees also have the power to directly refer a matter to the Secretary of State for Health.

- County councils can co-opt neighbouring authority council members onto their scrutiny committees dealing with health scrutiny, either for an indefinite time or for a particular project.
- Following any health overview & scrutiny topic undertaken, the Committee will make a report with recommendations to NHS bodies and B&NES Council. Such reports will also be copied to key stakeholders including local MPs, Healthwatch, Clinical Commissioning Groups and/or the NHS Commissioning Board.

2.20 HEALTH & WELLBEING BOARD

2.20.1 Background

Health and Wellbeing Boards were required to be established in all local authorities under the Health and Social Care Act 2012 as a key mechanism for driving joined up working at a local level.

Health and Wellbeing Boards are committees of the local authority.

The legislative framework for Health and Wellbeing Boards is within the Health and Social Care Act 2012 and the Health and Care Act 2022.

2.20.2 Vision

Together we will address inequalities in Bath and North East Somerset so people have the best start in life, live well and age well in caring, compassionate communities, and in places that make it easier to live physically and emotionally healthy lives

BaNES local authority works with local partners, in partnership with Swindon and Wiltshire as part of the Integrated Care System and with other local authority partners in the West of England Combined Authority to ensure that those services that are shared across a wider population meet the requirements.

2.20.3 Functions

The Board must undertake the following statutory functions:

- Prepare and publish a Joint Health and Wellbeing Strategy (JHWS) for B&NES, setting the vision for desired population level outcomes, strategic direction and high-level priorities for system partners to operationalise, to meet needs identified in the Joint Strategic Needs Assessment (JSNA), referred to locally as the Strategic Evidence Base.
- Prepare and publish a JSNA (Joint Strategic Evidence Base) of current and future health, care and wellbeing needs of the population and ensure this informs the B&NES JHWS and the B&NES, Swindon and Wiltshire (BSW) Integrated Care Strategy.
- Encourage integrated working between health and social care commissioners, and the use of the Health and Care Act 2022 and the NHS Act 2006 flexibilities to increase joint commissioning, pooled and aligned budgets (where appropriate), to support the effective delivery of the JHWS.
- Work within the Health and Social Care Act 2008 which established the Care Quality Commission as the regulator of all health and adult social care services. It also sets out the powers and duties of the regulators, as well as representing the modernisation and integration of health and social care.
- Encourage closer working in planning, commissioning and delivery of services to improve the health and wellbeing of the population of B&NES and reduce health inequalities.

- Prepare and publish a Pharmaceutical Needs Assessment for pharmaceutical services in B&NES.
- Receive and respond to the draft/revised joint forward plan of the BSW Integrated Care Board.
- Be the accountable partnership for the Better Care Fund.

Achieving the vision and fulfilment of the statutory functions will be supported by the following actions. The Board will:

- Be visible and influential, strategic in discussion, championing the improvement of health and wellbeing and reduction in inequalities as important issues. It will influence organisations and partnerships both within and external to the B&NES locality and wider Integrated Care System in reflecting this in their strategic, operational and commissioning plans.
- Develop strong links with and influence developments in wider services that impact on health and wellbeing including planning, transport, housing, environment, economic development, education and community safety in order to address the wider determinants of health, wellbeing and inequalities, and ensure a focus on mental well-being in conjunction with good physical health.
- Ask partners to show how they embed and deliver meaningful action against the priorities in the Health and Wellbeing Strategy.
- Periodically refresh the Health and Wellbeing Strategy in line with evidence from the Joint Strategic Evidence Base.
- Hold itself to account for implementation of the Health and Wellbeing Strategy, monitoring progress and ensuring action is taken to improve outcomes when monitoring or performance indicators show that plans are not working.
- Ensure there are effective and sufficient mechanisms and resource to communicate, engage on and co-produce Health and Wellbeing Strategy priorities with local people and stakeholders, working closely with the Third Sector.
- Consider the Integrated Care Partnership's Integrated Care Strategy when preparing or revising its Health and Wellbeing Strategy; and be active participants in the development of the Integrated Care Strategy.
- Consider whether the ICB's joint forward plan has given due regard to the Health and Wellbeing Strategy.
- Strengthen its attention on community resilience and on identifying and building on community assets.
- Work closely with the B&NES Healthwatch and Third Sector partners to ensure appropriate engagement, involvement and feedback with residents, patients and service users.

- Listen to issues brought to Board meetings through the public speaking standing agenda item.
- Encourage partners presenting agenda items to share how they have involved local people and service users in their proposals or plans.
- Encourage partners to consider sufficient resourcing, both fiscal and human, of the prevention and inequality agendas.
- Seek to secure collaboration in the system to reduce duplication and make best use of available resources.
- Receive a copy of the ICB's joint capital resource plan outlining planned capital resource use, so to help align local priorities and provide consistency with strategic aims and plans.
- Provide strategic oversight and direction to ensure that the approaches adopted for health and wellbeing services are aligned with the aspirations of local partners to operate in a sustainable manner and to address the climate emergency.
- Produce an annual report presented to Cabinet/full Council outlining achievements of the Board in respect of the improvement of health and wellbeing, a reduction of health inequalities for the population of B&NES and influencing Council priorities on the wider determinants of health.

Responsibility for the scrutiny of health and wellbeing will continue to lie with the Council's Policy Development and Scrutiny Panels.

2.20.4 Scope

The Health and Wellbeing Board may consider services beyond health and social care enabling the Board to look more broadly at factors affecting the health and wellbeing of the B&NES population.

2.20.5 Accountability

Those stakeholders with statutory responsibilities will retain responsibility for meeting their individual duties and responsibilities.

The Board will establish on-going and short lived sub-groups as needed that will report to it. Subgroups established will reflect the priorities of the Health and Wellbeing Board such as children and young people, JSNA, updating the Health and Wellbeing Strategy etc.

2.29 FUNCTIONS CARRIED OUT THROUGH JOINT ARRANGEMENTS

The Council and Cabinet are able to enter into various forms of joint arrangements with other local authorities and bodies.

The Council and Cabinet may establish joint arrangements with one or more local authorities and/or their Cabinets to exercise functions jointly or, advise the Council. Such arrangements may involve the delegation of functions to another authority, an officer of the authority or the establishment of a joint committee with those other local authorities.

Where three or more Councillors are appointed to a non-executive function joint committee, those Members must be appointed in political balance. Subject to below, the Cabinet may only appoint Cabinet Members to a joint committee that exercises executive functions, and those Members need not reflect the political composition of the local authority.

Where a joint committee involves mixed functions then there is no need for political balance but both Cabinet and Council must approve the arrangements.

The Cabinet may appoint Members to a joint committee from outside the Cabinet in the following circumstances:

- a) the joint committee has functions for only part of the area of the Council, and that area is two-fifths (or smaller) of the Council by area or population. In such cases, the Cabinet may appoint to the joint committee any Councillor who is a Member for a ward which is wholly or partly contained within the area; and
- b) the joint committee is discharging a function in relation to five or more local authorities; or the function which the joint committee is discharging is a function which is required by statute to be discharged by a joint committee.

In these cases, the political balance requirements do not apply to such appointments.

Where a joint committee is formed with health bodies pursuant to section 75 of the National Health Service Act 2006 and Regulation 10 of the NHS Bodies and Local Authorities Partnership Arrangement Regulations 2000, then a non-executive Member may be appointed in addition to Cabinet Members.

Where arrangements provide for the discharge of functions by a joint committee and one or more, but not all, of the functions to be

discharged by the joint committee are the responsibility of the Cabinet, then

- a) where only one Councillor is a Member of the joint committee, that person may be, but need not be, a Member of the Cabinet; and
- b) where more than one Councillor is a Member of the joint committee, at least one Member of the Cabinet must be a Member of the joint committee.

Details of joint arrangements including any delegations to joint committees shall be maintained by the Proper Officer.

The [Access to Information Procedure Rules](#) apply to Joint Arrangements.

If all the Members of a joint committee are members of the Cabinet in each of the participating authorities, then its access to information regime is the same as that applied to the Cabinet.

If the joint committee contains members who are not on the Cabinet of any participating authority, then the access to information rules in Part VA of the Local Government Act 1972 will apply.

The Council may delegate non-executive functions to another local authority or, in certain circumstances, the Cabinet of another local authority.

The Cabinet may delegate executive functions to another local authority or to the Cabinet of another local authority in certain circumstances.

The decision whether or not to accept a delegation from another local authority shall be reserved to a meeting of the Council.

The Cabinet may contract out to another body or organisation functions which may be exercised by an officer and which are subject to an order under section 70 of the Deregulation and Contracting Out Act 1994, or under contracting arrangements where the contractor acts as the Council's agent under usual contracting principles, provided there is no delegation of the Council's discretionary decision making.

Current Joint arrangements are detailed below;

Avon Fire Authority ("the Authority") is a corporate body and for many purposes, has the status, rights and duties of a Local Authority under the Local Government Act 1972 and other local government legislation. It is funded from Government Grants and by precepting the constituent councils of Bristol, Bath and North East Somerset, North Somerset and South Gloucestershire. The Authority's membership comprises 20 Elected Members who are appointed by their Council on a politically proportional basis who are accountable in their decisions to the Authority rather than their individual council. B&NES Council holds 3 places on the Fire Authority. The Authority may also appoint other Members from time to time, as permitted by law, such as the local Police & Crime Commissioner(s). The Authority is statutorily responsible for the functions set out in:

- Policing and Crime Act 2017

The Authority has overall control over the strategic direction, establishment, budget and functions of a fire and rescue service and over the acquisition, disposal and alteration of premises and appliances. The Chief Fire Officer/Chief Executive (CFO) is responsible for the day-to-day management of the organisation and is accountable to the Fire Authority for its efficient operation.

2.33 AVON & SOMERSET POLICE AND CRIME PANEL

The Police Reform and Social Responsibility Act 2011 requires each police area outside of London to have a police and crime panel. The purpose of the panel is to hold the Police and Crime Commissioner to account. Where, as in the case of Avon & Somerset Police, a police force covers a number of local authorities, the police and crime panel for that area takes the form of a joint committee between a number of local authorities. Somerset Council is the lead authority of the Avon & Somerset Police and Crime Panel, which includes the following local authorities;

- Bath and North East Somerset
- Bristol
- North Somerset
- Somerset
- South Gloucestershire

More details about the role of the Avon & Somerset Police and Crime Commissioner can be found on the official site of the <http://www.avonandsomerset-pcc.gov.uk>

B&NES will participate in cross-boundary overview and scrutiny of health services with other local authorities, including the establishment of joint committees and/or the delegation of functions to another local authority, as appropriate.

2.35 DELEGATION OF FUNCTIONS TO OFFICERS

The following paragraphs and tables explain the Council's [Scheme of Delegations to Officers of the Council](#).

This scheme of delegation is of general application and applies to all of the functions of the authority, both executive and non-executive. It gives senior officers the necessary delegated powers to carry out those functions of the authority which fall within their areas of responsibility.

The Council operates a cascade principle of delegation which means that any officer given powers under this scheme can further delegate those powers to other officers through a Local Scheme of Delegation (which sets out all the standing delegations given to specific officers in defined areas of the Council's service areas).

Under the provisions of this Scheme, the Council makes arrangements for the discharge of its functions by officers of the Council.

[Section A](#) defines these Officers and sets out what they may do.

[Section B](#) sets out the range of activities that may be undertaken by such Officers.

[Section C](#) sets out some activities which may only be undertaken by certain Officers.

[Section D](#) sets out the general provisions of the Scheme, indicating the limits on the powers conferred, conditions prior to their exercise and other necessary information.

[Section E](#) sets out the consideration that could justify the issue in question being referred to a Cabinet Member or the Cabinet for resolution.

2.35.1 SECTION A

The Chief Executive, Executive Director - Chief Operating Officer, Directors and Heads of Service have delegated power to take any decision falling within their area of responsibility other than

- a. those reserved to certain officers (see Section C) where delegated power subsists only for those officers.

NOTE

The Scheme of Delegation to Officers in respect of day to day human resource management includes within it the right for management to issue instructions. Without prejudice to the generality of the Scheme, the Chief Executive is authorised to issue instructions and directions to any officer of the Council save in

2.35.4 SECTION D

SCHEME OF DELEGATION TO OFFICERS – GENERAL PROVISIONS

The exercise of the arrangements for the discharge of functions in this document are subject to the provisions of Standing Orders, Financial Regulations, Contract Standing Orders, the Budget Management Scheme, Corporate Legal Standards all relevant legal provisions and the provisions of the Constitution.

All delegated functions shall be deemed to be exercised on behalf of and in the name of the Council.

The exercise of a delegated power, duty or function:

- shall be subject to the Council's policies;
- shall not amount to a new policy or extension of or amendment to an existing policy; and
- shall be subject to the requirements set out above.

Where the exercise of powers is subject to prior consultation with another officer, that officer may give his or her views in general terms in advance to apply to any particular circumstances, to remove the need for consultation for each proposal.

Delegations to officers are subject to:-

- the right of the Cabinet or a Cabinet Member to decide any matter in particular case, where they have the power to do so;

- b. the Head of Service or other Officer may in any case in lieu of exercising their delegated power refer to the Cabinet, a Member of Cabinet, a Committee or Sub-Committee for a decision where that body has the power to act; and
- c. any restrictions, conditions or directions of the Leader of the Council.

In exercising delegated powers, the Chief Executive, Executive Director - Chief Operating Officer, Director, Head of Service or other officers shall:-

- a. comply with the requirements of the Corporate Legal Standards and shall address all legal, financial and other professional safeguards as if the matter were not delegated;
- b. exercise the delegation so as to promote the efficient, effective and economic running of that service, and the Council, and in furtherance of the Council's visions and values;
- c. keep a full record of action taken and, where and when appropriate, report back to the decision making body as to the exercise of those delegated powers, and;
- d. carry out necessary consultations

In exercising delegated powers, officers shall not go beyond the provision in the revenue or capital budgets for their service except to the extent permitted by Contract Standing Orders or Financial Regulations.

In exercising delegated powers, officers shall have regard to any advice of the Head of Paid Service, the Monitoring Officer or of the Chief Financial Officer.

An Officer to whom a power, duty or function is delegated may nominate or authorise another Officer to exercise that power, duty or function, provided that Officer reports to or is responsible to the delegator.

Subject to any express instructions to the contrary from the Cabinet, Cabinet Member, Council, Committee or Sub-Committee, any power to approve also includes the power to refuse and the power to impose appropriate conditions.

The powers of this Scheme are delegated to the officers referred to by title within this Scheme of Delegation: so, the delegations apply to whoever holds that post title at any time – not to the individual person.

Any post specifically referred to shall be deemed to include any successor post, or a post which includes within the job description, elements relevant to any particular delegation, which were also present in the earlier post and shall include anyone acting up or seconded.

Where a power or duty is delegated to an Officer and the exercise of the power or duty is contingent upon the opinion of the Council that particular conditions or factual circumstances exist, then the Officer in question has the power to determine whether or not those circumstances exist or those conditions have been fulfilled in the name of and with the authority of the Council.

References to any enactment, regulation, order or byelaw shall be construed as including any re-enactment or re-making of the same, whether or not with amendments. Whenever new legislation relevant or related to those functions exercised by the senior officer is introduced, that officer will have the delegated authority to exercise powers or otherwise take action under that legislation until such time as the full Council, the Executive, a committee or the Chief Executive decides to whom to allocate responsibility for the new legislation.

Any reference to any Act of Parliament includes reference to Regulations, subordinate and European legislation upon which either UK legislation is based, or from which powers, duties and functions of the Council are derived.

When exercising delegated powers, officers shall act as “duly authorised officers” (for the purposes of all relevant legislation) and to enforce/administer the requirements of all relevant regulatory legislation which shall (for the avoidance of doubt) include (but not be limited to) taking the following action (and all actions reasonably necessary, expedient or ancillary in order to facilitate or enable the same):

- Applying for warrants
- Carrying out investigations, inspections or surveys
- Entering land and premises
- Taking samples and seizing property
- Issuing (or declining to issue), revoking or withdrawing licences, certificates or certified copies of documents, approvals, permissions, consents, notices, orders, directions or requisitions for information.

The compilation of a Register of Delegated Powers is a statutory requirement. The Register is maintained by the Monitoring Officer and detailed amendments are added to it as they are made by the Leader of the Council, the Council, Committees and Sub-Committees, the Chief Executive and other Officers. Officers should take care to inform themselves of any subsequent changes to the Register before relying on this document.

Following consultation with the Monitoring Officer, the Chief Executive will have the power to amend the Register to reflect re-organisations, changes in Job Titles and vacancies, where said changes result in re-distributing existing delegations and not the creation of new ones.

All matters of interpretation of this document will be determined by the Monitoring Officer.

Officers shall devolve responsibilities for service delivery and management (whether or not involving sub-delegation under this scheme) to the nearest practicable point to the service user and in a way which clearly identifies accountabilities.

All responsible Officers of the Council are authorised and required to consider and discharge on the Council's behalf its powers and duties under the following statutory provisions:-

Crime and Disorder Act 1988 Section 17

Equalities Act 2010

Data Protection Act 1998

Human Rights Act 1998

Localism Act 2011 Sections 1 – 4

Freedom of Information Act 2000

Environmental Information Regulations 2005

Officers are required to consider before exercising delegated powers, whether in their opinion the criteria set out in Section E below are applicable.

The officers referred to in Section A may make arrangements within their area of responsibility for the discharge of functions to be carried out by other specified officers. Such arrangements must be recorded in writing and notified to the Monitoring Officer who will ensure such arrangements are recorded in the Register referred to above.

2.35.5 SECTION E – CRITERIA FOR REFERRAL OF AN OFFICER ISSUE FOR MEMBER LEVEL CONSIDERATION OR DECISION

If any of the following criteria apply, the matter is to be considered by Cabinet or a Cabinet Member. The opinion of the Chief Executive in consultation with the Leader of the Council, as to the interpretation and application of these criteria shall be final and conclusive.

- (i) matters of significant political impact including those which impact significantly on the issue of Members' accountability to the electorate;
- (ii) matters of substance relating to key and significant projects;
- (iii) matters which raise specific issues requiring choices between options which themselves might have knock-on effects elsewhere- eg on funding;
- (iv) where significant risks have been identified in proceeding with the issue as a result of risk analysis;
- (v) where issues of timing, presentation, or relationships with other bodies (eg other Councils, outside bodies, central government) have become critical to resolve;
- (vi) where there is a significant deviation from the original intention of a project plan etc;
- (vii) where a decision is required which was not anticipated in the Council's agreed plans or policies;
- (viii) a proposal for a detailed Strategy/Action Plan which is consistent with, but goes beyond the intended scope of an agreed Council Policy;
- (ix) where a high level implementation decision is required.

The relevant lead Officer will be responsible for determining, which is the relevant member body, having considered any advice from the Chief Executive who will be the final arbiter in such matters.

PART 3 PROCEDURAL RULES

3.1 COUNCIL PROCEDURE RULES

3.1.1 ANNUAL MEETING

DATE OF ANNUAL MEETING OF COUNCIL

In a year when there is an ordinary election of Councillors, the annual meeting is held either on the 8th day after the day of retirement of Members or within 21 days immediately following the day of retirement. The Council will decide which alternative in each election year. In any other year, the annual meeting will take place in March, April or May. The annual meeting may be combined with the business of an ordinary meeting.

3.1.2 CHAIR AND VICE CHAIR OF THE COUNCIL

The first business at the Annual Meeting of the Council is to elect a Councillor to be Chair of the Council for the Municipal Year (i.e. until a successor is appointed at the next Annual Meeting). The current Chair will preside at the meeting over the appointment of their successor unless, in accordance with the provisions of the Local Government Act 1972, he or she is ineligible to do so. In this case the Vice Chair shall preside. No Councillor shall preside over his or her own election as Chair or Vice Chair. The Annual Meeting will also appoint a Councillor to be Vice Chair of the Council for the Municipal Year. Both the Chair and the Vice Chair have the right to declare their preference for how they wish to be addressed.

3.1.3 APPOINTMENT OF COMMITTEES

At its Annual Meeting, the Council will decide:

- which Overview and Scrutiny Panels, non-executive and other Committees to create for the Municipal Year;
- what roles and responsibilities they will have; and
- the proportional allocation of seats to political groups.

The current appointments: [Political Proportionality Table](#)

3.1.4 SUBSTITUTION

All non-executive Members of a committee or Overview and Scrutiny Panel (subject to the rules on membership of such bodies) are eligible to be appointed as a substitute for any Committee or Overview and Scrutiny Panel Member of any political group in accordance with the wishes of that political group. Substitute Members will have all the powers and duties of

any ordinary Member of the committee but will not be able to exercise any special responsibilities or duties exercisable by the Member for whom they are substituting.

Substitute Members may attend meetings in that capacity to take the place of the ordinary Member for whom they are substituting, where the ordinary Member will be absent for the whole of the meeting (including any adjournment). The Member being substituted shall cease to be a Member of the relevant body for the duration of the meeting (including any adjournment of the meeting to another date). The substitute Member shall be a full Member of the body for the same period. Cabinet Members cannot act as a substitute on any Overview and Scrutiny Panel.

3.1.5 ORDER OF BUSINESS AT ANNUAL MEETING OF COUNCIL

The annual meeting will:

- (i) elect a person to preside if the Chair of the Council and the Vice Chair is not present;
- (ii) elect the Chair of the Council;
- (iii) appoint the Vice Chair of the Council;
- (iv) approve the minutes of the last meeting as a correct record and authorise the Chair to sign as such;
- (v) receive any announcements from the Chair or from the Chief Executive;
- (vi) elect the Leader of the Council, following elections held every 4 years;
- (vii) appoint at least one Overview and Scrutiny Committee, a Licensing Committee and such other Committees as the Council considers appropriate to deal with matters which are neither reserved to the Council nor are executive functions;
- (viii) determine the size, terms of reference and delegated powers of those committees and bodies established under part (vii) above on the basis that these matters may also be reviewed during the Municipal Year;

- (ix) determine the allocation of seats on Committees and Overview and Scrutiny Panels to political groups in accordance with the rules on political balance and arrangements for the appointment of substitute (or temporary) Members;
- (x) receive nominations from political groups for Members to serve on Committees and Overview and Scrutiny Panels. Similarly, the Council will receive nominations to serve on outside bodies where the making of such appointments has not been delegated by the Council or is exercisable only by the Cabinet;
- (xi) agree the scheme of delegations or such part of it as the Constitution determines it is for the Council to agree as set out in [Part 2 of this Constitution](#).
- (xii) approve a programme of ordinary meetings of the Council and of its Committees for the year; and
- (xiii) consider any other relevant business set out in the notice convening the meeting.

The agenda and any relevant reports will be endorsed with the name of any local ward to which the business specifically relates.

3.1.6 BUSINESS AT ORDINARY MEETINGS

Ordinary meetings of the Council will take place in accordance with a programme decided at the Council's annual meeting. Ordinary meetings will:

- (i) elect a person to preside if the Chair and Vice Chair are not present;
- (ii) receive any declarations of interest from Members;
- (iii) approve the minutes of the last meeting as a correct record and authorise the Chair to sign as such (*There is no discussion on matters arising from the minutes other than to draw attention to any inaccuracy*);
- (iv) receive any announcements from the Chair or the Chief Executive, and with the approval of the Chair of the meeting receive from the Leader of the Council, a statement on an urgent

matter, provided that the Leader of the Opposition shall have an equivalent opportunity to reply to such a statement;

- (v) deal with any business remaining from the previous Council meeting;
- (vi) receive questions, statements, or petitions from members of the Public;
- (vii) receive questions, statements, or petitions from Councillors at the end of the published order of business;
- (viii) receive reports on Policy and Budget Framework matters (normally from the Cabinet);
- (ix) receive and consider any report from the Cabinet on its business since the previous Council meeting;
- (x) receive reports from its committees;
- (xi) consider any other business specific in the summons to the meeting including reports from Officers on Council functions;
- (xii) consider any agenda motions submitted by Members of the Council.

The agenda and any relevant reports will be endorsed with the name of any local ward to which the business specifically relates.

3.1.7 SPECIAL OR EXTRAORDINARY MEETINGS

Occasionally, it will be necessary to call a special or extraordinary meeting of the Council to deal with specific business only. A special or extraordinary meeting may be called:

- i) by resolution of the Council;
- ii) by the Chair of the Council on her/his own initiative;
- iii) by the Chair of the Council, in response to a written request signed by 5 Members;

- iv) by the Monitoring Officer or the Chief Financial Officer, after consultation with the Political Group Leaders and the Chair of the Council.

Those calling the special or extraordinary meeting may specify a date and time for the meeting. This specific business will be limited to that identified by those calling the meeting. Questions from the Public and Councillors will not be permitted unless these relate to the business to be discussed.

When 5 Members submit a written request for a meeting, the Chair may:

- call a meeting within a reasonable time;
- refuse to call a meeting; or
- take no action

If the Chair refuses to call a meeting within 7 days (*i.e. the summons to the meeting is not sent out within 7 days*) or takes no action, the 5 Members who have signed the request may require the Chief Executive in writing to convene a meeting on a date and time they will determine. The Chief Executive shall then convene a meeting on the specified date and at the time stated.

3.1.8 MINUTES AT EXTRAORDINARY MEETINGS

Minutes of an ordinary meeting of the Council will be presented for consideration as a correct record at the same or the next ordinary meeting of the Council. A special or extraordinary meeting of the Council will not be asked to consider for approval the minutes of any ordinary meeting of the Council held prior to the special or extraordinary meeting.

3.1.9 GENERAL PROVISIONS

3.1.10 DATES AND TIMES OF MEETINGS

The time and place of all Member meetings will be determined by the Monitoring Officer and notified in the summons. The Chief Executive, in consultation with Political Group Leaders, is responsible for determining whether a programmed meeting of the full Council should be postponed or cancelled. For committees and panels, this decision is taken in consultation with the Chair.

3.1.11 AGENDA DESPATCH

Items to be discussed at any meeting of the Council will be set down in the agenda. The agenda will be sent to every Member of the Council at least 5 clear working days before the meeting. A “clear working day” is a day on which the Council offices are open and does not include the day of despatch or the day of the meeting. In the case of an extraordinary meeting of the Council called to consider an urgent item, a shorter period of notice may be given.

The draft agenda for a Council meeting shall be submitted to each Political Group sufficiently far in advance of the formal agenda despatch to enable all Members of the Council, through Group discussion, to have an opportunity to influence the agenda content for the meeting.

The Chief Executive, in consultation with the Political Group Leaders shall prepare and maintain an annual work plan for the Council for circulation to all Members.

3.1.12 WHO CAN PUT ITEMS ON THE AGENDA

The Chief Executive shall be responsible for the effective management of Council business and shall have the right to place on the agenda of the Council or its committees and panels any matter relating to the functions of Council.

3.1.13 MINIMUM NUMBER OF MEMBERS PRESENT (QUORUM)

No business shall be transacted at a meeting of the Council unless at least one quarter of the whole number of Members of the Council is present. This is 15 elected Councillors of Bath & North East Somerset Council. The quorum for all other committees or panels shall be one quarter of their respective membership, or 3 Councillor/voting Members whichever is the greater or, unless otherwise stated in [Part 2 of the Constitution](#)

If, at the start of or during any meeting of the Council, the Chair, after requiring a count of the number of Members present, declares that there is not a minimum required number present, the meeting shall immediately stand adjourned. The consideration of any business not transacted shall be adjourned to the next ordinary meeting of the Council unless the Chair, or the Council, decides that the meeting should be re-convened at another time or on another date to transact or complete its business. When this happens, the Chair or the Council may also decide the date and / or time at which the meeting shall re-convene.

3.1.14 RECORD OF ATTENDANCE

The names of the Members present during the whole or part of a meeting shall be recorded.

3.1.15 SUSPENSION OF RULES

There are occasions when it is helpful to the effective conduct of a meeting, or for other reasons, not to apply a particular Procedural Rule. It is therefore open to any meeting to suspend one or more of its operational Rules. It is necessary for the suspension of a Rule to be proposed by a Councillor who should make it clear which Rule is being suspended and for how long. A majority of Members present at a meeting must support the proposal to suspend a rule.

3.1.16 CHANGING THE ORDER OF BUSINESS

The Chair may at her/his discretion vary the order of business at the meeting. The Council meeting may also decide to vary the order in which agenda items are taken.

3.1.17 RULES OF DEBATE

3.1.18 CHAIR OF MEETING

At a meeting of the Council, the Chair, if present, shall preside. If the Chair is absent from a meeting, then the Vice Chair, if present, shall preside. If both the Chair and Vice Chair are absent from a meeting, another Member of the Council chosen by the meeting shall preside. The person presiding at the meeting may exercise any power or duty of the Chair in relation to the conduct of the meeting.

3.1.19 POWERS OF THE CHAIR

The powers and duties of the Chair are as follows:

- a) to act as the focal point for debate;
- b) to preserve order and ensure the proper and efficient conduct of the meeting;
- c) to ensure that members of the Public and Councillors are able to follow proceedings;
- d) to confine discussion to the issue under consideration;
- e) to ensure all Councillors have an equal opportunity to participate;
- f) to decide whether proposals put to the meeting are in order;
- g) to decide procedural matters;
- h) to conduct voting and to declare the result;
- i) to sign the minutes of the previous meeting(s) as a correct record when authorised to do so by the meeting;
- j) to adjourn the meeting if circumstances justify such action;
- k) to declare the meeting closed when its business has been completed;
- l) to exercise powers conferred by law on the chair of a meeting.

3.1.20 CHAIR TAKING PART IN DEBATE

The Chair will not normally take part in debate. The Chairperson must, if present, preside and it is not permissible for the Chair to vacate the Chair during consideration of an item. However, in special circumstances signified to the meeting, the Chair may speak but will ensure that his or her contribution to debate is made in such a way as to ensure that the efficient conduct of the meeting is not prejudiced.

3.1.21 MEMBERS TO ADDRESS THE CHAIR

When speaking at a meeting, Members shall address the Chair.

3.1.22 MINUTES

The Chair will invite the meeting to approve the minutes of the previous meeting as a true and correct record. There will be no discussion on the minutes other than on their accuracy. When so approved, the Chair is authorised to sign them.

3.1.23 QUESTIONS FROM COUNCILLORS AND THE PUBLIC

Councillors and [the Public](#) have the right to put forward questions for answer at a Council meeting but not at a special/extraordinary Council meeting unless these relate to the business to be discussed. All questions must be submitted in writing (this to include transmission by e mail).

A maximum of 3 questions will be accepted from each member of the Public and from each Councillor (each question to have no more than 2 sub-sections). A question in multiple parts will be treated as a series of individual

questions. Notice of the question must be given to the Monitoring Officer no later than close of business 4 clear working days before the day of the meeting (e.g. 5pm on a Thursday for a meeting on the following Thursday).

If a meeting is postponed, or adjourned, once an agenda has been published, all deadlines for public engagement associated with the original meeting still apply.

All questions will be circulated to Members of the Council and the public in advance of the meeting. There is no requirement of the questioner to read out the question, nor of the relevant Councillor to read out the answer if circulated. Where a written answer is circulated in advance, the relevant Councillor may add to that answer orally at the meeting.

A Councillor who is asked a question may

- nominate another Councillor to reply on his or her behalf;
- indicate that a written answer will be provided, in which case that written answer shall be provided no later than 5 clear working days after the day of the meeting, where practicable.

Questions must only be asked of:

- a Cabinet Member (where the matter falls within his or her portfolio) or
- the Leader of the Council or the Deputy Leader (about any aspect of Council policy and practice, service delivery or community interest) or
- a/all Group Leader/s (about an issue not related to executive business)
- a committee or Panel chair

but not an individual Member of the Council who does not hold any of the above positions.

For Policy Development & Scrutiny Panels, and Committees, questions must only be asked of the Chair.

The Chair may rule on the adequacy of an answer given at the meeting by a Cabinet Member (or their nominee).

A question will not be accepted under this Rule if

- it is substantially the same as a question which has been put at a meeting of the Council in the past six months;
- it is not about a matter for which the local authority has a responsibility of which affects the B&NES area;
- the answer would require exempt or confidential information to be divulged;

- the subject matter is about an application for a legal consent or permission where there is an alternative process to challenge the decision or to appeal against it or where the question/answer process might prejudice the proper consideration of such an application;
- it is about a matter which has already been lodged with the Council or with another statutory body as a formal complaint;
- is defamatory, frivolous or offensive or of a personal nature in relation to a member of the Council or to its officers;
- if is from an employee concerning matters relating to their own or a colleague's employment.

The text of written questions to Council, and their written or published responses, should contain no reference to political groups/parties.

3.1.24 PETITIONS AND STATEMENTS FROM COUNCILLORS OR THE PUBLIC

Councillors and [members of the Public](#) have the right to put forward petitions and statements at a Council meeting but not at a special/extraordinary Council meeting unless these relate to the business to be discussed. Registering can only be done for the next upcoming meeting of the particular body. The submission must be relevant to the Council and/or the Bath & North East Somerset area. Advance notice of all statements (including those supporting a petition) must be submitted in writing (this to include transmission by e mail) stating the subject matter, and must be lodged with the Monitoring Officer no later than close of business 2 clear working days before the day of the meeting at which the submission is to be made (e.g. Monday 5pm for a meeting on a Thursday). Where possible, members of the public and Councillors are strongly encouraged to submit the text of their statement in advance to enable Members to read it before the meeting.

If a meeting is postponed, or adjourned, once an agenda has been published, all deadlines for public engagement associated with the original meeting still apply.

[Guidance](#) is available on drafting/submitting a statement.

There is no minimum number of signatures required for a petition.

A submission under this Rule will not be accepted if

- it seeks to address exempt or confidential matters;
- the subject matter is about an application for a legal consent or permission where there is an alternative process to challenge the decision or to appeal against it or where this Procedural Rule might prejudice the proper consideration of such an application or consent;
- it is about a matter which has already been lodged with the Council or with another statutory body as a formal complaint;

- is defamatory, frivolous or offensive or of a personal nature in relation to a member of the Council or to its officers;
- if it is from an employee concerning matters relating to their own or a colleague's employment.

There is a limit of one hour for items from the Public, extended at the Chair's discretion. The Chair also has discretion, in consultation with the Democratic Services Manager, to manage the list of public speakers so that a range of topics can be covered.

Individual submissions will be limited to a maximum of 3 minutes.

If the submission relates to a general matter not on the agenda for the meeting, it will be taken at the start of the meeting. If it relates to an item on the agenda for the meeting, the person making the submission will be invited to address the meeting either at the start of the meeting or immediately before the item is debated. *[For Councillor items to Council, these are taken at the end of the agenda, in accordance with rule 3.1.6.]*

Once the submission has been made, the Chair will ask Group Leaders to indicate if they need any clarification on the statement, via a factual question of the person making the submission. The Group Leader can defer this right to another Member within the Group. The meeting will then determine what action it wishes to take on the matters contained in the submission.

[The above provision regarding Group Leader factual questions only relates to Council.]

3.1.25 MOTIONS MOVED WITHOUT NOTICE

The following matters may be proposed as a motion during a meeting, by a Member of the Council, without the need to give notice:

- a) Appointment of a Chair of the meeting
- b) The accuracy of the minutes
- c) To change the order of agenda business
- d) To adopt a recommendation or some other course of action arising from a report to the meeting
- e) Extending the time limit for speeches, for Public and Councillor questions
- f) Amendments to matters raised
- g) That the meeting proceeds to the next business (applies only to certain Members - See Rule 3.1.34)
- h) That the question be now put
- i) That the debate be now adjourned
- j) That the meeting now adjourns
- k) That the meeting continue beyond the prescribed deadline to end no later than a specified time
- l) Suspending Procedural Rules in accordance with Rule 3.1.14
- m) To resolve under Section 100A of the Local Government Act 1972 to exclude the press and the Public

- n) That a Member named under Rule 3.1.39 be not further heard or leave the meeting

3.1.26 NOTICE OF AGENDA MOTIONS

Except for motions which may be moved without notice, written notice of every motion, signed by or on behalf of the Member(s) giving notice, with the name of the political group shown after the Member's name (unless the motion is to stand in the name of the Member only) must be delivered to the Monitoring Officer (on behalf of the Chief Executive) not later than 7 clear working days before the date of the meeting.

- Motions will be listed on the agenda in the order in which notice was received by the Monitoring Officer unless, after consulting the Group Leaders, the Chief Executive and the Chair, the Monitoring Officer decides that it would be more effective for the conduct of the Council's business to place them in a different order;
- Motions must be about matters for which Bath & North East Somerset Council has a responsibility or which affect Bath & North East Somerset Council, its functions, its area or part of it or the inhabitants of that area or part of it unless all Group Leaders agree to a cross-party motion on a non-local issue..

If notice is given of any motion which the Monitoring Officer considers does not fall within the scope of the above or that is ultra vires or otherwise illegal, that motion will be submitted to the Chair. The Chair shall decide to either rule the motion as out of order or to place it on the agenda if he or she considers that the motion required to be properly considered by the Council with a view to determining its validity. In the event of a motion being rejected and not being placed on the agenda, the Monitoring Officer will inform the Member who gave notice of the motion as soon as possible.

A Councillor submitting an agenda motion has the right to speak to it at the Council meeting for no longer than 5 minutes. That Councillor, or their nominee may also attend at any meeting of any other committee or body to which the Council refers the matter. However, he or she will be able to speak to the matter only at the discretion of the Chair of the meeting to which the matter has been referred. The Councillor may not vote on the matter unless s/he is a voting Member of the meeting considering the matter and has no conflict of interest in respect of that matter.

The meeting has the right to determine with advice from Officers whether it wishes to defer the matter to a future meeting for further Officer report/advice.

Notices of motion will not be accepted at the Budget Council meeting, or the Annual meeting of Council.

3.1.27 MOTIONS

A motion is a proposal from a Member at the meeting aimed at opening a debate on an agenda item. A motion once proposed needs a second Member to indicate a willingness for it to be considered. This is called “seconding” the motion. A motion usually takes the form of a proposal to adopt a course of action based on a recommendation in a report. It can be a different proposal to that which is recommended in the report. [A recommendation in a report is not of itself a motion unless or until a Member proposes its adoption].

A Member who moves a proposal may, with the agreement of the seconder, accept a suggestion for a minor adjustment to the wording of the proposal. In indicating acceptance or not, only a brief response is expected (extended at the Chair’s discretion if useful to facilitate a helpful outcome). Where a proposed adjustment is not accepted by the mover, or considered at the meeting to be of significance and not therefore “minor”, it will be treated instead as if it was a formal amendment.

Members will have access to the advice of the Chief Executive and/or Monitoring Officer in drafting motions.

3.1.28 AMENDMENT

An amendment is a proposal by a Member to change the words of a motion which has been moved and seconded. The amendment shall be relevant to the subject matter of the motion and shall be: -

- a. to leave out words, or
- b. to leave out words and insert or add other words, or
- c. to insert or add words, or
- d. to refer the matter to a Committee/Sub Committee, the Cabinet or an Overview and Scrutiny Panel for consideration or reconsideration
- e. to defer consideration of the matter.

An amendment must not;

- be a direct negative of a motion; or
- seek to introduce into the motion a new issue unrelated to the subject dealt with in the motion.

If an amendment seeks to achieve something that is relevant but cannot be achieved by merely voting against the motion, it is likely to be ruled as a valid amendment. The meeting will be advised by the Chief Executive on the validity of amendments and the ruling of the Chair thereon will be final.

Only one amendment may be moved and discussed at a time. No further amendment shall be moved until the amendment under discussion has been disposed of.

Notice of intention to move any further amendment and the nature thereof may, at the discretion of any Member, be given to the Chair before a vote is taken on the current amendment being considered at the meeting.

If an amendment is defeated, other amendments may be moved to the original motion. If an amendment is carried, the motion as amended shall take the place of the original motion and shall become the substantive motion upon which any further amendments may be moved in turn.

[Any alternative budget proposals must be finalised and submitted to the Section 151 Officer at least 3 working days before the day of the meeting – so by 5pm Wednesday for the following Tuesday’s budget meeting.]

[A flow diagram which illustrates the debating process: Debating Flow Chart](#)

3.1.29 SECONDING

Any motion or amendment is only able to be discussed once a second Member has indicated a willingness for it to be considered. This is called “seconding”.

3.1.30 RIGHT OF REPLY

At the end of a debate about a motion, the Member who proposed the substantive motion may exercise a right to reply to the points raised in the debate.

The right to reply to a debate on an amendment also rests with the Member who proposed the motion, not with the Member who proposed the amendment.

If a motion is successfully amended, the mover of the original motion which opened the debate shall be given an opportunity to respond to points made during debate, before the formal right of reply goes to the mover of the substantive motion.

A Member exercising a right of reply shall confine her/his speech to answering points raised by the previous speakers, and shall not introduce new material. The Chair’s ruling in this regard shall be final.

After every right of reply to which this Rule refers, a vote shall be taken without further discussion.

3.1.31 WITHDRAWAL OF MOTION

A motion or amendment may be withdrawn by the mover with the consent of her/his seconder, which shall be signified without discussion. No Member may speak upon it after the mover has asked permission for its withdrawal, unless permission to withdraw it has been refused, in which case it remains open for debate.

3.1.32 RIGHT TO REQUIRE PROPOSAL IN WRITING

Unless notice of the motion or amendment has already been given and published, the Chair may require it to be written down and handed to him/her before it is discussed at the meeting.

3.1.33 NO SPEECHES UNTIL MOTION SECONDED

No speeches may be made after the mover has moved a motion and explained the purpose of it until the motion has been seconded.

3.1.34 CONTENT AND LENGTH OF SPEECHES

A Member shall direct her or his speech to the question under discussion or to a personal explanation or to a point of order (see the below rule). A Member proposing a motion, a Cabinet Member or a Chair of a Council body when presenting a report from such a body, will be allowed no more than 5 minutes for her or his speech. No other speech by any Councillor or invited other person will exceed 3 minutes.

3.1.35 CLOSURE MOTIONS

A Member who has not spoken in a debate may move without comment at the conclusion of a speech of another Member;

“That the meeting proceed to the next business”,

“That the question be now put” (*In effect “That the vote be now taken”*),

“That the debate be now adjourned”, or

“That the meeting do now adjourn”,

on the seconding of which the Chair shall proceed as follows:-

- a) On a motion “to proceed to next business”: unless in her/his opinion the matter before the meeting has been insufficiently discussed, the Chair shall first give the mover of the substantive motion a right of reply, and then put to the vote the motion “to proceed to the next business”.
- b) On a motion “that the question be now put”: unless in her/his opinion the matter before the meeting has been insufficiently discussed, the Chair shall first put to the vote the motion “that the question be now put”. If that motion is passed, the Chair will invite the mover of the motion under discussion to exercise her/his right of reply (under the relevant rule above) before putting that original motion to the vote.
- c) On a motion “to adjourn the debate or the meeting”: if in her/his opinion the matter before the meeting has not been sufficiently discussed and cannot reasonably be sufficiently discussed on that occasion, the Chair shall put the adjournment motion to the vote without giving the mover of the substantive motion a right of reply.

Votes on closure motions to be taken by Members standing. If a Member is unable to or prefers not to stand, a raised hand will be counted.

3.1.36 POINTS OF ORDER/POINTS OF PERSONAL EXPLANATION

A Member may indicate a “point of order” or a “point of personal explanation” and shall be entitled to be heard immediately.

- a. A "Point of Order" shall relate only to an alleged breach of a Procedural Rule or statutory provision. The Member shall specify the Procedural Rule or statutory provision and the way in which s/he considers it has been broken.
- b. A "Personal Explanation" shall be confined to some material part of the Member's former speech which may appear to have been misunderstood in the present debate.

The ruling of the Chair on a point of order, or on the admissibility of a personal explanation, shall be final.

3.1.37 SIX MONTH RULE

The Council will not consider any matter which has already been considered by the Council within the previous 6 months, unless

- 1) the matter is coming to the Council meeting as part of a report from an Officer, the Cabinet, an Overview and Scrutiny Panel or a Committee of the Council;

OR

- 2) written notice, requesting the Chief Executive to arrange for the Council to reconsider the matter, and endorsed by no fewer than 15 Members of the Council, is submitted to the Chief Executive. The term "endorsed" shall include individual signatures on the notice or electronic communications from individual Members. The receipt of a communication from at least 15 Members signifying their endorsement of the action requested in the notice will be sufficient authority for the Chief Executive to take action to include the item on a Council agenda.

Any 6-month Rule notice to the Chief Executive should be couched in the following terms:

I hereby require the Council to reconsider its decision of (date) as recorded in minute no (xx) about (subject) and accordingly request the Chief Executive to place an item on the agenda of the (next available) (specified date) Council meeting, together with such reports as s/he thinks appropriate, to enable this reconsideration to take place. - with the optional inclusion of a specific motion for the Council to consider.

Similarly, no proposal which the Council has rejected within the previous 6 months may be put forward, other than in the circumstances described in (1) and (2) above.

3.1.38 VOTING

Subject to the provisions of any enactment all questions coming or arising before the meeting shall be decided by a majority of the Members of the Council (or other persons entitled to vote) present and voting.

The Chair shall ensure that that the proposal to be voted on is clear. Voting will proceed by a show of hands (first those voting “for” the proposal, those voting “against” the proposal, and then the abstentions).or by means of an electronic voting system

Sometimes, the law requires special voting procedures and/or sets down the required numbers of votes or a proportion of voting Members required to be in favour. The Chief Executive will inform the Council when these requirements apply.

A recorded vote or votes shall take place when setting the Authority’s budget and determining the level of Council Tax to be levied in the district for each financial year.

If on any vote the numbers “for” and “against” a proposal are equal, the proposal is NOT CARRIED and it therefore falls. The record of the meeting will reflect the “NOT CARRIED” status of the proposal.

While by convention in this Authority, the Chair does not exercise a second or casting vote to resolve issues where there is an equality of votes, the decision on whether or not to exercise a second or casting vote is that of the Chair alone. S/he retains the legal right to proceed as s/he sees fit. Exercise of a second or casting vote will not invalidate the decision.

(A second vote from the Chair means that s/he has voted in the original vote which resulted in tied numbers and votes again to break the deadlock.

A casting vote is exercised when the Chair did not take part in the original vote and casts a vote in favour or against in order to break the deadlock.)

For meetings of the full Council, a named vote will be taken for each substantive item (accompanied by a report on the agenda) and the voting details recorded in the minutes of the meeting.

3.1.39 EXCLUSION OF PRESS AND PUBLIC

If Council, the Cabinet, Committee or sub-Committee pass a resolution pursuant to Section 100A of the Local Government Act 1972 in accordance with Part 3.5 of this Constitution to exclude the press and public from the whole or part of their proceedings, then the effect of such resolution shall extend to Members of the Council present at the meeting who are not Members of the Committee or sub-Committee concerned: provided that, except when the Committee or sub-Committee are acting in a judicial or quasi-judicial capacity, such Members of the Council shall be permitted to remain if invited to do so by resolution of the Committee or sub-Committee.

A Personal Assistant and/or nominated note taker for a disabled Councillor or other person entitled to remain at a meeting after it has passed a resolution under this Rule, shall also be entitled to remain, provided they have signed an undertaking in advance not to divulge the nature of any exempt or confidential business discussed or submitted.

3.1.40 DISORDERLY CONDUCT

If at a meeting any Member of the Council, in the opinion of the Chair, misconducts her/himself by persistently disregarding the ruling of the Chair, or by behaving irregularly, improperly or offensively, or by wilfully obstructing the business of the meeting, the Chair or any other Member may move "that the Member named be not further heard", and the motion if seconded shall be put and determined immediately without discussion.

If the Member named continues the misconduct after a motion under the foregoing paragraph has been carried the Chair shall -

EITHER move "that the Member named leave the meeting" (in which case the motion shall be put and determined immediately without seconding or discussion):

OR adjourn the meeting for such period as s/he shall consider expedient.

In the event of general disturbance, which in the opinion of the Chair renders the due and orderly despatch of business impossible, the Chair in addition to any other power vested in her/him may, without question put, adjourn the meeting of the Council for such period as s/he in her/his discretion shall consider expedient.

Members shall at all times conduct themselves in a proper, efficient, effective and courteous manner affording due respect to the office of the Chair and to the formality of the Council meeting

3.1.41 DISTURBANCE BY MEMBERS OF THE PUBLIC

The provisions of Rule 3.1.39 (exclusion of the public and press) are without prejudice to any power of exclusion to suppress or prevent disorderly conduct or other misbehaviour at a meeting.

If a member of the public interrupts the proceedings at any meeting the Chair shall issue a warning. If the person continues the interruption, the Chair shall order the person's removal from the meeting room. In case of general disturbance in any part of the chamber open to the public, the Chair may order that part of the meeting room to be cleared and / or may adjourn the meeting for such period as s/he in her/his discretion shall consider expedient.

When the Chair stands during a debate or uses the gavel and invokes this rule, any Councillor or member of the public speaking at the time must stop (and sit down). The meeting must be silent.

3.1.42 DURATION OF COUNCIL MEETING

No meeting of the Council will continue beyond 10pm.

A meeting may decide, on a proposal from the floor, to continue its proceedings to end at a time stated in its resolution arising from such a proposal.

If the meeting is unable to complete its business by 10 pm, and does not agree to continue beyond that time, or fails to complete its business by the alternative end time it has agreed under this Rule, the meeting will automatically stand adjourned. For any item of business being dealt with at the time, the substantive motion will be put immediately to the vote without further debate. All uncompleted business will stand adjourned to be considered at the next meeting or to an adjourned session.

The Chair or the meeting may decide the date and time of the adjourned session.

3.1.43 MEMBER ADVOCATES

The Council may appoint Members from time to time to act as “Advocates” for particular interests both within the Council and outside. The Chief Executive, in consultation with Group Leaders will determine such guidance, protocols and support as is deemed necessary for the effective operation of such roles.

3.1.44 APPLICATION TO COMMITTEES, SUB-COMMITTEES AND PANELS

All of the Council Rules of Procedure apply to full Council. None of the Rules apply to meetings of the Cabinet. Reports about other matters (e.g. secondary policies – see Policy and Budget Framework Rule 3.7.7) will set out the details and outcome of consultation as appropriate. The level of consultation required will be appropriate to the nature of the matter under consideration and in any event will be consistent with the Council's consultation policy and practice.

The Cabinet collectively and Cabinet Members exercising portfolio responsibilities will be expected to consult with or inform local ward Councillors on all relevant issues.

3.2.6 INVOLVEMENT OF OFFICERS

Where delegated decision making powers are given to them, the relevant Cabinet Member will discuss the matter fully with all relevant senior officers before making a decision or formulating a recommendation to another body.

All meetings of the Cabinet will have access to advice from the Head of Paid Service, the Monitoring Officer and the Chief Financial Officer. These Officers will have the right to see all draft reports prior to publication and to attend all formal meetings for the purpose of giving advice as required. The Chief Executive will determine other Officer attendance required at formal meetings of the Cabinet.

3.2.7 RIGHT OF OVERVIEW AND SCRUTINY CHAIR (PERSON) TO SPEAK TO OVERVIEW AND SCRUTINY REPORTS & RESPONSE OF CABINET TO THESE REPORTS

An Overview and Scrutiny body can present a report to a meeting of the Cabinet in accordance with Rule 3.3.15.

Similarly, no proposal which the Cabinet has rejected within the previous 6 months may be put forward, subject to (1) and (2) above.

Unless Access to Information Rule 3.5.15 (General Exception) or 3.5.16 (Urgency) applies, the issue coming forward will be required to be published in the Forward Plan of executive business before the matter can be considered. Those Councillors signing a notice to the Chief Executive

will be informed of the publication process and what that means in terms of the timetable for considering the issue.

3.2.9 PREPARATION FOR CABINET MEETINGS

3.2.10 AGENDA PREPARATION

Prior to the agenda being finalised, Officers will brief the Leader of the Council, the Deputy Leader (if there is one) and relevant Cabinet Members on matters coming to the meeting for consideration.

No report shall be included on the agenda of a formal meeting of the Cabinet unless it has been discussed fully with the relevant Cabinet Member and with the Chief Executive, the Monitoring Officer and the Chief Financial Officer as appropriate.

3.2.11 AGENDA DESPATCH

Items to be discussed at any meeting of the Cabinet will be set down in the agenda. The agenda will be sent to every Member of the Cabinet at least 5 clear working days before the meeting.

In the case of an urgent meeting of the Cabinet, a shorter period of notice may be given.

3.2.12 AGENDA CONTENT AND ORDER OF BUSINESS

Formal meetings of the Cabinet which are required to make decisions will do so on the basis of clear agendas which identify:

- a) matters on which the Cabinet has authority to act in implementing the Policy and Budget Framework set by the Council
- b) matters on which the Cabinet is required to make recommendations to the Council
- c) matters relating to an ongoing dialogue with Overview and Scrutiny bodies;
- d) other business related to the discharge of executive functions.

In addition, each meeting will be invited to approve as a correct record the minutes of the previous meeting and to receive any declarations of interest.

Agendas for meetings of the Cabinet will be issued in advance of the

meeting in accordance with the Access to Information Procedure Rules within this Constitution.

The order of business will be determined by the Chief Executive in consultation with the Leader. The Leader, or the meeting itself, may agree to vary the order of business at the meeting.

The agenda and any relevant reports will be endorsed with the name of any local ward to which the business specifically relates.

3.2.13 WHO CAN PUT ITEMS ON THE CABINET AGENDA?

The Chief Executive shall be responsible for the effective management of Cabinet business and shall have the right to place on the agenda of the Cabinet any matter relating to an executive function of the Council.

Any Member of the Council may request the Chief Executive to place an item on the agenda of the next available meeting of the Cabinet for consideration. This may include the submission of a form of words as a motion to be considered by the meeting, for which 7 clear working days' notice in advance of the meeting is required in order to satisfy the agenda despatch Rule 3.2.11 above. The motion will be signed by or on behalf of the Member(s) giving notice, with the name of the political group shown after the Member's name (unless the motion is to stand in the name of the Member only). The meeting has the right to determine with advice from Officers whether it wishes to defer the motion to a future meeting for further Officer report/advice.

The Council Leader, after consulting and taking into account the views of the Deputy Leader and of the Chief Executive, will determine whether or not to include the Member's item on the agenda.

If the item is included, the Member will have the right to attend the meeting and to speak to the item. If the item is not included, a reason will be given.

There will be a standing item on the agenda of each meeting of the Cabinet for matters referred by Overview and Scrutiny bodies.

There will be a standing item on the agenda to enable the Cabinet to consider any items requisitioned by a Cabinet Member for consideration by the full Cabinet.

The Monitoring Officer and/or the Chief Financial Officer may include an item for consideration on the agenda of a Cabinet meeting and may require the Chief Executive to call such a meeting in pursuance of their statutory duties.

Any Member of the Council may make a written submission to the Cabinet

or to the relevant Executive Councillor(s) about an item referred to in the forward agenda plan or on the published agenda of a Cabinet meeting or on the published notice of an imminent Cabinet Member decision.

The Cabinet/Cabinet Member is required to take into account the content of such a submission when making a decision or making a recommendation for consideration.

3.2.14 RULES RELATING TO PROCEDURES AT A MEETING OF THE CABINET

3.2.15 MINIMUM NUMBER OF MEMBERS PRESENT AND SUBSTITUTION

No business shall be transacted at a meeting of the Cabinet unless at least 50% of the membership is present. No substitute Cabinet Members are permitted.

3.2.16 CHAIR OF THE MEETING

The Leader of the Council will normally preside at meetings of the Cabinet. In the absence of the Leader, the Deputy Leader (if there is one) shall preside. If both the Leader and the Deputy Leader are absent, the Cabinet will elect another Cabinet Member to preside at the meeting.

Council Procedural Rule 3.1.18 applies with regard to the powers and duties of the Chair. It is accepted that the proceedings of the Cabinet may need to be flexible and not structured rigidly in terms of debating process. Accordingly, there are no formal rules of debate set down for the Cabinet. The Chair has wide discretion to rule on conduct, process and procedural matters. However, such rulings shall not be inconsistent with the spirit of the Council Procedure Rules for conducting meetings or debate at meetings.

The Chair will exercise this discretion in a manner which preserves the best interest of the Council and the effective conduct of executive business

3.2.17 RECORD OF ATTENDANCE

The names of the Cabinet Members present during the whole or part of a meeting shall be recorded.

3.2.18 SUSPENSION OF RULES

There are occasions when it is helpful to the effective conduct of a meeting, or for other reasons, not to apply a particular Procedural Rule. It is therefore open to any meeting to suspend one or more of its operational Rules. It is necessary for the suspension of a Rule to be proposed by a Councillor who should make it clear which Rule is being suspended and for how long. A majority of Members present at a meeting must support the proposal to suspend a rule.

3.2.19 QUESTIONS FROM COUNCILLORS AND THE PUBLIC

Councillors and [the Public](#) have the right to put forward questions for answer at a Cabinet meeting, but not at a special/extraordinary Cabinet meeting unless these relate to the business to be discussed. All questions must be submitted in writing (this to include transmission by e mail).

A maximum of 3 questions will be accepted from each member of the Public and from each Councillor (each question to have no more than 2 sub-sections). A question in multiple parts will be treated as a series of individual questions. Notice of the question must be given to the Monitoring Officer no later than close of business 4 clear working days before the day of the meeting (e.g. 5pm on a Thursday for a meeting on the following Thursday).

All questions will be circulated to members of the Cabinet and visiting Councillors and the public in advance of the meeting. There is no requirement of the questioner to read out the question, nor of the relevant Councillor to read out the answer if circulated. Where a written answer is circulated in advance, the relevant Cabinet Member may add to that answer orally at the meeting.

Questions must only be asked of:

- a Cabinet Member (where the matter falls within his or her portfolio) or
- the Leader of the Council or the Deputy Leader (about any aspect of Council policy and practice, service delivery or community interest) or

Councillors can ask up to two supplementary questions per Councillor at a meeting of the Cabinet.

A Councillor who is asked a question may

- nominate another Councillor to reply on his or her behalf;
- indicate that a written answer will be provided, in which case that written answer shall be provided no later than 5 clear working days after the day of the meeting, where practicable.

A question will not be accepted under this Rule if

- it is substantially the same as a question which has been put at a meeting of the Council in the past six months
- it is not about a matter for which the local authority has a responsibility or which affects the B&NES area;
- the answer would require exempt or confidential information to be divulged;
- the subject matter is about an application for a legal consent or permission where there is an alternative process to challenge the decision or to appeal against it or where the question/answer process might prejudice the proper consideration of such an application;
- it is about a matter which has already been lodged with the Council or with another statutory body as a formal complaint;
- is defamatory, frivolous or offensive or of a personal nature in relation to a member of the Council or to its officers;
- it is from an employee concerning matters relating to their own or a colleague's employment.

The text of written questions to Cabinet, and their written or published responses, should contain no reference to political groups/parties.

3.2.20 PETITIONS AND STATEMENTS FROM THE PUBLIC OR COUNCILLORS

Councillors and [members of the Public](#) have the right to put forward petitions and statements at a Cabinet meeting but not at a special/extraordinary Cabinet meeting unless these relate to the business to be discussed. Registering can only be done for the next upcoming meeting of the particular body. The submission must be relevant to the Council and/or the Bath & North East Somerset area. Advance notice of all statements (including those supporting a petition) must be submitted in writing (this to include transmission by e mail) stating the subject matter and must be lodged with the Monitoring Officer no later than close of business 2 clear working days before the day of the meeting at which the submission is to be made (e.g. Monday 5pm for a meeting on a Thursday). Where possible, members of the public and Councillors are strongly encouraged to submit the text of their statement in advance to enable Members to read it before the meeting.

[Guidance](#) is available on drafting/submitting a statement.

There is no minimum number of signatures required for a petition.

A submission under this Rule will not be accepted if

- it seeks to address exempt or confidential matters;
- the subject matter is about an application for a legal consent or permission where there is an alternative process to challenge the decision or to appeal against it or where this Procedural Rule might prejudice the proper consideration of such an application or consent;

- it is about a matter which has already been lodged with the Council or with another statutory body as a formal complaint;
- is defamatory, frivolous or offensive or of a personal nature in relation to a member of the Council or to its officers;
- it is from an employee concerning matters relating to their own or a colleague's employment.

The Chair also has discretion, in consultation with the Democratic Services Officer, to manage the list of public speakers so that a range of topics can be covered.

There is a limit of one hour for items from the Public, extended at the Chair's discretion.

Individual submissions will be limited to a maximum of 3 minutes.

If the submission relates to a general matter not on the agenda for the meeting, it will be taken at the start of the meeting.

If it relates to an item on the agenda for the meeting, the person making the submission will be invited to address the meeting either at the start of the meeting or immediately before the item is debated.

Once the submission has been made, the Chair will invite Cabinet Members, if they require any clarification on the submission, to ask factual questions of the person making the submission. The meeting will then determine what action it wishes to take on the matters contained in the submission.

3.2.21 OTHER OPPORTUNITIES FOR VISITING PUBLIC AND COUNCILLORS TO SPEAK AT MEETINGS

During a meeting of the Cabinet, the Chair may extend an invitation to the public and Councillors in attendance to ask an oral question about, or to comment on, an agenda item. There is no requirement to have given advance notice. Where the Chair decides to exercise such discretion, the contribution from the public or from visiting Councillors will be sought before the meeting moves to a formal debate of the agenda item. The Chair has absolute discretion in such matters. In choosing whether or not to exercise this discretion the Chair shall have regard to the need for expediency and efficiency in the exercise of the meeting's business. See Rule 14 above regarding the right of a Chair of an Overview and Scrutiny body to speak at a meeting of the Cabinet when presenting a report from the relevant body.

3.2.22 EXCLUSION OF PRESS AND PUBLIC

If Council, the Cabinet, Committee or sub-Committee pass a resolution pursuant to Section 100A of the Local Government Act 1972 in accordance with Part 3.5 of this Constitution to exclude the press and public from the whole or part of their proceedings, then the effect of such resolution shall extend to Members of the Council present at the meeting who are not Members of the Committee or sub-Committee concerned: provided that, except when the Committee or sub-Committee are acting in a judicial or quasi-judicial capacity, such Members of the Council shall be permitted to remain if invited to do so by resolution of the Committee or sub-Committee.

A Personal Assistant and/or nominated note taker for a disabled Councillor or other person entitled to remain at a meeting after it has passed a resolution under this Rule, shall also be entitled to remain, provided they have signed an undertaking in advance not to divulge the nature of any exempt or confidential business discussed or submitted.

3.2.23 DISORDERLY CONDUCT

If, at a meeting of the Cabinet, any Member of the Council, in the opinion of the Chair, misconducts her/himself by persistently disregarding the ruling of the Chair, or by behaving irregularly, improperly or offensively, or by wilfully obstructing the business of the meeting, the Chair or any other Member may move "that the Member named be not further heard", and the motion if seconded shall be put and determined immediately without discussion.

If the Member named continues the misconduct after a motion under the foregoing paragraph has been carried the Chair shall -

EITHER move "that the Member named leave the meeting" (in which case the motion shall be put and determined immediately without seconding or discussion):

OR adjourn the meeting for such period as s/he shall consider expedient.

In the event of general disturbance, which in the opinion of the Chair renders the due and orderly despatch of business impossible, the Chair in addition to any other power vested in her/him may, without question put, adjourn the meeting of the Council for such period as s/he in her/his discretion shall consider expedient.

Members shall at all times conduct themselves in a proper, efficient, effective and courteous manner affording due respect to the office of the Chair and to the formality of the Council meeting

3.2.24 DISTURBANCE BY MEMBERS OF THE PUBLIC

The provisions of Rule 3.2.22 (exclusion of the public and press) are without prejudice to any power of exclusion to suppress or prevent disorderly conduct or other misbehaviour at a meeting.

If a member of the public interrupts the proceedings at any meeting the Chair shall issue a warning. If the person continues the interruption, the Chair shall order the person's removal from the meeting room. In case of general disturbance in any part of the chamber open to the public, the Chair may order that part of the meeting room to be cleared and / or may adjourn the meeting for such period as s/he in her/his discretion shall consider expedient.

3.2.25 CALL-IN OF EXECUTIVE DECISIONS

3.2.26 WHO MAY REQUEST A CALL-IN?

Elected Members who do not sit on the Cabinet have the right to request a “call-in” of an executive decision which has been made by the Cabinet, or a person or body to whom the power to make executive decisions has been delegated, but not yet implemented. These decisions could be made by

- the Cabinet
- a Cabinet Member,
- a committee of the Cabinet
- an Officer taking a key decision acting on delegated authority from the Cabinet
- an area committee

3.2.27 SUBMISSION OF A “CALL-IN” NOTICE

A notice requesting a “call-in” of an executive decision shall be in writing and signed by 9 or more elected Members (excluding Cabinet Members) making the request. The request shall be deposited with the Chief Executive. The request shall include individual signatures on the notice or electronic communications from individual Members signifying their support for the call-in. If a Member is unable to communicate in writing or electronically he/she may signify support by telephone but electronic or written confirmation must be received for the call-in to progress. The persons making the call-in request shall state the decision being called in, the decision maker, the date the decision was taken and shall give reasons for the call-in. No Member of the Council is entitled to sign up to more than 5 validated call-in requests in any Municipal Year.

The Chief Executive, and/or the Monitoring Officer, shall determine whether a call-in is valid (ie whether it has been received within 5 working days of the decision being published and requested by the appropriate number of Members and that the decision may properly be called in under the Constitution) and, if so, consult with Overview & Scrutiny Chairs to decide which Panel should consider it.

The Chief Executive, and/or the Monitoring Officer, shall make a report of

any validated call-in to a meeting of the relevant Overview and Scrutiny Panel which shall meet wholly in public within 14 working days of a valid call-in notice being verified.

A decision may only be called in once.

3.2.28 CONSIDERATION BY OVERVIEW AND SCRUTINY PANEL

The Overview and Scrutiny Panel shall consider the issues raised in the “call-in” request and the stated reasons for the request. They have the following courses of action open to them;

- To dismiss the call-in: the decision shall then take effect immediately;
- To refer the decision back to the decision-making person or body for reconsideration, setting out in writing the nature of the Panel’s concerns; or
- To refer the matter to Council to itself undertake the role of the Panel (which may necessitate an additional Council meeting to meet necessary timescales) [NB: the ultimate decision still remains with the original decision maker].

If the Panel consider any aspect of the decision requires further consideration, it must refer it back to the decision maker. If the call-in is dismissed, notification will be made to all interested parties and the original decision can be implemented. No amendments can be made to the decision [Six-month rule applies – Rule 3.2.8]. In total, the Panel shall ensure that the period of overview and scrutiny involvement in an individual call-in shall not exceed 21 working days.

The decision made by the decision maker after considering the report of the Overview and Scrutiny Panel shall be final and will be implemented immediately. There is no further opportunity for “call-in” of the decision.

3.2.30 EXCEPTIONS TO “CALL-IN”

The rights under this Procedural Rule shall not apply in the following circumstances:

- the effect of the call-in alone would be to cause the Council to miss, or fail to comply with or fulfil, a deadline or duty;

The Chair of the Overview and Scrutiny body will consider the advice of the Chief Executive, the Monitoring Officer and/or, where relevant, the Chief Financial Officer before giving agreement.

The request for special urgency, and the agreement of the Chair of the relevant Overview and Scrutiny body, including the advice of the Chief Executive, the Monitoring Officer or the Chief Financial Officer, will be recorded and made public without disclosing exempt or confidential information.

A decision taken under this Rule cannot be called in.

Reports on special urgency decisions: In any event the Cabinet will submit to Political Group Leaders, within 7 working days, details of any executive decisions taken in the circumstances set out in Rule 3.5.16

(Special Urgency).

The Leader will submit to Council annually a report containing details of all decisions taken under Special Urgency provisions.

3.5.17 REPORT TO COUNCIL - KEY DECISIONS

When an Overview and Scrutiny Panel can require a report: If an Overview and Scrutiny Panel thinks that a key decision has been taken which was not:

- a) treated as a key decision; or
- b) the subject of the general exception procedure (Rule 3.5.15); or
- c) the subject of an agreement with the Chair of the relevant Overview and Scrutiny Panel under the Special Urgency Rule 3.5.16; or
- d) the subject of any emergency procedure

that body may require the Cabinet to submit a report to the Council within such reasonable time as it may specify.

The power to require a report rests with the Overview and Scrutiny Panel but it is also delegated to the Chief Executive, who shall require such a report on behalf of the Overview and Scrutiny Panel when so requested by any 10 Members of the Council, other than Members of the Cabinet.

The Cabinet will prepare a report for submission to the next ordinary meeting of the Council.

However, if the next ordinary meeting of the Council is within 10 working days of

- receipt of the written notice by 10 Members, or
- the resolution of the relevant Overview and Scrutiny Panel,

then the report may be submitted to the meeting after that. The report to Council will set out particulars of the decision, the body making the decision, and if the body is of the opinion that it was not a key decision the reasons for that opinion. The report will contain the advice of the Monitoring Officer on whether the decision was or was not a key decision or whether the criteria set down in Rule 3.5.15 or 16 applied.

3.5.18 RECORD OF DECISIONS

After any meeting of the Cabinet or any of its committees, whether held in

public or private, the Monitoring Officer will produce or require the production of a record of every decision taken at that meeting as soon as reasonably practicable (usually within 2 working days of the meeting). The record will include a statement of the reasons for each decision and any alternative options considered and rejected at that meeting. The decision notice will also include a record of conflicts of interests declared by Cabinet Members, and any dispensations granted by the Monitoring Officer.³

This record (ie the minutes of the meeting) will normally be published with the weekly schedule referred to in Access to Information Rule 3.5.21 below.

3.5.19 EXECUTIVE MEETINGS RELATING TO MATTERS WHICH ARE NOT KEY DECISIONS

There will be no distinction made between the categories of business to be considered by the Cabinet, in terms of its relevance or not to “key” decisions. All formal meetings of the Cabinet will be held in public.

3.5.20 DECISIONS BY INDIVIDUAL CABINET MEMBERS OR ANY INDIVIDUALS/ BODIES AUTHORISED TO MAKE EXECUTIVE DECISIONS

Where an individual Cabinet Member (or individual/body authorised to make executive decisions as set out in rule 3.2.1) receives a report which s/he intends to take into account in making any key or other decision, then s/he will not make the decision until at least 5 clear working days after the publication by the Chief Executive of that report and the proposed decision. Information about such reports and proposed decisions shall be published within such a time table as will allow a period of 5 clear working days to elapse before the individual Cabinet Member (or authorised individual/body) makes her or his decision (see Rule 3.5.21 below).

As soon as reasonably practicable after an executive decision has been taken by an individual Cabinet Member (or authorised individual/body), s/he will provide, or arrange to provide, full details to the Chief Executive who will publish a record of the decision, a statement of the reasons and rationale for the decision and any alternative options considered and rejected. The decision notice will also include a record of conflicts of interests declared by Cabinet Members (or authorised individuals/bodies), and any dispensations granted by the Monitoring Officer.⁴ This record will be published in

³ The power to grant dispensations was delegated from the Head of Paid Service to the Monitoring Officer by resolution of Council on 8th November 2012

⁴ As 1

accordance with the provisions of Rule 3.5.21.

The provisions of Rules 3.5.7 (Access to minutes) and 3.5.8 (Background Papers) will also apply to the making of decisions by individual Cabinet Members (or authorised individuals/bodies). This does not require the disclosure of exempt or confidential information.

3.5.21 PUBLICATION RELATING TO EXECUTIVE DECISIONS

All proposed decisions, and actual decisions taken by individual Cabinet Members, by Officers (in respect of key decisions only) or decisions taken by the Cabinet itself, will be published by the Chief Executive. Publication will include details of the reasons and rationale for any decision, options considered and rejected, consultation undertaken and background papers open to inspection. This process is known as the “Weekly List” process.

Proposed decisions of individual Cabinet Members cannot be taken until a period of at least 5 working days has elapsed after the date of publication. This is to ensure an opportunity is given for views to be expressed by interested persons. This publication period will also serve as a requisition period within which any individual Cabinet Member may give written notice requiring the Chief Executive to place a proposed decision by a Cabinet Member instead on the next available agenda for the full Cabinet. *(Such a notice will have the effect of cancelling the delegated power of the individual Cabinet Member to make the decision on that matter – See Executive Procedure Rules.)*

Decisions taken by the Cabinet or an individual Cabinet Member or an Officer (in the case of a “key” decision) cannot be implemented until a period of 5 clear working days has elapsed after the date of publication of the decision taken. This is to allow for the possibility of “call-in”. The call-in rules (and exemptions) are set out in Section 3.2.24 of the Constitution.

3.5.22 OVERVIEW AND SCRUTINY COMMITTEES ACCESS TO DOCUMENTS

Subject to the limits set out below, an Overview and Scrutiny Panel will be entitled to copies of any document which is in the possession or control of the Cabinet or its committees or officers and which contains material relating to

An Overview and Scrutiny Panel will not be entitled to

Members will need to rely on the general public's right of access to such information or any right to request such information as they may have in terms of the Freedom of Information Act set out below.

Freedom of Information Act – Where the Local Government Act 1972 and related regulations do not identify a statutory route of access, an Elected Member may request access to Council information under the provisions of the Freedom of Information Act 2000. These requests will be accessed according to the Act and the Council's Freedom of Information policy and procedure.

3.5.24 KEY DECISIONS BY INDIVIDUAL OFFICERS – RECORD OF DECISION

As soon as reasonably practicable after a key decision has been taken by an officer, usually within 2 working days of the decision, he/she will prepare a record of the decision, a statement of the reasons / rationale for it and any alternative options considered and rejected. The "Weekly List" shall include information about key decisions made by Officers. The provisions of Rules 3.5.7 and 3.5.8 (inspection of documents after meetings) will also apply to the making of key decisions by Officers. This does not require the disclosure of exempt or confidential information.

3.5.25 DECISIONS BY INDIVIDUAL OFFICER DELEGATED FROM CABINET – RECORD OF DECISION

When Cabinet delegates a specific responsibility to an officer to undertake a course of action, the officer **must** record the date and details of the decision on the Officer delegated decision register.

3.5.26 DECISIONS BY OFFICERS

Certain decisions by officers on matters that are non-executive functions need to be recorded. These are decisions;

- a) that have been delegated to the officer under a specific express authorisation, and

- c) The reasons for taking that decision;
- d) Details of any alternative options considered and rejected;
- e) Details of any declarations of interest made by any Councillor consulted by the officer or declared when granting the specific authorisation to take the decision.

It is the duty of the officer taking the decision to make the record as soon as reasonably practicable after the decision has been taken. The record and any background papers must be made available to the public and must be put on the Council's website. The record must be kept for 6 years.

3.5.27 ACCESSIBLE FORMATS

Any document required to be produced under the provisions of this Constitution, or any document produced in connection with this Constitution, will be produced in accessible formats where such a format is specifically requested or is considered reasonable by the Head of Legal and Democratic

3.6 EMPLOYMENT PROCEDURE RULES

3.6.1 RECRUITMENT AND APPOINTMENT

The Council will require any candidate for employment to state in writing on their application form whether they have any relationship; e.g. via family, kinship etc to an existing Councillor or officer of the Council, or of the partner of such persons.

(b) Seeking support for appointment.

i) the Council will disqualify any applicant who directly or indirectly seeks the support of any Councillor for any appointment with the Council. This will be stated in recruitment information.

ii) no Councillor will seek support for any person for any appointment with the Council. This does not preclude a Member from giving a written testimonial of a candidate's ability, experience or character for submission to the Council with an application for appointment. However, the Member will not give such a testimonial if s/he takes part in any stage of the appointment process.

3.6.2 RECRUITMENT OF HEAD OF PAID SERVICE AND CHIEF OFFICERS

Where the Council proposes to appoint a Head of Paid Service or a Chief Officer [i.e. Executive Director - Chief Operating Officer & Directors] and it is not proposed that the appointment be made exclusively from among their existing officers, the Council will draw up a statement specifying

- a) the duties of the post concerned; and
- b) any qualifications or qualities to be sought in the person to be appointed;
- c) make arrangements for the post to be advertised in such a way as is likely to bring it to the attention of persons who are qualified to apply for it; and
- d) make arrangements for a copy of the statement mentioned in (a) to be sent to any person on request.

3.6.3 APPOINTMENT OF HEAD OF PAID SERVICE; MONITORING OFFICER AND CHIEF FINANCIAL OFFICER

The full Council will approve the appointment of the Head of Paid Service,

the Monitoring Officer and the Chief Financial Officer following the recommendation of such an appointment by the Restructuring Implementation Committee of the Council. That Committee must include at least one Member of the Cabinet for this purpose.

The full Council may only make or approve the appointment of the Head of Paid Service where no well-founded objection has been made by any Member of the Cabinet.

(The provisions of this Procedural Rule reflect a mandatory Regulation. It is not permitted therefore to suspend this Rule)

3.6.4 APPOINTMENT OF EXECUTIVE DIRECTOR - CHIEF OPERATING OFFICER AND OTHER DIRECTORS

The Restructuring Implementation Committee of the Council will appoint the Executive Director - Chief Operating Officer and other Directors reporting directly to the Chief Executive (and any deputy for such a post). That Committee must include at least one Member of the Cabinet when dealing with any such an appointment.

An offer of employment as Executive Director - Chief Operating Officer or Director post (or the deputy of such a post) shall only be made where no well-founded objection from any Member of the Cabinet has been received.

(The provisions of this Procedural Rule reflect a mandatory Regulation. It is not permitted therefore to suspend this Rule)

3.6.5 APPOINTMENT OF HEADS OF SERVICE AND SENIOR MANAGERS

The appointment of Heads of Service and Senior Managers reporting to a Director is the responsibility of the relevant Director or their nominee, and may not be made by Councillors.

An offer of employment as a Head of Service or a Senior Manager reporting to a Director (or the deputy of such a post) shall only be made where no well-founded objection from any Member of the Cabinet has been received.

3.6.6 APPOINTMENT OF OFFICERS BELOW HEAD OF SERVICE LEVEL

The appointment of Officers below the level of a Director, Head of Service or a Senior Manager reporting to a Director, is the responsibility of the relevant Director, Head of Service or Senior Manager or their nominee. Such an appointment shall not be made by Councillors.

3.6.7 APPOINTMENT OF ASSISTANTS TO POLITICAL GROUPS

Section 9 of the Local Government and Housing Act, 1989 requires

Council's Standing Orders [now these procedural Rules] to include certain provisions relating to the appointment of assistants to political groups.

Under these legal provisions, these Rules provide that each Political Group making up the membership of the Council shall be allocated one post of Political Assistant. The purpose of this post is to provide assistance to the Members of the Group in discharging any of their functions as Members of the Council. The following conditions apply:

- a) The Council must first agree to allocate such a post to each political group that qualifies for one (Note: It is open to a political group to decline to have such a post, even though it is entitled to have one)
- b) The Council is not legally allowed to allocate such a post to a political group which does not satisfy the legal criteria for a post; and
- c) No political group is allowed more than one such post.

Any allocation or appointment to these posts shall be subject to the provisions contained in Section 9 of the Local Government and Housing Act, 1989.

Such posts shall be filled from time to time by the Head of Legal and Democratic Services in accordance with the wishes of the relevant political group.

(Non-statutory provisions from here on)

Assistants to political groups have the same rights of access to information as the Councillors for whom they work, subject to legal provisions.

Assistants will be expected to maintain confidentiality when private business is discussed with them or in their presence. They will be permitted to attend private sessions of meetings on the same basis as Councillors, subject to legal provisions.

Assistants are employees of the Council, but are accountable to the relevant Political Group Leader or other nominated Group Members in terms of day to day operational management and workload.

The above non-statutory provisions shall apply also to the appointment by the Head of Legal and Democratic Services of Political Group Support Officers, where such posts are approved by the Council to support political groups that would otherwise not qualify for one of the statutory Political Assistant posts.

3.6.8 DISCIPLINARY ACTION AND DISMISSAL

All Chief Officers including the Head of Paid Service, Monitoring Officer and Chief Financial Officer may be suspended whilst an investigation takes place into alleged misconduct. That suspension will be on full pay.

3.6.9 INDEPENDENT PERSONS.

- a) The Council must appoint an [Independent Persons Panel](#) , with a view to appointing at least two such persons.
- b) The Council must appoint a Panel at least 20 working days before a meeting (“the relevant meeting”) of the Council to consider whether or not to approve a proposal to dismiss a relevant officer of the Council
- c) Before taking a vote at the relevant meeting on whether or not to approve such a dismissal the Council must take into account, in particular:
 - Any advice, views or recommendations of the Panel;
 - The conclusions of any investigation into the proposed dismissal; and
 - Any representations from the relevant officer

(The provisions of this Procedural Rule reflect a mandatory Regulation. It is not permitted therefore to suspend this Rule).

Dismissal of, and taking disciplinary action, against any employee of the Council other than the Head of Paid Service, Monitoring Officer or Chief Finance Officer will be the responsibility of a Chief Officer, Deputy Chief Officer or appropriate senior officer nominated by a Chief Officer.

3.6.10 CONSULTATION WITH CABINET

For each appointment to or dismissal to a post referred to in Rules 3.6.3 to 3.6.5 above, neither an offer of employment of such an Officer, nor the giving of notice of dismissal may be made until every Member of the Cabinet has been notified by the Chief Executive or his nominee of the proposed appointment or dismissal and given a period within which to make objections to the proposal through the Leader of the Council.

If the Leader of the Council informs the Chief Executive or his nominee that

s/he or another Executive Councillor has an objection then its basis must be specified and the Committee or Officer making the appointment or proposing the dismissal must consider the objection and may only proceed if s/he considers it not to be material or not well founded.

If the Leader indicates to the Chief Executive or his nominee that neither s/he nor any other Executive Councillor has any objection to the making of the offer of appointment, or if the Leader fails to give an indication by the close of the period given for objections, the offer or notice may be implemented.

3.7 POLICY AND BUDGET FRAMEWORK PROCEDURE RULES

3.7.1 THE FRAMEWORK FOR EXECUTIVE DECISIONS

The Council will be responsible for the adoption of its Policy and Budget Framework. Once the Policy and Budget Framework is in place, it will be the responsibility of the Cabinet and/or officers to implement it and, subject to the provisions below, to act in accordance with it.

3.7.2 PROCESS FOR DEVELOPING THE POLICY AND BUDGET FRAMEWORK AND THE DEFINITION OF THE FRAMEWORK

The Cabinet will publicise, by including in the forward plan and by other methods, a timetable for making proposals to the Council for the adoption of any plan, strategy or budget that forms part of the Policy and Budget Framework and its arrangements for consultation after publication of those initial proposals. The plans and strategies which form the Policy and Budget Framework are:

- Development Plan Documents (including the Local Plan/and any neighbourhood plans); and all plans and alterations which together comprise the Development plan
- Children and Young Peoples' Plan
- Youth Justice Plan
- Local Transport Plan
- Licensing Authority Policy Statement
- Crime & Disorder Reduction Strategy

For each of the plans and strategies that form the Policy and Budget framework, the Council shall be given an opportunity informally to discuss the emerging plan/strategy and related issues in advance of the Cabinet considering its formal recommendations to the Council.

The consultation process on any of the above plans and strategies will include an invitation to the relevant Overview and Scrutiny Panel to comment. It shall be open to the relevant Overview and Scrutiny Panel to

comment as part of the Council's informal consideration of the emerging plan or during the formal consultation period. At the end of the consultation period, the Cabinet will draw up firm proposals having regard to the responses to that consultation. Failure of an Overview and Scrutiny Panel to respond or offer views shall not of itself cause any delay in the programming of a particular decision on such matters through the Cabinet and the Council.

The report of the Cabinet to the Council will identify any views given through consultation and the response of the Cabinet to the points raised in such views. Once the Cabinet has devised firm proposals, the Chief Executive will refer them at the earliest opportunity to the Council for decision. The Council must then consider whether it has any objection to the Cabinet's proposals. Objections will take the form of suggestions to amend the proposals by the substitution of different proposals, the deletion of proposals or the insertion of new proposals.

The majority of those present and voting may pass a resolution objecting to the Cabinet's proposals. Such resolution will indicate the nature of the objections and will constitute an instruction to the Leader of the Council requiring the Cabinet to re-consider their proposals in the light of those objections.

On receipt of details of the objections, the Council Leader may, on behalf of the Cabinet:

- i. revise the proposals and notify the Council of the reasons for the revision; or
- ii. inform the Council that the Cabinet disagrees with the Council's objections and explain the reasons for the disagreement.

Once a period of at least 5 clear working days has elapsed following the notification to the Leader of the Council of the objections (in effect starting with the working day after the first Council meeting) the Council will reconvene to consider the Cabinet's response to the objections. When making its final decision on the proposal (which will be by a simple majority) Council will take into account any amendments the Cabinet has made to the proposals and the reasons for such amendments, together with the reasons for any disagreement the Cabinet has with the other objections notified to it.

The Council will then proceed to decide on the proposal in the normal way. The Council will be free to amend the proposals put forward only insofar as the substance of its objections to them has been notified to the Cabinet in accordance with the preceding paragraphs.

It will be a matter for the Council to decide whether or not any changes that are to be proposed to the recommendations put forward by the Cabinet are of such significance as to amount to "objections" to the Cabinet's proposals.

The Chief Executive, following consultation with the Monitoring Officer, will offer advice to the meeting in this respect.

3.7.3 MOTION IN COUNCIL INVOLVING INCREASED EXPENDITURE

When a motion or amendment is proposed at a Council meeting, other than as a result of a recommendation or report from the Cabinet, and the motion or amendment would either involve expenditure not provided for in the budget/MTFP, or a reduction in income anticipated by the budget/MTFP, and the motion does not identify from where the required additional funding or equivalent amount of income can be provided, then the motion, or amendment, if carried, must be referred to the Cabinet and Executive Director - Resources (S151) for consideration, prior to its reconsideration by Council.

3.7.4 DECISIONS OUTSIDE THE POLICY AND BUDGET FRAMEWORK

The Cabinet, a Committee of the Cabinet, Cabinet Members and any Officers, Area Committees or joint arrangements discharging executive functions (defined under Part 2 of the Constitution) may only take decisions which are in line with the Policy and Budget Framework. If any of these bodies or persons wishes to make a decision which is contrary to the Policy and Budget Framework, or contrary to or not wholly in accordance with the budget approved by the Council, then that decision may only be taken by the Council, subject to Rule 3.7.5 below.

The Monitoring Officer or the Chief Financial Officer shall give advice to the meeting or person making the decision about any proposal that is likely to be contrary to the Policy and Budget Framework. If the advice of either of those officers is that the decision would not be in line with the existing Policy and Budget Framework then the matter must be referred by that body or person to the Council for decision. This shall not apply if the decision is required as a matter of urgency, in which case the provisions within Rule 3.7.5 (Urgent decisions outside the Policy and Budget Framework) shall apply.

3.7.5 URGENT DECISIONS OUTSIDE THE POLICY AND BUDGET FRAMEWORK

The Cabinet, a Committee of the Cabinet, Cabinet Members, Officers, Area Committees or joint arrangements discharging executive functions may take a decision which is contrary to the Policy and Budget Framework if the decision is a matter of urgency. However, the decision may only be taken:

- i. if it is not practical to convene a meeting of the full Council; and
- ii. if the Chair of the relevant Overview and Scrutiny Panel (or their

Vice-Chair) agrees that the decision is a matter of urgency.

The reasons why it is not practical to convene a meeting of full Council must be recorded, along with the decision of the Chair of the Overview and Scrutiny Panel. Before such a decision is taken the advice of the Chief Executive, the Monitoring Officer and, where relevant, the Chief Financial Officer shall be sought and taken into account. Following the decision, a full report will be made to the next available Council meeting explaining the decision, the reasons for it and why the decision was treated as a matter of urgency.

3.7.6 REVIEW OF DECISIONS AND PLANNED DECISIONS OUTSIDE THE POLICY AND BUDGET FRAMEWORK

Where an Overview and Scrutiny Panel believes that an executive decision is, (or if not yet made would be), contrary to the Policy and Budget Framework then it shall seek the advice of the Monitoring Officer and/or the Chief Financial Officer. In respect of functions which are the responsibility of the Cabinet, the Monitoring Officer and/or Chief Financial Officer shall submit a report to the Cabinet with a copy to every Member of the Council. Regardless of whether the decision is delegated or not, the Cabinet must meet to decide what action to take in respect of the Monitoring Officer's/Chief Financial Officer's report.

The Cabinet must submit a report on its proposed action:

- to Council in the event that the Monitoring Officer or the Chief Financial Officer concludes that the decision was contrary to the Policy and Budget Framework, and
- to the appropriate Overview and Scrutiny Panel if the Monitoring Officer or the Chief Financial Officer concludes that the decision was not contrary to the Policy and Budget Framework.

If the decision has yet to be made, or has been made but not yet implemented, and the advice from the Monitoring Officer and/or the Chief Financial Officer is that the decision is or would be contrary to the Policy and Budget Framework, the Overview and Scrutiny Panel will refer the matter to the next ordinary meeting of Council. In such cases, no further action will be taken in respect of the decision or its implementation until the Council has met and considered the matter.

The Council meeting will receive a report of the decision or proposals and the advice of the Monitoring Officer and/or the Chief Financial Officer. The report shall also contain the Cabinet's proposals for resolving the relevant Policy and Budget Framework issues. Any such proposals of the Cabinet shall be dealt with in accordance with the procedures described in Policy and Budget Framework Rule 3.7.2 above.

3.7.7 IN –YEAR CHANGES TO THE POLICY AND BUDGET FRAMEWORK

There are 3 ways in which a Policy and Budget Framework item can be changed in year, namely:

- on a recommendation of the Cabinet;
- arising from a report of an Overview and Scrutiny Panel
- by a Member tabling an agenda motion for a Council meeting which is then carried on a vote.

Decisions by the Cabinet, and individual Cabinet Member, an Officer, a Committee of the Cabinet, or a Joint Arrangement in discharging an executive function must be in line with the Policy and Budget Framework.

Those bodies and individuals may not make any changes to any plan or strategy that makes up the Policy and Budget Framework except those changes:

- a. which will result in the closure or discontinuance of a service or part of service to meet a budgetary constraint;
- b. necessary to ensure compliance with the law, ministerial direction or Government guidance;
- c. in respect of a policy which would normally be agreed annually by the Council following consultation, but where the existing policy document is silent on the matter under consideration;
- d. which relate to policy in relation to schools, where the majority of school governing bodies agree with the proposed change;
- e. which are allowed by Financial Regulations or by the Budget Management Scheme.

In respect of changes to the Policy and Budget Framework made under these provisions, such changes will be reported to the next meeting of the Council.

For those changes to the Policy and Budget Framework which are submitted for approval by the Council, the procedure at Policy and Budget Framework Procedure Rule 3.7.2 shall apply.

3.7.8 SPECIAL PROCEDURE RULES RELATING TO THE BUDGET AND MEDIUM TERM FINANCIAL PLAN (MTFP) ELEMENT OF THE POLICY AND BUDGET FRAMEWORK

The Cabinet has the responsibility to prepare and propose a draft Budget

and MTFP to Council for its approval.

Cabinet will recommend to Council a budget that includes the allocation of resources to different services and projects, setting the council tax, and decisions relating to the control of its capital expenditure and borrowing requirement.

Section 31A of the Local Government Finance Act 1992 requires budget calculations to be made before 11th March, but they are not invalid merely because they are made on or after 11th March.

The Council has two options available to it at the budget setting meeting. It can object to specific parts of the proposals and if it does so, must require the Leader on behalf of Cabinet to reconsider its proposals. The Council is required to give the Cabinet reason(s) why it considers those proposal(s) should be changed and it is then for the Cabinet to consider those proposed changes and the reasons put forward. Alternatively, it is open to the Council to accept the budget in its proposed form at the meeting, in which case no further action is necessary.

Council may then determine the budget on the basis of the Cabinet's recommendations, plus any insignificant changes adopted as amendments at the Council meeting.

Alternative Budget Proposals

Any alternative budget proposals must be finalised and submitted to the Section 151 Officer at least 3 working days before the day of the meeting – so by 5pm Wednesday for the following Tuesday's budget meeting.

If alternative proposals to those contained in the budget report are moved at the budget setting meeting, the Chief Finance Officer will need to consider if the estimates or proposed financial reserves contained in the report are affected and whether a further report on the robustness of the budget (which may be oral) is required under section 25 of the Local Government Act 2003.

If the Chief Finance Officer is unable to report on the estimates or the reserves because of the lateness of the alternative proposals, then they will **not** be able to comply with the statutory requirement.

The Council itself (on advice from the Chief Executive) will decide whether any amendment to the budget proposals is of such significance as to amount to an "objection" to the budget to require reconsideration by the Cabinet.

If a significant proposal is accepted on a vote at Council (from those proposals notified at the Cabinet meeting), this stands as a formal objection and will be referred to the Leader to secure consideration by the Cabinet and report back to the reserve Council budget meeting.

Once Cabinet has considered the objections, it is required to put its

proposals (which may or may not be revised) back to the reserve Council budget Meeting. If the Cabinet does not agree with Council's views on a proposed change, it is required to state why and the Council can then take those reasons into account, along with its original thoughts as to why the change was desirable. At the meeting, it is open to Council to take such decision as it sees fit on any variation from the budget as originally proposed that has been the subject of consideration under the process outlined above.

The Council's Budget and MTFP forms part of the Council's Policy and Budget Framework. However, good financial management requires that some flexibility for in-year changes is permitted. The Budget Management Scheme provides the parameters for such changes and should be read in conjunction with these Procedural Rules for adopting and amending the Policy and Budget Framework.

The purpose of the Budget Management Scheme is:

- a. To ensure that income and expenditure is in line with the agreed Council budgets and operational plans (consistency of purpose), and,
- b. To maintain overall Financial control of Council income and expenditure

In-year changes to the Budget and MTFP may be made by the Council in response to:

- a. a report and recommendation of the Cabinet
- b. Overview and Scrutiny business
- c. a successful agenda motion from a Councillor (where necessary, following consideration of Officer advice)

In addition, the Budget Management Scheme applies to the approved Budget and future years MTFP. This is to ensure that Council determines any changes in budgets that are contrary to the Policy and Budget Framework, and that specific items allocated by Council in the MTFP and Budget are not used for purposes other than those originally intended whilst allowing fortuitous or unplanned savings to be retained under certain conditions.

In these Budget Management Rules, all references to "Heads of Service" refer also to all senior managers reporting directly to Directors. In addition, they also refer to Directors where they have specific responsibility for a budget, e.g. a corporate project.

3.7.9 MANAGEMENT OF APPROVED BUDGET / MTFP

The Cabinet and, where authority is delegated to them to do so, Officers may authorise expenditure included within the approved budget/MTFP. Approval levels and officer delegation is set out in the Council's Financial Regulations.

Financial management of the Capital Programme will be undertaken in accordance with the approved Budget Management Scheme for Capital Budgets.

Council approval will be required for all new capital schemes or acquisitions or developments which require the use of prudential borrowing that is outside the budget.

3.7.10 MONITORING OF BUDGET AND MTFP

Cabinet will monitor the budget/MTFP and ensure its delivery and shall make recommendations to Council where amendments are deemed appropriate or necessary.

3.7.11 FINANCIAL REGULATIONS

The [Financial Regulations](#) define the boundaries within which we operate to effectively manage risk. They clarify roles and responsibilities and provide a framework for decision making to ensure a robust control framework and scheme of delegation for financial decision making.

3.7.12 FINANCIAL SCHEME OF DELEGATION – SUMMARY OF DELEGATION LEVELS

In the constitution, the Policy and Budget framework sets out the delegation of financial responsibility and budget spending limits to the officers of the Council, in conjunction with the Executive.

This Financial Scheme of Delegation outlines officers' delegation levels, details the responsibility levels that council officers hold to make financial related decisions on spending, income and other financial related issues and sets out the approved financial limits within which authorised officers may conduct council business.

If an officer is unclear of their delegation level when making a relevant financial decision, this should be discussed with the relevant Executive Director prior to any financial decisions being made.

The Financial Regulations themselves are also made up of several Codes of Practice and specific policies such as the Debt Management and Disposal of Property Assets policies which should be read in conjunction with this scheme of delegation.

What is a KEY Decision?

Key decisions are those decisions which are of significance either in money terms (to be spent or saved) or in terms of community impact. They do not include the day-to-day operational service management decisions taken by Officers

A “**key decision**” is defined in law as one which is likely to:

- result in the local authority incurring expenditure, or the making of savings, over a financial threshold of £500k; and/or
- be significant in terms of its effects on communities living or working in an area comprising two or more wards or electoral divisions in the area of the local authority.

The definition of key decision does not apply to proposals or decisions of the Leader acting in their capacity as Shareholder of a Local Authority Company owned or operated by the Council.

Key decisions are reserved to Cabinet or are Single Member Decisions (SMD) unless specifically delegated to an officer (ODD) by a Cabinet /SMD decision. The following approved financial limits do not override the need to ensure a key decision is taken through the appropriate decision route.

OVERVIEW

Bath & North East Somerset Council's Contract Standing Orders ("CSOs") form part of the Council's Constitution and, as such, they are publicly available. Whilst the CSOs direct how the Council procures goods, services and works⁵, they also provide any supplier with a roadmap of how the Council undertakes our procurement activities.

Note: the term 'supplier' in this document relates to a bidder in a procurement process, in line with the terminology of the Procurement Act 2023 and government guidance.

⁵ See definitions of goods, works and services in Appendix 1 – Glossary

A Statement of Principles

Mandatory Compliance

Council Officers must comply with these CSOs in all instances when buying goods, services and works on behalf of the Council and failure to comply may result in disciplinary procedures.

General Principles

These CSOs provide the framework that governs the Council's commissioning and procurement of Contracts for goods, services and works. Following these CSOs ensures the Council can demonstrate:

good internal governance and effective decision making

stewardship and the proper spending of public monies

Value for Money in the Council's Contracts

transparency around the Council's procurement decisions

integrity and fairness

compliance with relevant law

The purpose of all contracting activity is to:

seek continuous improvement of the Council's functions having regard to the optimum combination of economy, efficiency and effectiveness in keeping with the Council's duty to seek Best Value (and Value for Money)

achieve Value for Money for the Council and the Residents, with reference to the economic, social and environmental value of each Contract

promote the well-being of the Council's Residents and Area through the effective functioning of the Council, the efficient use of the Council's resources

Every Contract and official order made by the Council (or any part of it) shall be for the purpose of achieving fulfilment of the Council's statutory functions or the furtherance of the Council's strategic or policy goals.

The Appendices to these CSOs provide further detail and form part of these CSOs as if they were drafted as one document. The CSOs can only be altered by agreement of Council as they are part of the Council's constitution. Any questions about the application of these CSOs should be directed to the Head of Legal and Democratic Services and/or the Head of Procurement.

All figures in these CSOs are inclusive of VAT unless stated otherwise.

Directors will:

ensure that the appropriate member, Cabinet or full Council (as appropriate given the Financial Scheme Financial Delegation) is engaged on procurement activity, including relevant decision notices and Key Decisions

ensure that audit trails are in place for all procurement activity in accordance with these CSOs

ensure that procurement and contract management activity is sufficiently and appropriately resourced

Council Members will:

approve Key Decisions where relevant

sign-off pre-procurement approvals where relevant

not be permitted to form part of the process once the procurement exercise is active

ensure that their actions do not compromise or impact on the due process

The Council must have regard to four specific objectives when conducting a procurement activity⁶.

The importance of delivering value for money

Maximising public benefit

Sharing information, and

Acting (and being seen to act) with integrity

What these CSOs Cover

These CSOs apply:

whenever the Council intends to spend money (or provide other payments in kind) under Contracts for goods, services or works

to expenditure from either capital or revenue sources

to concessions

to Officers, Members and any person or organisation conducting procurement or contract management activity on behalf of the Council

to all bodies where the Council acts as the Lead Authority

regardless of the original funding source the Council is using for the Contract (note however that grant funding received by the Council may have additional procurement stipulations that must be adhered to)

These CSOs do not apply:

to contracts of employment

⁶ Section 12 of the Procurement Act 2023

to acquisitions and disposals of land or buildings (these are covered by the Financial Regulations) – unless related to a Contract for goods, services or works

to the seeking of offers in relation to financial services in connection with the issue, purchase, sale or transfer of securities or other financial instruments, in particular transactions by the Council to raise money or capital

to internal Service Level Agreements between departments within the Council

in the case of individual investments which are not deemed as the purchase of goods or services for the purposes of the Council's CSOs

to grants given by the Council to another organisation

to goods for re-sale

The following entities have their own rules and are not bound by these CSOs, except where they participate in joint purchasing with the Council:

maintained schools within the Area

companies in which the Council has an interest except for Local Housing Development Vehicles and situations where there is a Local Authority Trading Company

In exceptional circumstances only, certain exemptions can be approved by following the process set out at [Appendix 2 - CSO Exemptions](#). Seeking an exemption from these CSOs does not exempt the Council from complying with the General Principles or with general law and a Contract must always be put in place.

Relevant Procurement Law and Policies

When procuring and managing Contracts the Council must comply with all relevant law, which may include, but is not limited to:

Procurement Act 2023 (PA23)

Procurement Regulations 2024 (PR24)

The Health Care Services (Provider Selection Regime) Regulations 2023 (PSR)

Public Contracts Regulations 2015 (PCR)

Concession Contracts Regulations 2016 (CCR)

Equality Act 2010

Note: The Procurement Act 2023 (and associated secondary legislation) came into force on 24 February 2025. All procurements (or procurements in process) prior to 24 February 2025 will be subject to the rules of the Public Contracts Regulations 2015, including the post-award requirements. All procurements being undertaken from 24 February 2025 will follow the Procurement Act 2023 rules in all aspects.

Officers must have regard to all relevant Council policies and strategies when procuring and managing Contracts, including:

The Council's Constitution

The Financial Regulations

Corporate Strategy

Employee and Member Codes of Conduct

Procurement Strategy

Social Value Policy

Should there be a conflict between relevant legislation and these CSOs, the legislation will take priority over the CSOs.

Contracts Pipeline

Under the Procurement Act 2023 there is a requirement to publish a pipeline of contracts due to be let over the following eighteen-month period from the 1st April in any given year. This publication must be made within 56 days of the end of the financial year. This requirement relates to contracts with a value of £2,000,000 and above; this threshold includes VAT.

To enable the Council to keep track of budgets and plan for future expenditure, and for suppliers and the local community to be aware of upcoming procurement activity, all procurements over £100,000 must be entered on the enhanced Contracts Pipeline which is published on the Council's public website. Applications to make an entry on the Contracts Pipeline must be made via the Strategic Procurement Team.

B Commissioning and Procurement Planning

Planning

Directors and service managers must consider the appropriate Procurement Gateway (section 13) as well as the potential procurement and contract management implications through the service planning process. Potential future procurement activities must be added to the Council's Contracts Pipeline (see paragraph 4) and officers must engage with the Strategic Procurement Team and with the approvals and Key Decision process (where appropriate) as soon as the need is identified, in order to ensure sufficient time to complete the required processes.

Budgetary approval

Before starting the procurement, you must have budgetary approval. You must establish the aggregated monetary value of your requirement early, as this identifies the process that you follow and the relevant Public Procurement Law that you need to follow, in addition to influencing the level of interest that will be generated.

Key stakeholders

You must identify the key stakeholders for the project including anyone impacted by the requirement. You should consider doing a Communications Plan for larger projects. You must be mindful of any Conflict of Interest and take necessary precautions to ensure that if there is a conflict, it is mitigated and/or managed. See guidance on Conflicts of Interest available on the Procurement Intranet pages.

Proportionality

You must conduct a process that is proportionate to the nature, complexity, value and risks of the requirement. This includes actions that we can take to make our processes more accessible to SMEs by having regard to barriers facing SMEs and considering what can be done to overcome them.

Preliminary Market Engagement

The Procurement Act 2023 explicitly permits preliminary market engagement, particularly for the purposes of:

- Developing the Council's requirements and approach to a procurement

- Designing a procedure, conditions of participation or award criteria

- Preparing the tender notice and associated tender documents

- Identifying suppliers that may be able to supply the goods, services or works required

- Identifying likely contractual terms

- Building capacity among suppliers in relation to the contract being awarded

See guidance available on the Procurement Intranet pages regarding Preliminary Market Engagement.

You must keep adequate records of market engagement carried out.

Value

You must carefully estimate the value of the Contract in order to determine which procurement procedures can be used and to ensure that the relevant elements of Public Procurement Law are applied.

The contract value is calculated as follows: the estimated annual value x the length of the contract (years) including any proposed extension periods⁷.

Contract values must include VAT where this is payable.

If you are unsure of the contract value or length, the value must be assumed to be over the relevant legislative threshold and a fully compliant procurement process run. Note however that where PSR applies to your procurement, this will apply at all values as there are no PSR thresholds.

Category of Procurement

It is essential to determine the nature of the goods, services or works being procured as this ensures that the relevant Contract Standing Orders are applied and that the correct Public Procurement Law is applied to procure the Contract.

Officers need to determine which of the following categories their procurement activity falls into⁸:

Goods and Services

Light Touch Services (as defined in [Schedule 1 of the PR24](#))

Healthcare services covered by the Provider Selection Regime (as defined in [Schedule 1 of PSR](#))

Works

Concession Contracts

Frameworks

Officers must establish whether there is an existing Council Framework, Dynamic Market or Dynamic Purchasing System or Contract that may be used to procure the

⁷ Concessions contract values are calculated differently, as the best estimate of the financial value to the Contractor that shall be made over the life of the arrangement. [See Schedule 3, Paragraph 3 of PA23 for details.](#)

⁸ Officers should note that there are some exemptions to Public Procurement Law e.g. research and development, some contracts with other authorities and with some Local Authority Trading Companies – advice around these exemptions must be sought from the Strategic Procurement Team

requirement. Where such an agreement exists that is appropriate for the requirement this should be used, rather than commencing a new procurement process.

Frameworks, Dynamic Markets and Dynamic Purchasing Systems established by other Contracting Authorities may be considered, where it can be evidenced that they will provide best value for money. Such external tools must only be utilised where it can be evidenced that:

Your requirements are covered by the scope of the arrangement

The arrangement is current

The arrangements have been established by a Contracting Authority

The arrangements allow for access by B&NES Council

The terms and conditions are appropriate and acceptable

Use of external Frameworks, Dynamic Markets and Dynamic Purchasing Systems must be in line with the rules of the Framework, Dynamic Market or Dynamic Purchasing System being used, as set out by the establishing Contracting Authority.

Gateways

Officers must comply with and plan for the following Procurement Gateways:

PROCUREMENT GATEWAY 1 – PIPELINE:

An entry must be made in the Council's Contracts Pipeline, where the estimated value of the Contract exceeds £100,000. Upcoming procurement activity should be listed on the pipeline where it is anticipated to commence within the next 18 months.

The Contracts Pipeline is published on the Council's website and contains the following information about contracting activity anticipated over the next 18 months:

Contract Title

Description

Anticipated Contract Start Date

Anticipated Contract End Date

Estimated Contract Value

Estimated Procurement Start Date

Responsible Directorate

Details of any current contract

Note an entry on the pipeline does not commit you to conducting the procurement.

PROCUREMENT GATEWAY 2 – COMMISSIONING PLAN APPROVAL:

Where the estimated value of a services Contract exceeds £10,000,000 Commissioning Plan approval must be obtained from the relevant Cabinet Member.

Directors & Heads of Service must also share and discuss upcoming contracts on the Contracts Pipeline, contract extensions and potential contract terminations with the relevant Cabinet Member on a periodic basis. Where it is agreed that certain services contracts below £10,000,000 in value or goods or works contracts require additional Cabinet Member oversight, these will also be subject to Commissioning Plan approval by the Cabinet Member.

This approval must be sought before any Tender or procurement process is commenced.

Where the Contract is for goods or works, or where the estimated value of a services Contract is less than £10,000,000 Officers will adhere to the officer procurement gateways process and ensure that a Commissioning Plan is produced and signed off accordingly, in accordance with the Financial Scheme of Delegation.

Details regarding the officer procurement gateways process can be obtained from the Strategic Procurement Team (along with relevant templates) and must be followed over £500,000 for goods and services Contracts, and over £5,000,000 for works Contracts.

Below these thresholds Officers are encouraged to apply the gateway process, developing a Commissioning Plan.

PROCUREMENT GATEWAY 3 – PROCUREMENT PLAN APPROVAL:

Where the estimated value of a goods or services Contract exceeds £500,000 or where the estimated value of a works Contract exceeds £5,000,000 Officers will adhere to the officer procurement gateways process and ensure that a Procurement Plan is produced and signed off accordingly, in accordance with the Financial Scheme of Delegation.

Details regarding the officer procurement gateways process can be obtained from the Strategic Procurement Team (along with relevant templates) and must be followed over £500,000 for goods and services Contracts, and over £5,000,000 for works Contracts.

Below these thresholds Officers are encouraged to apply the gateway process, developing a Procurement Plan.

PROCUREMENT GATEWAY 4 – AWARD OF CONTRACT:

Approval to award the Contract must be secured in accordance with the Financial Scheme of Delegation, prior to communicating with successful and unsuccessful bidders regarding the award of the Contract.

Officers must produce a Procurement Evaluation and Approval Report for sign off by the relevant Officer, in accordance with the Financial Scheme of Delegation.

NOTE: The above gateway requirements do not negate the need to comply with democratic decision-making processes, including Key Decisions where the spend

meets the Key Decision criteria, as set out in the Council's Constitution. Further details regarding democratic decision-making processes and Key Decisions can be obtained from Democratic Services.

C Undertake the Procurement Process

Appropriate Process

The appropriate procurement process will be determined according to the Contract Standing Orders, the value of the proposed contract and the application of the relevant Public Procurement Law.

The following requirements apply to all procurement categories, with the exception of those covered by the Provider Selection Regime. The PSR applies regardless of the contract value.

Officers must understand and apply the principles of the B&NES Council Procurement Strategy and ensure that all procurement activity is aligned with the priorities set out in the strategy.

Where Officers are making a call-off from a Framework the 'process' requirements set out in the table below are not applicable, however the rest of the requirements in the table are applicable. When calling-off from a Framework the rules of the Framework must be adhered to in terms of process (i.e. when a direct award can be made, when a mini-competition process must be run, who must be invited to any mini-competition).

General Procurement Requirements

Officers must ensure that all procurement processes are conducted in accordance with the requirements of these Contract Standing Orders and the relevant Public Procurement Law in respect of the following matters:

Conflicts of Interest

Notices

Specifications

Key Performance Indicators

Contract Management

Record Keeping

E-tendering system usage

Supplier debarment, exclusion grounds and conditions of participation

Evaluation and moderation

Award notification and standstill periods

Publication of contracts

Further guidance can be obtained from the Procurement Intranet Pages and from the [Cabinet Office](#) or [NHS England](#) (depending on the applicable Public Procurement Law).

Authorisation to Enter into a Contract

Officers must ensure that appropriate authorisation has been granted to enter into a Contract and that the Contract is executed, in accordance with the Financial Scheme of Delegation. This includes all requirements around democratic decision-making processes and the requirement to publish decision notices, including where Key Decisions are required.

Appropriate authorisation must be obtained before the supply of goods, services or works begin or before the new Contract is otherwise entered into.

All contracts valued over £500,000 must be sealed, in accordance with Legal Services processes. Below £500,000 contracts can be signed by the relevant Officer, in accordance with the Financial Scheme of Delegation.

D Contract Award & Implementation

General

Prior to contract award you must ensure that all of the objectives stated in the specification are met by the outcome of the Procurement.

Approval to Award

A Procurement Evaluation and Approval Report must be completed, documenting the procurement process undertaken, the decisions taken along the way and explaining how you have come to the decision to award.

The report must be signed-off by the appropriate delegated officer prior to notifying the supplier(s). See Financial Scheme of Delegation for details.

Notifying Suppliers

There are strict rules for above threshold procurements on how to debrief suppliers including a mandatory eight working day Standstill Period prior to confirming Contract award.

If the supplier requests a verbal debrief, discuss this with Procurement.

E Post Contract Award

General

Following Contract award, you must put into place the agreed contract management controls and measures. You must review regularly to ensure the Contract achieves its objectives and future benefits.

Contract Management

Officers must ensure that contracts are managed in accordance with relevant Public Procurement Law and with guidance published by the Strategic Procurement Team.

Contract Management must include (but is not limited to):

Appropriate resourcing, including an assigned contract manager to ensure that the contract is managed effectively and appropriately

Identification, assessment and management of any potential conflicts of interest

Publication of required notices, including KPIs where applicable

Contract records are thorough and up to date, with full and auditable records relating to decisions and performance

Management of risks throughout the contract period

Monitoring delivery against the contract in respect of KPIs and contractual commitments (including Social Value where applicable) and dealing appropriately with any performance issues

Robust financial management, ensuring spend is monitored, controlled and reported effectively

Extending and Modifying Contracts

Extending and modifying a Contract can only happen in particular circumstances, in accordance with the relevant Public Procurement Law (see Appendix 8 - Contract Modifications, Extensions & Termination for details).

Contract modifications and extensions can only be made where prior approval has been sought in accordance with the Financial Scheme of Delegation. Note: it is the value of the modification or extension that is relevant to the approval required.

Modifications and extensions to Contract must be formally recorded in writing and details must be recorded on the Contract Register.

Appendix 2 - CSO Exemptions

Contracts below the Thresholds

Specific Officers may approve exemptions to these CSOs (to the extent that it is legally able to do so) and only for the reasons set out below. Where requesting an exemption Officers must:

give reasons for doing so on the Exemption Request Form, available from the Procurement Intranet pages

ensure that the exemption is approved by the appropriate Officer

enter the Contract on the Contract Register and attach a copy of the completed and signed exemption request form

The following reasons only are considered acceptable for seeking an exemption:

quantifiable and significant cost and efficiency savings can be achieved through seeking an alternative route. Where this is the case the estimated value of savings should be included within the rationale for the exemption

reasons of extreme urgency mean that normal time limits cannot be met, including as a result of unforeseen emergency or disruption to Council services. Not having sufficient time to tender may not in itself constitute urgency

the Council would otherwise be exposed to immediate and significant financial, legal or reputational risk that has been identified in the relevant risk register

only one Supplier is objectively able to provide the works, services or goods in question including, but not limited to, where the provision is specialist, where the supplier has exclusive intellectual property rights, artistic or other rights, has a monopoly or where the goods bought are for re-sale. In such circumstance only that one Supplier may be asked to quote, however the quote must be evaluated for capability and suitability

additional or new goods, services or works are required which, through unforeseen circumstances, were not included in an existing Council Contract and are necessary for the completion of the Contract and/or cannot be carried out separately. Any Officer wishing to rely on this exemption must first have considered whether including additional or new goods, services or works would be a permissible contract modification under the relevant Public Procurement Law

new goods, services or works are required which are a repetition of goods, services or works carried out under the original Contract, provided they are required within one year of the original Contract being awarded

goods are required as a partial replacement for or addition to existing goods or installations and obtaining them from another source would result in incompatibility or disproportionate technical difficulties in operation or maintenance

the Council has the benefit of a Local Authority Trading Company, which meets the PA23 exemption, as defined in [Schedule 2](#)

An exemption will not be granted where this means the Council would be in breach of the relevant Public Procurement Law.

Contracts above the Thresholds

It is unlawful to sign-off an exemption when the value of the Contract is above the PA23 threshold. If you require clarification you should consult with the Strategic Procurement Team.

Approval of Exemptions

Exemptions can only be approved as follows, in accordance with the Financial Scheme of Delegation and in consultation with your Director or Executive Director:

Value	Exemption Approval Required	In Consultation With
Up to £49,999.99	Budget Holder	Head of Service
£50,000 - £149,999.99	Head of Service	Director
£150,000 – relevant procurement threshold	Director	Executive Director

No exemption can be relied on until it has been approved by the relevant Officer. Contracts must not be entered into before the relevant approval has been secured.

Appendix 3 - Business Ethics

Code of Conduct

Officers of the Council must conduct themselves in line with the Council's Employee Code of Conduct including with regards to the receiving of hospitality and gifts and the giving and receiving of sponsorship.

Conflicts of Interest

Officers must ensure that potential conflicts of interest are identified, assessed and appropriately managed throughout a procurement process and into management of the Contract. For further guidance on conflicts of interest, see the Procurement Intranet pages.

Transparency and Fair Treatment

Procurement processes must be open and transparent, allowing all Suppliers to have a fair chance to compete.

All Suppliers should be treated equally and fairly throughout the procurement process

Confidentiality

The Council has a responsibility to ensure that information provided to Suppliers and provided by Suppliers is treated confidentially. This is not only good practice but also gives the Suppliers confidence that they are being treated fairly and without discrimination. Information provided by the Council is given to Suppliers in confidence and only to those whom they need to consult for the purpose of preparing the Tender, such as professional advisors.

Suppliers have the right to state what elements of their Tender response they consider confidential and/or commercially sensitive. However, under the Freedom of Information Act the Council must provide information requested with some exceptions such as commercially confidential items (pricing, intellectual property etc.) which can be redacted from the version published in the public domain. Suppliers' co-operation may be needed to ensure the Council complies with such requests for information.

Corruption

Council Members and Officers must be aware that it is a serious criminal offence for them corruptly to receive or give any gift, loan, fee, reward or advantage for doing, or not doing, anything or showing favour, or disfavour, to any person in their official capacity. If an allegation is made, it is for the individual to demonstrate that any such rewards have not been corruptly obtained. For further guidance, see the B&NES Gifts and Hospitality policy on the intranet.

Use of Financial Resources

Council Members and Officers must ensure that they use public funds entrusted to them in a responsible and lawful manner and in accordance with the Council's Financial Regulations. They should strive to ensure Value for Money and to avoid legal challenge to the Council.

Lobbying

It is recognised that lobbying is a normal and perfectly legitimate element of the process of local governance; however, it is important that Members protect their impartiality and integrity when dealing with Suppliers.

Members must not breach the B&NES Members Code of Conduct by listening to or receiving viewpoints from Suppliers or other interested parties during a procurement exercise. Indicating a bias toward a particular product or Supplier would prejudice impartiality and could lead to a legal challenge against the Council.

Appendix 4 - Procurement Routes

The most appropriate procurement route will be determined according to the Contract Standing Orders, the value of the proposed contract and the application of the relevant Public Procurement Law (dependent on the procurement category).

Advice on the most appropriate procurement route should be taken from the Strategic Procurement Team.

The main procurement routes are detailed below.

Below PA23 Thresholds (not relevant for Healthcare Services procured under PSR)

Single Quote – via email, use of local suppliers should be prioritised

Invited Quotes – a minimum of 3 quotes are invited using the Council's e-tendering system, use of local suppliers should be prioritised¹³

Advertised Tender – a tender is published using the Council's e-tendering system

Below threshold direct awards – in some limited circumstances it is possible to make a direct award and apply a Contract Standing Order exemption (see Appendix 2 – CSO Exemptions).

Above PA23 Thresholds (not relevant for Healthcare Services procured under PSR)

PA23 compliant procedures are as follows:

Framework Call-offs - mini-competition or direct award (where permissible) from a compliant framework which have been set up by the Council or other contracting authorities (see Section B, para 12).

Dynamic markets – a list of qualified suppliers who have met the conditions of membership of the dynamic market and are eligible to participate in specific future procurements. Only suppliers who are part of a dynamic market are eligible to participate in a subsequent procurement.

Legacy PCR Dynamic Purchasing Agreements – use of a Dynamic Purchasing Agreement established under PCR.

Open Procedure – a one stage procedure where all tender and associated documentation is published with the tender notice and there is no shortlisting stage to restrict who can submit a tender.

Competitive Flexible Procedure - multi-stage procurement route that allows the Council to design its own procedures as long as it follows all the transparency requirements. A flexible competitive procedure can be used to restrict the number of suppliers, if required. It can also include stages of dialogue, site visits, demonstrations, where appropriate.

Above-threshold direct awards – only permissible in limited circumstances as set out in PA23 (sections 41, 42 and 43).

¹³ Local suppliers should be invited to quote and will be evaluated alongside other submissions

Detailed information on the available PA23 procurement processes and tools is available from the [Cabinet Office](#) published guidance.

Provider Selection Regime

The PSR sets out a number of available procedures and the circumstances in which each can (or in some cases, must) be used:

Direct Award Process A

Direct Award Process B

Direct Award Process C

Most Suitable Provider Process

Competitive Process

Note there are no thresholds associated with PSR procurements; the PSR regulations apply at all values of spend.

Detailed information on the available PSR procurement processes is available from the [NHS England published statutory guidance and tools](#).

Appendix 5 - Debarment, Exclusion Grounds and Conditions of Participation

Debarment

PA23 introduces a Debarment List which is managed by the Cabinet Office. Officers must check the Debarment List to ascertain whether suppliers are on this list. If they are, then this supplier must be excluded from the procurement process. The Debarment List is accessed through the Central Digital Platform.

Exclusion Grounds

PA23 and PSR apply the same set of exclusion grounds to procurement activity. These exclusion grounds are set out in PA23 (but also apply to PSR) and are split into mandatory and discretionary exclusion grounds.

Officers must establish whether any of the exclusion grounds apply and whether the Council can contract with the supplier if they do.

All suppliers will need to register on the government's Central Digital Platform which will capture organisation information as well as grounds for mandatory and discretionary exclusions for the organisation, as well as for connected persons.

Conditions of Participation

Officers must ensure that any supplier interested in doing business with the Council has both the technical capability and the financial capacity to be able to perform the Contract. For above threshold contracts, this should be assessed using the Procurement Specific Questionnaire and the supplier's organisation information stored on the government's Central Digital Platform. Note: for Works contracts the Common Assessment Standard is used instead of the Procurement Specific Questionnaire.

The Procurement Specific Questionnaire will be used to assess the Conditions of Participation.

Conditions of participation:

- can only be related to a supplier's legal and financial capacity, and technical ability to deliver the contract
- must be proportionate taking into account the nature, complexity and cost of the contract
- must allow for equivalents – e.g. qualifications or memberships
- must allow for international equivalents to UK standards
- must only focus on the supplier's credentials
- must not require submission of a supplier's audited accounts (unless that organisation is required to under Companies Act 2006)
- must not require suppliers to have relevant insurances in place prior to the award of a contract (but can ask a supplier to confirm they will have the relevant insurances in place if awarded the contract)
- must not break any rules on technical specifications

In an open process, conditions of participation must not be used to shortlist suppliers that can submit a tender. In a competitive flexible procedure, they can be used to limit the number of suppliers that can progress to the next round, where set out in the tender notice. In a competitive flexible procedure, the parameters of how the limiting of suppliers must be set out in the procurement documents.

Conditions of participation cannot be used in a process that is below the goods and services Threshold, in order to shortlist suppliers and reduce the number of suppliers that can submit a Tender. However, you can ask “suitability assessment questions” that are relevant to the subject matter of the contract and are proportionate. These can relate to minimum standards of suitability and capability.

Further information regarding Debarment, Exclusion Grounds and Conditions of Participation is available in the guidance section of the Procurement Intranet pages.

Appendix 6 - Transparency, Notices and Publications

Notices and Publications

A range of procurement notices must be published when conducting procurements under PA23 and PSR and when conducting procurements that fall below the PA23 thresholds. PA23 also introduces a range of new notices throughout the contract management lifecycle.

Notices will be published via the Council's e-tendering system and will appear on the Central Digital Platform.

Under the PA23, a copy of all contracts over £5,000,000 (and any subsequent contract modifications) and performance against key performance indicators for contracts over £2,000,000, must be published on the Central Digital Platform.

Where your procurement falls below the relevant PA23 Threshold¹⁴ there are some specific noticing obligations:

Opportunities below £30,000 (including VAT) do not need to be advertised on the Central Digital Platform.

Opportunities above £30,000 (including VAT) only need to be advertised on the Central Digital Platform, where the intention is to advertise the opportunity elsewhere. In this case, the opportunity must be published on the CDP prior to advertising elsewhere. A quote process whereby only invited suppliers are able to quote is not an advertised opportunity and therefore it does not need to be advertised on the Central Digital Platform. A notice confirming the contract award is required for all Contracts above £30,000 even where the opportunity was not advertised.

Further details regarding noticing requirements is available on the Procurement Intranet pages and on the e-tendering system.

The Contract Register

The Council's Contract Register is available through the Council's e-tendering system and records and stores information regarding the Council's Contracts. It provides:

key information to Council Members and Officers on current and expired Contracts

limited information to the general public (including start and end dates, contract description, value, and key contact details)

information on Contracts to allow Officers to retender in good time, where the requirement is recurring

When should I put something on the Contract Register?

Recording of Contracts on the Contract Register is mandatory for all Contracts valued above £5,000 regardless of the procurement route used to procure the Contract. Publication on the Contract Register ensures that the Council complies with its obligations under the Local Government Transparency Code.

You must also keep the information on Contract Register up to date, for example if:

a Contract is extended

¹⁴ Note these requirements do not apply to procurement run under PSR, where separate noticing requirements exist.

where a contract is modified, resulting in a change to the contract value

the key contact for a Contract changes (e.g. if an Officer leaves)

Before you Purchase Anything

You should check the Contract Register before you start any procurement activity, to establish whether there is an existing Council Contract which covers your need. Saving time and expense by using an existing Contract will almost always represent Value for Money.

Appendix 7 - Digital Platforms

The Council's e-tendering system

The Council's e-tendering system is mandatory in certain circumstances (see Section C). This ensures transparency through advertising the opportunity, running the tender process, awarding the Contract to successful supplier/s, and recording the Contract on the Contract Register. All notices required under the PA23 and PSR will be issued through the Council's e-tendering system and will be automatically pushed through to the Central Digital Platform (see below).

Once the tender notice has been issued, all communication with suppliers needs to be conducted through the e-tendering system. This includes, but is not limited to, receiving and answering clarification questions in the time period specified. No communication outside of the e-tendering system should be entered into.

Central Digital Platform

The government's Central Digital Platform serves as a central repository for public sector procurement activity and provides a central point for all interested parties to view opportunities, awarded contracts, modifications to contracts etc. All procurement notices required by the relevant legislation and which are issued through the council's e-tendering system will automatically flow through to the Central Digital Platform.

Supplier Information System

The Central Digital Platform will host the supplier information system on which suppliers will need to register prior to bidding for an opportunity. This system will capture organisation information as well as grounds for mandatory and discretionary exclusions, details of connected persons, etc. Suppliers will be required to share with the Council the organisation information they have submitted on the Central Digital Platform.

Debarment List

The Central Digital Platform hosts the central Debarment List; officers running a procurement will need to check this list to ascertain whether a particular supplier is registered on it. If they are, then this supplier must be excluded from the procurement process.

Appendix 8 - Contract Modifications, Extensions & Termination

Contract Extensions

When you award a Contract/Framework, you must state the start and end dates and whether there is an option to extend beyond the initial term. If an extension clause has been included in the Contract, then it is permissible to extend but this should only be done if it represents value for money to extend and if the performance of the supplier warrants it.

A Contract cannot be simply extended where a contractual extension provision wasn't built into the Contract at the outset. It may be possible to modify an existing Contract to extend the term, but only in limited circumstances. Officers must seek advice from the Strategic Procurement Team in this case.

Contract Modifications

Contract modifications (also known as variations) can be risky and can trigger the need for a new procurement exercise. The PA23 and PSR sets out the modifications that can be made to a Contract or Framework and the circumstances under which this is permissible.

Contract modifications can only be made where they are justifiable and in accordance with the relevant Public Procurement Law.

Officers must seek advice from the Strategic Procurement Team when making modifications to above Threshold Contracts and where a modification might take the value of a below Threshold Contract over the relevant Threshold.

Contract Termination

Where officers believe there are grounds for early termination this must be discussed with Legal Services. Contracts may be terminated early by agreement prior to the expiry date of the Contract, only in accordance with the termination provisions set out in the Contract.

PA23 also introduces implied terms to contracts which allow for termination of the contract in certain circumstances, particularly around material breaches of the act and where the supplier or sub-contractor becomes excluded or excludable.

Noticing requirements must be met at the end of contracts – whether the contract ends naturally at its term or by early termination due to performance or other reason.

Appendix 9 - Contract Terms & Conditions

General

The Council is required to make its procurement documents available electronically from the published date of the Tender Notice.

Procurement documents include the proposed Terms and Conditions of Contract (T&Cs) as well as the Procurement Specific Questionnaire and Invitation to Tender. This means that all documents, including the Terms & Conditions, for any procurement process must be finalised before the Tender Notice is issued.

Terms and Conditions issued by the Council (or in accordance with the Framework, Dynamic Market or Dynamic Purchasing System) must be used. Only in exceptional circumstances, and as agreed by Legal Services, shall Contracts use Terms and Conditions provided by the Supplier.

Where Suppliers seek to make amendments to the published Terms and Conditions, Officers must engage with Legal Services. Proposing amendments to the Terms and Conditions could in some circumstances result in a Tender being rejected.

Contracts below the Thresholds

For the majority of Contracts below £50,000 the Council's standard Purchase Order terms and conditions will be appropriate. A copy of the Purchase Order must be sent to the Supplier, to ensure that they have been provided with a copy of the relevant terms and conditions.

Officers should satisfy themselves that the purchase order terms and conditions are suitable for their purchase; in some cases, it may be more appropriate to issue a bespoke contract to ensure that specific risks e.g. safeguarding are adequately addressed.

Contracts above the Thresholds

For Contracts above the Thresholds you should use the Council's standard terms and conditions which are available on the Procurement intranet pages.

It may be more appropriate to use an industry standard form of Contract, or a bespoke Contract drafted for the particular Contract in question.

When considering which type of Contract to use discuss with the Strategic Procurement Team and Legal Services.

Purchase Orders

Officers shall observe the requirements of the Financial Regulations in respect of Purchase Orders.

Officers must issue official Purchase Orders for all goods, services and works unless there is a specific exemption agreed by the Council's Section 151 Officer prior to the commencement of the works/services or delivery of goods and prior to the receipt of an invoice.

All Purchase Orders must (unless specifically exempted) be raised through the Council's Financial Management System.

The Purchase Order must refer to the Council's standard purchase order terms and conditions of contract, except for where the complexity of the Contract requires more bespoke terms, for example a specific stand-alone contract in which case the Purchase Order shall make specific reference to the agreed contract.

PART 4 CODES & PROTOCOLS

4.1 PROTOCOL ON COUNCILLOR / OFFICER RELATIONS

Approved by the Council on 12 September 2002 and updated following consultation with Group Leaders in November 2012. Job titles amended in June 2018, in line with the Council's revised staffing structure.

4.1.1 INTRODUCTION

The relationship between Councillors and officers is an essential component of the successful working of the organisation. This relationship within the authority is characterised by mutual respect, informality and trust. Councillors and officers should feel free to speak to one another openly and honestly. Nothing in this Protocol is intended to change this relationship. The purpose of this Protocol is rather to help Councillors and officers to perform effectively by giving guidance on their respective roles and expectations and on their relationship with each other. The Protocol also gives guidance on what to do on the rare occasions when things go wrong. Responsibility for the operation of this Protocol lies with the Head of the Paid Service with issues of interpretation determined by the Monitoring Officer.

The Protocol must be read and operated subject to any relevant legislation and national and local Codes of Conduct and any procedure for confidential reporting.

Nothing in this Protocol shall be construed as being applicable to the relationship between a political research assistant appointed by the Council and Councillors. Separate considerations apply to the relationship between political research assistants, as officers of the Council and Councillors which are beyond the scope of this document.

4.1.2 ROLES OF COUNCILLORS AND OFFICERS

The respective roles of Councillors and officers can be summarised as follows: Councillors and officers are servants of the public and they are indispensable to one another. But their responsibilities are distinct. Councillors are responsible to the electorate and serve only so long as their term of office lasts. Officers are responsible to the Council. Their job is to give advice to Councillors and to the authority, and to carry out the authority's work under the direction and control of the Council, the Cabinet, and relevant committees, etc.

Mutual respect between Councillors and officers is essential to good local government

4.1.3 Councillors

Councillors have five main areas of responsibility:

- (a) determining the policy of the authority and giving it political leadership,

(b) monitoring and reviewing the performance of the authority in implementing that policy and delivering services'

(c) representing the authority externally,

(d) acting as advocates on behalf of their constituents and

(e) making decisions.

It is not the role of Councillors to involve themselves in the day to day management of the authority's services.

4.1.4 Members of the Executive/Cabinet, Chairs and Vice Chairs

Members of the Executive/Cabinet and Chairs and Vice Chairs of Committees, Boards, Panels etc. have additional responsibilities. Because of those responsibilities, which are set out in the Council's Constitution, their relationships with employees may be different from, and more complex than those of Councillors without those responsibilities and this is recognised in the expectations they are entitled to have. However, such Councillors must still respect the impartiality of officers, must not ask them to undertake work of a party political nature, or to do anything which would put them in difficulty in the event of a change in the political composition of the authority.

4.1.5 Other Councillors

As individual Councillors, all Councillors have the same rights and obligations in their relationship with officers and should be treated equally. This principle is particularly important in the context of scrutiny and overview. However, where a political group forms an administration, either alone or in partnership with another group or groups, it is recognised that the administration's legitimate expectations of officers, particularly those at a senior level in the organisation, will differ from that of other political groups.

4.1.6 Officers

The role of officers is to give advice and information to Councillors and to implement the policies determined by the authority.

In giving such advice to Councillors, and in preparing and presenting reports, it is the responsibility of the officer to express their own professional views and recommendations. Whilst an officer may report the views of individual Councillors on an issue, if the Councillor wishes to express a contrary view he/she should not seek to pressure the officer to make a recommendation contrary to the officer's professional view.

Certain officers e.g. Head of Paid Service, Monitoring Officer, Chief Finance Officer (Executive Director - Resources (S151)) and the Statutory Chief Officers (the Education Director and Director for People) have responsibilities in law over and above their obligations to the authority and to individual Councillors, and Councillors must respect these obligations, must not obstruct officers in the proper discharge of these responsibilities, and must not victimise officers for properly discharging these responsibilities.

EXPECTATIONS

4.1.7 Councillors can expect from officers:

- (a) A commitment to the authority as a whole, and not to any political group
- (b) A working partnership
- (c) An understanding of and support for respective roles, workloads and pressures
- (d) Timely response to enquiries and complaints – as a minimum standard the Council's targets for public enquiries of acknowledgement within 5 working days and substantive reply within 20 days will apply.
- (e) Professional advice, not influenced by political views or preference, which does not compromise the political neutrality of officers
- (f) Regular, up to date information on matters that can reasonably be considered appropriate and relevant to their needs, having regard to any individual responsibilities that they have and positions that they hold
- (g) Awareness of and sensitivity to the political environment
- (h) Respect, dignity and courtesy
- (i) Training and development in order to carry out their role effectively
- (j) Integrity, mutual support and appropriate confidentiality. This will include the right for Councillors to make, and officers to respect, requests for confidential information and correspondence will not be copied by officers to any other Member unless it is considered, in the circumstances, that the officer is under a legal duty to do so. Where it is necessary to copy the correspondence to another Member, this will be made clear in the correspondence with the Councillor who initiated the correspondence.
- (k) Not to have personal issues or concerns raised with them or about them by officers other than via agreed procedures
- (l) That employees will not use their relationship with Councillors to advance their personal interests or to influence decisions improperly
- (m) That officers will at all times comply with the relevant Code of Conduct

(n) Support for the role of Councillors as the local representatives of the authority, within any scheme of support for Councillors which may be approved by the authority, subject to the limitations outlined at 3.4 below.

(o) Assistance by way of information and advice but only insofar as (i) the volume and frequency of request is within manageable bounds and (ii) the effect of providing such information and advice could not be detrimental to agreed Council policy or properly authorised decisions.

4.1.8 Officers can expect from Councillors:

(a) A working partnership

(b) An understanding of and support for respective roles, workloads and pressures

(c) Political leadership and direction

(d) Respect, dignity and courtesy

(e) Integrity, mutual support and appropriate confidentiality

(f) Not to be subject to bullying or to be put under undue pressure. Councillors should have regard to the seniority of officers in determining what are reasonable requests, having regard to the fact that Councillors represent the employer and the potential vulnerability of officers, particularly at junior levels

(g) That Councillors will not use their position or relationship with officers to advance their personal interests or those of others or to influence decisions improperly

(h) That Councillors will at all times comply with the relevant Code of Conduct

(i) Not to be the subject of public personal comment by or criticism from Councillors and that concerns or comment will only be made or expressed in accordance with Section 5.

(j) Recognition that officers work for the Council, not for individual Members, and it is for the Council and not the individual Member to set priorities when it comes to the allocation of Council resources subject to the statutory and common law rights of Councillors and the law.

(k) To be allowed to progress approved Council policy subject to appropriate scrutiny.

4.1.9 Limitations upon Behaviour

The distinct roles of Councillors and officers necessarily impose limitations upon behaviour. By way of illustration, and not as an exclusive list:

(a) Close personal relationships between Councillors and officers can confuse these separate roles and get in the way of the proper discharge of the authority's functions, not least in creating the perception in others that a particular Councillor or officer may secure advantageous treatment.

(b) The need to maintain the separate roles means that there are limits to the matters on which Members may seek the advice of officers, both in relation to personal matters and party political issues.

(c) Relationships with a particular individuals or party groups should not be such as to create public suspicion that an employee favours that Councillor or group above others. The issue of officer attendance and advice to political groups is specifically covered below.

(d) To ensure that the distinct roles of Councillors and Officers are maintained and that the public perception is that of an appropriate professional relationship, it is advisable at meetings at which the public are present for Councillors and Officers to address each other by appropriate titles and surnames.

As employer, the Council has a duty to provide and maintain a working environment which is reasonably tolerable to all its employees and to protect them insofar as it is able to from unacceptable treatment and behaviour and unauthorised interference in work duties. All Councillors, as representatives of the employer, must ensure that they discharge their duties as employer fairly and impartially and not do anything to undermine the relationship of mutual trust and confidence which must exist between the Council and its employees. It should be noted that the more influential position with the Council a Councillor holds, the more it is likely that his or her views or actions could be deemed to be those of the Council acting in his capacity as employer.

In seeking advice and support, Councillors should have due regard to the seniority of the officer with whom they are dealing and recognise that whilst these officers owe an overriding duty to the Council as a whole, such duties are first owed in practice to their respective line managers and the Chief Executive and not to any individual Member. For this reason, Members should not give direct instructions to staff unless they are duly authorised to do so by the Council's Constitution or the office which they hold. If so authorised, instructions should be given to the relevant Director and not to a more junior officer other than with the agreement of the Director concerned.

A number of broad propositions may be drawn from the above which are stated in Section 6 as broad statements of principle which will be used to aid interpretation of this document and other documents that concern the rights and obligations of Members and Officers towards each other.

4.1.10 POLITICAL GROUPS

The operation of political groups is now an integral feature of local government, and such political groups have an important part to play in the development of policy and the political management of the authority. It is in the interests of the authority to support effective operation of political groups, but their operation can pose particular dangers in terms of the impartiality of officers.

4.1.11 Reports:

(a) Political groups may request the Chief Executive to prepare or arrange for the preparation of a written report on matters relating to the authority for consideration by the group. The Chief Executive will consider whether it is proper so to do.

(b) Officer reports to political groups will be limited to a statement of material facts and identification of options and the merits and demerits of such options for the authority. Reports will not deal with any political implications of the matter or any option, and officers will not make any recommendation to a political group.

(c) Where a report is prepared for a political group, the Chief Executive will advise all other groups that the report has been prepared and will provide a copy of that report to any group upon request.

4.1.12 Officer Attendance

(a) Any political group may request the Chief Executive to attend or arrange for another officer to attend a meeting of the group to advise on any particular matter relating to the authority.

(b) The Chief Executive may arrange for the attendance of a representative in their stead, or may decline to attend or to provide a representative where he/she is of the opinion that the particular issue is of such a political nature that it would be improper to attend

(c) Officers' advice to political groups will be limited to a statement of material facts and identification of options and the merits and demerits of such options for the authority. Advice will not deal with any political implications of the matter or any option, and officers will not make any recommendation to a political group.

(d) Where an officer attends a political group, the Chief Executive will advise all other groups that the officer has attended and the subject upon which he/she has given information

(e) Officers will respect the confidentiality of any matter which they hear in the course of attending a political group meeting.

4.1.13 WHEN THINGS GO WRONG

4.1.14 Procedure for officers

An Officer should not raise matters relating to the conduct or capability of a Member, other than in a confidential way. Where an Officer feels that she/he has not been properly treated with respect and courtesy by a Councillor, they should raise the matter with their

Director or the Chief Executive as appropriate. As a normal rule, the Officer concerned should approach the Member in confidence first if they consider they are able to do so to explain their concerns. In the event either that this is unsuccessful, or the Officer concerned considers he/she cannot take this course of action, their line manager will consider what action should be taken and will involve the individual Member and/or their Group Leader in those discussions.

The aim of these discussions is to resolve the matter by conciliation and accommodation, rather than by more formal means. Nevertheless, it must be recognised that an Officer, like anybody else, is entitled to make an allegation of a breach of the Code of Local Conduct for Councillors to the Monitoring Officer. It should be noted that the Council's Grievance Procedure is inappropriate in these circumstances and the Council's Bullying and Harassment Policy provides that concerns about the conduct of elected Members should be referred to the Monitoring Officer.

4.1.15 Procedure for Councillors

In the event that a Councillor is dissatisfied with the conduct, behaviour or performance of an officer, the matter should be raised with the appropriate officer's Director. Where the officer concerned is a Director, the matter should be raised with the Executive Director - Chief Operating Officer and, when the officer is the Executive Director - Chief Operating Officer, with the Chief Executive. Where the employee concerned is the Chief Executive, the matter should be raised with the Monitoring Officer who will discuss the issues raised with the Group Leaders. In all cases, the officer with whom the issue is raised will report back to the Councillor concerned, giving as much information as he/she can as to the conclusions he/she has reached.

The procedure for Councillors is only appropriate where the Councillors concerns arise in his or her capacity as a Councillor, rather than as a service user or individual affected by the Council's decisions. If this is the case, then the Councillor's concerns as an individual should be dealt with in the same way as any other individuals concerns by reference to the appropriate complaints procedure.

4.1.16 GENERAL PROPOSITIONS

Set out below are some general propositions commended to the Council by the District Auditor. It must be clearly understood that these are no more than general propositions and that nothing that is stated in them in any way affects the overriding principle that a Councillor has rights of access to information, meetings and so on under both statute and common law. This Protocol cannot, nor does it purport to, override those rights. What the general principles seek to do is set out an expectation of the "norm" as a benchmark against which requirements for assistance and information can be assessed. The law is clear that ultimately it will be a matter for the appropriate committee of the Council or the Council Executive (Cabinet) itself to determine whether or not a "need to know" arises albeit that such a decision will clearly be subject to the supervisory jurisdiction of the courts.

Members are generally entitled to receive the information they reasonably require for the purpose of their roles as Councillors, but there must be limits in terms of volume, time

and so on. In the end, it is for the Council to decide what the priorities are for the use of its officers' time.

Officers work for the Council, not for individual Members, and their first and primary efforts must be devoted to carrying out the decisions of the Council.

It is necessary to recognise the difference between Members pursuing legitimate issues or concerns, eg relating to propriety, compliance with Council decision, the quality of Cabinet performance and so on, and unduly interfering with Management and Cabinet tasks.

Councils inevitably are engaged from time to time in transactions where confidentiality has to be maintained if the Council's interests are to be protected, and there needs to be confidence this is being honoured by Members and Officers, as required by the Council's Local Code of Conduct for Councillors and the Employee Code of Conduct.

There are inevitable ambiguities in a relationship between an individual Councillor and outside advisers for whom the Council is formally the client who usually work through named officers. For this reason, Councillors should not approach outside advisers directly and should channel enquiries or issues through the officer contact for that adviser.

There are particular characteristics of e-mail, notably its immediacy, which can create a greater sense of bombardment or harassment than traditional forms of correspondence which needs to be recognised and managed.

The Council has responsibility for staff requiring it to consider whether the behaviour of Councillors might be injurious to individual members of staff and, if so, to consider how such injury could be avoided or minimised.

4.1.17 MANAGEMENT OF THE MEMBER/OFFICER PROTOCOL

The Chief Executive, as Head of Paid Service, is ultimately responsible for ensuring the legitimate approved policies of the Council are implemented, the proper management of the Member/officer interface and that the Council discharges its duties as an employer towards its employees. It is therefore his or her responsibility to ensure that both the spirit and the letter of this Member Officer Protocol are observed and will fall to him/her, in consultation with the Monitoring Officer, to make judgements as to whether or not it is considered that the Member Officer Protocol has been breached; - for example, if demands of an individual Councillor are excessive or deflecting resources from agreed Council priorities and/or members of staff feel unduly harassed or bullied.

In the event that the Chief Executive considers this to be the case, he or she will review the matter with the Councillor concerned, together with their Group Leader. If this meeting does not reach an acceptable understanding, following further consultation with the Monitoring officer and the Group Leader, either or both the following actions may be initiated:-

(i) The Councillor's access to officers may be restricted to a single individual who will have authority to arrange for their concerns and enquiries to be dealt with as appropriate. This may include leaving the matters to lie in the file until either resource of dealing with the matter can be released or deciding that no further action shall be taken. The Councillor concerned will, of course, have the right to request a review by the appropriate Council decision making body.

(ii) In the event that the matter cannot be informally resolved to the satisfaction of all concerned, the Chief Executive may consider that a complaint should be made to the Council's Standards Committee. This will be processed in accordance with the Standards Committee's agreed procedure.

Concerns raised by a Councillor about officer conduct will be dealt with in accordance with paragraph 5.2 above.

4.2 COUNCILLOR CODE OF CONDUCT

Local Government Association Model Councillor Code of Conduct 2020

4.2.1 Joint statement

The role of Councillor across all tiers of local government is a vital part of our country's system of democracy. It is important that as Councillors we can be held accountable and all adopt the behaviours and responsibilities associated with the role. Our conduct as an individual Councillor affects the reputation of all Councillors. We want the role of Councillor to be one that people aspire to. We also want individuals from a range of backgrounds and circumstances to be putting themselves forward to become Councillors.

As Councillors, we represent local residents, work to develop better services and deliver local change. The public have high expectations of us and entrust us to represent our local area, taking decisions fairly, openly, and transparently. We have both an individual and collective responsibility to meet these expectations by maintaining high standards and demonstrating good conduct, and by challenging behaviour which falls below expectations.

Importantly, we should be able to undertake our role as a Councillor without being intimidated, abused, bullied, or threatened by anyone, including the general public.

This Code has been designed to protect our democratic role, encourage good conduct and safeguard the public's trust in local government.

4.2.2 Introduction

The Local Government Association (LGA) has developed this Model Councillor Code of Conduct, in association with key partners and after extensive consultation with the sector, as part of its work on supporting all tiers of local government to continue to aspire to high standards of leadership and performance. It is a template for councils to adopt in whole and/or with local amendments.

All councils are required to have a local Councillor Code of Conduct.

The LGA will undertake an annual review of this Code to ensure it continues to be fit- for- purpose, incorporating advances in technology, social media and changes in legislation. The LGA can also offer support, training and mediation to councils and Councillors on the application of the Code and the National Association of Local Councils (NALC) and the county associations of local councils can offer advice and support to town and parish councils.

4.2.3 Definitions

For the purposes of this Code of Conduct, a “Councillor” means a Member or co-opted member of a local authority or a directly elected mayor. A “co-opted member” is defined in the Localism Act 2011 Section 27(4) as “a person who is not a member of the authority but who

- a) is a member of any committee or sub-committee of the authority, or;
- b) is a member of, and represents the authority on, any joint committee or joint sub-committee of the authority;

and who is entitled to vote on any question that falls to be decided at any meeting of that committee or sub-committee”.

For the purposes of this Code of Conduct, “local authority” includes county councils, district councils, London borough councils, parish councils, town councils, fire and rescue authorities, police authorities, joint authorities, economic prosperity boards, combined authorities and National Park authorities.

4.2.4 Purpose of the Code of Conduct

The purpose of this Code of Conduct is to assist you, as a Councillor, in modelling the behaviour that is expected of you, to provide a personal check and balance, and to set out the type of conduct that could lead to action being taken against you. It is also to protect you, the public, fellow Councillors, local authority officers and the reputation of local government. It sets out general principles of conduct expected of all Councillors and your specific obligations in relation to standards of conduct. The LGA encourages the use of support, training and mediation prior to action being taken using the Code. The fundamental aim of the Code is to create and maintain public confidence in the role of Councillor and local government.

4.2.5 General principles of Councillor conduct

Everyone in public office at all levels; all who serve the public or deliver public services, including ministers, civil servants, Councillors and local authority officers; should uphold the Seven Principles of Public Life, also known as the Nolan Principles.

Building on these principles, the following general principles have been developed specifically for the role of Councillor.

In accordance with the public trust placed in me, on all occasions:

- I act with integrity and honesty
- I act lawfully
- I treat all persons fairly and with respect; and
- I lead by example and act in a way that secures public confidence in the role of Councillor.

In undertaking my role:

- I impartially exercise my responsibilities in the interests of the local community
- I do not improperly seek to confer an advantage, or disadvantage, on any person

- I avoid conflicts of interest
- I exercise reasonable care and diligence; and
- I ensure that public resources are used prudently in accordance with my local authority's requirements and in the public interest.

Members must have regard to the [Role Descriptions](#) that have been adopted, and that any Councillor complaints considered by the Standards Committee would use these as a guide.

4.2.6 Application of the Code of Conduct

This Code of Conduct applies to you as soon as you sign your declaration of acceptance of the office of Councillor or attend your first meeting as a co-opted member and continues to apply to you until you cease to be a Councillor.

This Code of Conduct applies to you when you are acting in your capacity as a Councillor which may include when:

- you misuse your position as a Councillor
- Your actions would give the impression to a reasonable member of the public with knowledge of all the facts that you are acting as a Councillor;

The Code applies to all forms of communication and interaction, including:

- at face-to-face meetings
- at online or telephone meetings
- in written communication
- in verbal communication
- in non-verbal communication
- in electronic and social media communication, posts, statements and comments.

You are also expected to uphold high standards of conduct and show leadership at all times when acting as a Councillor.

Your Monitoring Officer has statutory responsibility for the implementation of the Code of Conduct, and you are encouraged to seek advice from your Monitoring Officer on any matters that may relate to the Code of Conduct. Town and parish Councillors are encouraged to seek advice from their Clerk, who may refer matters to the Monitoring Officer.

4.2.7 Standards of Councillor conduct

This section sets out your obligations, which are the minimum standards of conduct required of you as a Councillor. Should your conduct fall short of these standards, a complaint may be made against you, which may result in action being taken.

Guidance is included to help explain the reasons for the obligations and how they should be followed.

4.2.8 General Conduct

1. Respect

As a Councillor:

- I treat other Councillors and members of the public with respect.
- I treat local authority employees, employees and representatives of partner organisations and those volunteering for the local authority with respect and respect the role they play.

Respect means politeness and courtesy in behaviour, speech, and in the written word. Debate and having different views are all part of a healthy democracy. As a Councillor, you can express, challenge, criticise and disagree with views, ideas, opinions and policies in a robust but civil manner. You should not, however, subject individuals, groups of people or organisations to personal attack.

In your contact with the public, you should treat them politely and courteously. Rude and offensive behaviour lowers the public's expectations and confidence in Councillors.

In return, you have a right to expect respectful behaviour from the public. If members of the public are being abusive, intimidatory or threatening you are entitled to stop any conversation or interaction in person or online and report them to the local authority, the relevant social media provider or the police. This also applies to fellow Councillors, where action could then be taken under the Councillor Code of Conduct, and local authority employees, where concerns should be raised in line with the local authority's Councillor- officer protocol.

4.2.9 Bullying, harassment and discrimination as a Councillor:

- I do not bully any person.
- I do not harass any person.
- I promote equalities and do not discriminate unlawfully against any person.

The Advisory, Conciliation and Arbitration Service (ACAS) characterises bullying as offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Bullying might be a regular pattern of behaviour or a one-off incident, happen face-to-face, on social media, in emails or phone calls, happen in the workplace or at work social events and may not always be obvious or noticed by others.

The Protection from Harassment Act 1997 defines harassment as conduct that causes alarm or distress or puts people in fear of violence and must involve such conduct on at least two occasions. It can include repeated attempts to impose unwanted communications and contact upon a person in a manner that could be expected to cause distress or fear in any reasonable person.

Unlawful discrimination is where someone is treated unfairly because of a protected characteristic. Protected characteristics are specific aspects of a person's identity defined by the Equality Act 2010. They are age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

The Equality Act 2010 places specific duties on local authorities. Councillors have a central role to play in ensuring that equality issues are integral to the local authority's performance and strategic aims, and that there is a strong vision and public commitment to equality across public services.

4.2.10 Impartiality of officers of the council

As a Councillor:

- I do not compromise, or attempt to compromise, the impartiality of anyone who works for, or on behalf of, the local authority.

Officers work for the local authority as a whole and must be politically neutral (unless they are political assistants). They should not be coerced or persuaded to act in a way that would undermine their neutrality. You can question officers in order to understand, for example, their reasons for proposing to act in a particular way, or the content of a report that they have written. However, you must not try and force them to act differently, change their advice, or alter the content of that report, if doing so would prejudice their professional integrity.

4.2.11 Confidentiality and access to information

As a Councillor:

I do not disclose information:

- given to me in confidence by anyone
- acquired by me which I believe, or ought reasonably to be aware, is of a confidential nature, unless
- I have received the consent of a person authorised to give it;

- I am required by law to do so;
- the disclosure is made to a third party for the purpose of obtaining professional legal advice provided that the third party agrees not to disclose the information to any other person; or

the disclosure is:

- reasonable and in the public interest; and
- made in good faith and in compliance with the reasonable requirements of the local authority; and
- I have consulted the Monitoring Officer prior to its release.
- I do not improperly use knowledge gained solely as a result of my role as a Councillor for the advancement of myself, my friends, my family members, my employer or my business interests.
- I do not prevent anyone from getting information that they are entitled to by law.

Local authorities must work openly and transparently, and their proceedings and printed materials are open to the public, except in certain legally defined circumstances. You should work on this basis, but there will be times when it is required by law that discussions, documents and other information relating to or held by the local authority must be treated in a confidential manner. Examples include personal data relating to individuals or information relating to ongoing negotiations.

4.2.12 Disrepute

As a Councillor:

- I do not bring my role or local authority into disrepute.

As a Councillor, you are trusted to make decisions on behalf of your community and your actions and behaviour are subject to greater scrutiny than that of ordinary members of the public. You should be aware that your actions might have an adverse impact on you, other Councillors and/or your local authority and may lower the public's confidence in you or your local authority's ability to discharge your/its functions. For example, behaviour that is considered dishonest and/or deceitful can bring your local authority into disrepute.

You are able to hold the local authority and fellow Councillors to account and are able to constructively challenge and express concern about decisions and processes undertaken by the council whilst continuing to adhere to other aspects of this Code of Conduct.

4.2.13 Use of position

As a Councillor:

- I do not use, or attempt to use, my position improperly to the advantage or disadvantage of myself or anyone else.

Your position as a Member of the local authority provides you with certain opportunities, responsibilities, and privileges, and you make choices all the time that will impact others. However, you should not take advantage of these opportunities to further your own or others' private interests or to disadvantage anyone unfairly

4.2.14 Use of local authority resources and facilities

As a Councillor:

1.1 I do not misuse council resources.

1.2 I will, when using the resources of the local authority or authorising their use by others:

- a. act in accordance with the local authority's requirements; and
- b. ensure that such resources are not used for political purposes unless that use could reasonably be regarded as likely to facilitate, or be conducive to, the discharge of the functions of the local authority or of the office to which I have been elected or appointed.

You may be provided with resources and facilities by the local authority to assist you in carrying out your duties as a Councillor.

Examples include:

- office support
- stationery
- equipment such as phones, and computers
- transport
- access and use of local authority buildings and rooms.

These are given to you to help you carry out your role as a Councillor more effectively and are not to be used for business or personal gain. They should be used in accordance with the purpose for which they have been provided and the local authority's own policies regarding their use.

4.2.15 Complying with the Code of Conduct

As a Councillor:

1.3 I undertake Code of Conduct training provided by my local authority.

1.4 I take into account advice from the Monitoring Officer and the Section 151 Finance Officer.

1.5 I cooperate with any Code of Conduct investigation and/or determination.

1.6 I do not intimidate or attempt to intimidate any person who is likely to be involved with the administration of any investigation or proceedings.

1.7 I comply with any sanction imposed on me following a finding that I have breached the Code of Conduct.

It is extremely important for you as a Councillor to demonstrate high standards, for you to have your actions open to scrutiny and for you not to undermine public trust in the local authority or its governance. If you do not understand or are concerned about the local authority's processes in handling a complaint you should raise this with your Monitoring Officer.

4.2.16 Protecting your reputation and the reputation of the local authority Interests

As Councillor:

1.8 I register and disclose my interests.

Section 29 of the Localism Act 2011 requires the Monitoring Officer to establish and maintain a register of interests of Members of the authority.

You need to register your interests so that the public, local authority employees and fellow Councillors know which of your interests might give rise to a conflict of interest. The register is a public document that can be consulted when (or before) an issue arises. The register also protects you by allowing you to demonstrate openness and a willingness to be held accountable. You are personally responsible for deciding whether or not you should disclose an interest in a meeting, but it can be helpful for you to know early on if others think that a potential conflict might arise. It is also important that the public know about any interest that might have to be disclosed by you or other Councillors when making or taking part in decisions, so that decision making is seen by the public as open and honest. This helps to ensure that public confidence in the integrity of local governance is maintained.

You should note that failure to register or disclose a disclosable pecuniary interest as set out in Table 1, is a criminal offence under the Localism Act 2011.

Appendix B sets out the detailed provisions on registering and disclosing interests. If in doubt, you should always seek advice from your Monitoring Officer.

4.2.17 Gifts and hospitality

As a Councillor:

1.9 I do not accept gifts or hospitality, irrespective of estimated value, which could give rise to real or substantive personal gain or a reasonable suspicion of influence on my part to show favour from persons seeking to acquire, develop or do business with the local authority or from persons who may apply to the local authority for any permission, licence or other significant advantage.

1.10 I register with the Monitoring Officer any gift or hospitality with an estimated value of at least £25 within 28 days of its receipt. The £25 threshold applies to a series of gifts or hospitality from the same source that add up to £25 or more as an accumulation in any municipal year.

1.11 I register with the Monitoring Officer any significant gift or hospitality that I have been offered but have refused to accept.

In order to protect your position and the reputation of the local authority, you should exercise caution in accepting any gifts or hospitality which are (or which you reasonably believe to be) offered to you because you are a Councillor. The presumption should always be not to accept significant gifts or hospitality. However, there may be times when such a refusal may be difficult if it is seen as rudeness in which case you could accept it but must ensure it is publicly registered. However, you do not need to register gifts and hospitality which are not related to your role as a Councillor, such as Christmas gifts from your friends and family. It is also important to note that it is appropriate to accept normal expenses and hospitality associated with your duties as a Councillor. If you are unsure, do contact your Monitoring Officer for guidance.

4.3 Appendix A – The Seven Principles of Public Life

The principles are:

Selflessness

Holders of public office should act solely in terms of the public interest.

Integrity

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must disclose and resolve any interests and relationships.

Objectivity

Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

Honesty

Holders of public office should be truthful.

Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

4.4 Appendix B – Registering interests

Within 28 days of becoming a Member or your re-election or re-appointment to office you must register with the Monitoring Officer the interests which fall within the categories set out in Table 1 (Disclosable Pecuniary Interests) which are as described in “The Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012”. You should also register details of your other personal interests which fall within the categories set out in Table 2 (Other Registerable Interests).

“Disclosable Pecuniary Interest” means an interest of yourself, or of your partner if you are aware of your partner's interest, within the descriptions set out in Table 1 below.

“Partner” means a spouse or civil partner, or a person with whom you are living as husband or wife, or a person with whom you are living as if you are civil partners.

1. You must ensure that your register of interests is kept up-to-date and within 28 days of becoming aware of any new interest, or of any change to a registered interest, notify the Monitoring Officer.
2. A ‘sensitive interest’ is as an interest which, if disclosed, could lead to the Councillor, or a person connected with the Councillor, being subject to violence or intimidation.
3. Where you have a ‘sensitive interest’ you must notify the Monitoring Officer with the reasons why you believe it is a sensitive interest. If the Monitoring Officer agrees they will withhold the interest from the public register.

Non participation in case of disclosable pecuniary interest

4. Where a matter arises at a meeting which directly relates to one of your Disclosable Pecuniary Interests as set out in **Table 1**, you must disclose the interest, not participate in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a ‘sensitive interest’, you do not have to disclose the nature of the interest, just that you have an interest. Dispensation may be granted in limited circumstances, to enable you to participate and vote on a matter in which you have a disclosable pecuniary interest.
5. [Where you have a disclosable pecuniary interest on a matter to be considered or is being considered by you as a Cabinet Member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

Disclosure of Other Registerable Interests

6. Where a matter arises at a meeting which directly relates to the financial interest or wellbeing of one of your Other Registerable Interests (as set out in **Table 2**), you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting but otherwise must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

Disclosure of Non-Registerable Interests

7. Where a matter arises at a meeting which directly relates to your financial interest or well-being (and is not a Disclosable Pecuniary Interest set out in **Table 1**) or a financial interest or well-being of a relative or close associate, you must disclose the interest. You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation. If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

8. Where a matter arises at a meeting which affects –

- a. your own financial interest or well-being;
- b. a financial interest or well-being of a relative or close associate;
or
- c. a financial interest or wellbeing of a body included under Other Registerable Interests as set out in **Table 2**

you must disclose the interest. In order to determine whether you can remain in the meeting after disclosing your interest the following test should be applied.

9. Where a matter (referred to in paragraph 8 above) affects the financial interest or well-being:

- a. to a greater extent than it affects the financial interests of the majority of inhabitants of the ward affected by the decision and;
 - b. a reasonable member of the public knowing all the facts would believe that it would affect your view of the wider public interest
- You may speak on the matter only if members of the public are also allowed to speak at the meeting. Otherwise you must not take part in any discussion or vote on the matter and must not remain in the room unless you have been granted a dispensation.

If it is a 'sensitive interest', you do not have to disclose the nature of the interest.

10. [Where you have an Other Registerable Interest or Non-Registerable Interest on a matter to be considered or is being considered by you as a

Cabinet Member in exercise of your executive function, you must notify the Monitoring Officer of the interest and must not take any steps or further steps in the matter apart from arranging for someone else to deal with it]

4.5 Appendix C – the Committee on Standards in Public Life

The LGA has undertaken this review whilst the Government continues to consider the recommendations made by the Committee on Standards in Public Life in their report on [Local Government Ethical Standards](#). If the Government chooses to implement any of the recommendations, this could require a change to this Code.

The recommendations cover:

- Recommendations for changes to the Localism Act 2011 to clarify in law when the Code of Conduct applies
- The introduction of sanctions
- An appeals process through the Local Government Ombudsman
- Changes to the Relevant Authorities (Disclosable Pecuniary Interests) Regulations 2012
- Updates to the Local Government Transparency Code
- Changes to the role and responsibilities of the Independent Person
- That the criminal offences in the Localism Act 2011 relating to Disclosable Pecuniary Interests should be abolished

The Local Government Ethical Standards report also includes Best Practice recommendations. These are:

Best practice 1: Local authorities should include prohibitions on bullying and harassment in codes of conduct. These should include a definition of bullying and harassment, supplemented with a list of examples of the sort of behaviour covered by such a definition.

Best practice 2: Councils should include provisions in their code of conduct requiring Councillors to comply with any formal standards investigation and prohibiting trivial or malicious allegations by Councillors.

Best practice 3: Principal authorities should review their code of conduct each year and regularly seek, where possible, the views of the public, community organisations and neighbouring authorities.

Best practice 4: An authority's code should be readily accessible to both Councillors and the public, in a prominent position on a council's website and available in council premises.

Best practice 5: Local authorities should update their gifts and hospitality register at least once per quarter, and publish it in an accessible format, such as CSV.

Best practice 6: Councils should publish a clear and straightforward public interest test against which allegations are filtered.

Best practice 7: Local authorities should have access to at least two Independent Persons.

Best practice 8: An Independent Person should be consulted as to whether to undertake a formal investigation on an allegation, and should be given the option to review and comment on allegations which the responsible officer is minded to dismiss as being without merit, vexatious, or trivial.

Best practice 9: Where a local authority makes a decision on an allegation of misconduct following a formal investigation, a decision notice should be published as soon as possible on its website, including a brief statement of facts, the provisions of the code engaged by the allegations, the view of the Independent Person, the reasoning of the decision-maker, and any sanction applied.

Best practice 10: A local authority should have straightforward and accessible guidance on its website on how to make a complaint under the code of conduct, the process for handling complaints, and estimated timescales for investigations and outcomes.

Best practice 11: Formal standards complaints about the conduct of a parish Councillor towards a clerk should be made by the chair or by the parish council, rather than the clerk in all but exceptional circumstances.

Best practice 12: Monitoring Officers' roles should include providing advice, support and management of investigations and adjudications on alleged breaches to parish councils within the remit of the principal authority. They should be provided with adequate training, corporate support and resources to undertake this work.

Best practice 13: A local authority should have procedures in place to address any conflicts of interest when undertaking a standards investigation. Possible steps should include asking the Monitoring Officer from a different authority to undertake the investigation.

Best practice 14: Councils should report on separate bodies they have set up or which they own as part of their annual governance statement and give a full picture of their relationship with those bodies. Separate bodies created by local authorities should abide by the Nolan principle of openness and publish their board agendas and minutes and annual reports in an accessible place.

Best practice 15: Senior officers should meet regularly with political group leaders or group whips to discuss standards issues.

The LGA has committed to reviewing the Code on an annual basis to ensure it is still fit for purpose.

4.6 EMPLOYEE CODE OF CONDUCT

Introduction

Bath & North East Somerset Council's Code of Conduct sets out the obligations and professional standards expected from employees.

The aim of this Code is to assist employees to perform effectively by ensuring the rules and standards of the organisation are clearly communicated.

The Code of Conduct applies to all employees of Bath & North East Somerset Council and anyone acting as an employee of Bath & North East Somerset Council. Although the Code does not directly apply to contractors, consultants or volunteers, the council's association with individuals carrying out these roles requires them to observe and comply with the Code.

Schools may have a separate Code of Conduct that those employees should adhere to in addition to this Code.

Councillors have a separate Code of Conduct, the 'Local Government Association Model Councillor Code of Conduct'.

What Guides Us

The public is entitled to expect the highest standards of conduct from all our employees, and the council endorses The Seven Principles of Public Life defined by the Committee on Standards in Public Life. These principles apply to all employees.

The principles are:

Selflessness: Holders of public office should act solely in terms of the public interest. A public officer holder is defined as an office holder who discharges any duty in which the public are interested and is paid out of a fund provided by the public.

Integrity: Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

Objectivity: Holders of public office must act and take decisions impartially, fairly and on merit, using the best evidence and without discrimination or bias.

Accountability: Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

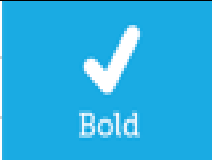

Openness: Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for doing so.

Honesty: Holders of public office should be truthful.

Leadership: Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

Employees are also expected to conduct themselves in accordance with the Council's Values and Behaviour Framework.

Our Values are: Bold, Empowered Supportive and Transparent and the following behaviours are associated with each:

	We are bold in our approach, set aspirational goals for ourselves and create innovative solutions to tackle problems and adapt to changing circumstances. This value demonstrates that we are proactive, take action and deliver outcomes which improve people's lives.	We are..... <ul style="list-style-type: none">• Aspirational• Innovative• Proactive
	We empower our staff and the people of Bath and North East Somerset so that they have the confidence and ability to find solutions for themselves and others. Breaches of the Code may result in action being taken under the council's disciplinary procedure. Serious breaches of the Code may be considered gross misconduct.

4.6.1 Employee's responsibilities

You must consider this Code carefully and comply with it fully as it forms part of the terms and conditions of your employment.

Please ensure you:

- read this policy
- understand it
- ask if there are any points that are unclear
- use this Code of Conduct alongside other council policies to guide you in your role

4.6.2 Managers responsibilities

Managers are responsible for the application of this policy in their work area and should role model the expected standard and behaviours. Managers must ensure this Code is adhered to and will:

- set a positive personal model of behaviour
- ensure standards in the Code are established and communicated
- provide clarification, where required to improve employee understanding
- take appropriate action at the earliest opportunity to manage non-compliance with the standards set out in this Code

4.6.3 Standards of behaviour

The council exists to provide services to the public. Council services are provided in part or in full by employees of the council. Employees must perform their duties to the best of their abilities.

You are required to:

- 1.1 Act honestly, with impartiality and objectivity
- 1.2 Act with dignity and treat all others (including colleagues and service users) with courtesy and respect
- 1.3 Work in accordance with the terms and conditions of your contract of employment and job description
- 1.4 Challenge and report dangerous, abusive, discriminatory or exploitative behaviour or practice
- 1.5 Report without delay any misconduct or poor standards, including safeguarding issues using appropriate council procedures as necessary e.g. Whistleblowing
- 1.6 Be committed to delivering quality services to service users in line with the council's purpose of "Improving People's Lives" and its priorities, aims and objectives

- 1.7 Attend work in a condition where you can carry out your duties safely
- 1.8 Understand and act in accordance with the council's values, policies and procedures
- 1.9 Comply with all applicable UK laws, including health and safety legislation, employment law legislation and other relevant codes of conduct

If council employees fail to comply with standards adopted by the council, through their maladministration, impropriety, breach of procedure, direct fraud or misrepresentation, this must be immediately reported to the Chief Executive, Chief Finance Officer, Chief Internal Auditor or their Director in the first instance.

Any suspected financial irregularities or misuse of resources must be reported to the Chief Internal Auditor in compliance with the council's financial regulations. The council's Whistleblowing policy provides guidance on how to report concerns.

4.6.4 Standards of Dress

You must ensure that your standard of dress and personal ornamentation is appropriate to workplace health, safety and security applicable to your job and work environment.

In all cases you are expected to wear any uniform or PPE correctly, that is required as part of your role.

4.6.5 Security

You must always visibly display your council issued identification badge whilst you are working in any of the council premises and when acting on behalf of the council at external locations.

4.6.6 Health, Safety and Wellbeing

As an employee you have a duty to comply with Health and Safety legislation and to protect yourself, residents and the public from physical and psychological harm. This requires the careful examination and management of all risks to ensure your actions (or omissions) do not harm an individual's, health, safety or wellbeing.

4.6.7 Safeguarding

There is a requirement for the council and its employees to protect children and vulnerable adults. If you have any safeguarding related concerns, you

must promptly speak to your line manager, another manager or the safeguarding lead about your concerns.

4.6.8 Professional Qualifications and Registrations

Where employment with the council is in a post which requires you to either be registered with a statutory and/or professional organisation, to hold membership of a professional body or hold any other qualification, it is your duty to ensure you comply with the relevant obligation. You should also comply with any duty you may have to inform your professional body of a matter which may impact on your registration or membership. You should inform your manager of the matter too.

You must also ensure that the relevant code of practice is followed during your duties, including formal reporting to the professional body on any matter where there is a duty to do so.

4.6.9 Criminal Charges and Convictions

The council requires all applicants for jobs to disclose all contraventions of, or failures to comply with, any provisions of law, whether committed in the UK or elsewhere, unless the Rehabilitation of Offenders Act applies, and the rehabilitation period has expired.

Employees must notify the council in writing if:

- arrested in connection with a criminal act
- notified that criminal charges are being considered against you
- charged with any offence
- convicted of any offence

This notice must be given immediately (i.e. the next working day).

In all cases, a failure to disclose relevant information or a deliberate withholding of such information can amount to a breach of trust and confidence and may lead to disciplinary action up to and including dismissal.

Criminal offences committed outside working hours, which bring you or the council into disrepute, will be subject to disciplinary action under the council's disciplinary policy.

4.6.10 Equality, Diversity and Inclusion

As a council employee you must promote and uphold equality, diversity and inclusion in all aspects of work as this is fundamental to effective service and working relationships. You must not discriminate or condone any discrimination against others.

You must ensure that policies relating to equality, as agreed by the council are complied with in addition to the requirements of the law. All members of the

local community, customers, residents and other employees have a right to be treated fairly and with respect.

The council will not tolerate discriminatory behaviour. Discriminatory conduct will be subject to disciplinary action under the council's disciplinary policy.

4.6.11 Disclosure of Information and Confidentiality

You should not use any information obtained during your employment for personal gain or benefit, nor should you pass it on to others who might use it in such a way.

You must only discuss or disclose information about people who use services in accordance with legislation and agreed ways of working (i.e. policies, procedures and standards).

You must not disclose information given in confidence by anyone, or information acquired which you believe is of a confidential nature, without the consent of a person authorised to give it or unless you are required by law.

You must always comply with the council's Information Governance Policies and Guidelines.

4.6.12 Relationships

Councillors - You must declare any personal relationships with a Councillor. Where the relationship could present a conflict of interest, your manager will need to consider how this will be effectively managed. Some employees are required to give advice to Councillors during their duties. Mutual respect between employees and Councillors is essential to good local government. Please refer to the [Protocol on Councillor/ Officer relations for further guidance](#).

Other Employees- You must declare any personal relationships with other employees where the relationship could present a conflict of interest.

The Local Community and Service Users- The council is a public body and we have responsibilities to the community we serve. You should ensure courteous, efficient and impartial service delivery to all groups and individuals within the community as defined by the policies of the council.

Contractors- All relationships of a business or private nature with external contractors, or potential contractors, should be made known to the employee's Director. Orders and contracts must be awarded in accordance with the council's Contract Standing Orders and the Public Contracts Regulations. They must be awarded on merit, by fair competition against other bids, quotations or tenders and no favouritism must be shown to any business. No section of the community should be discriminated against, and employees must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.

If you are privy to confidential information on tenders or costs for external or internal contracts you should not disclose that information to any unauthorised party or organisation.

Employees who engage or supervise contractors or have any other official relationship with contractors and have previously had or currently have a relationship in a private or domestic capacity with contractors, should declare that relationship to their Director.

4.6.13 Political Neutrality, Professional and Trade Union Activity

Employees serve the council as a whole. This means they must serve all Councillors and not just those of any one group and must ensure that the individual rights of all Councillors are respected.

The Chief Executive, Directors and other senior staff may also be required to advise political groups. They must do so in a way that does not compromise their political neutrality.

Employees, whether politically restricted or not, must follow every lawful expressed policy of the council and must not allow their own personal or political opinions to interfere with their work. Both the employee's job description and contract of employment will state whether the post is politically restricted and such a restriction becomes a condition of employment.

If you are a workplace representative of a trade union or professional association, you should ensure that when you make public comment, it is clear that comment is made on behalf of the union or association you represent and not the council.

4.6.14 Appointments and other Employment Decisions

Employees involved in appointments should ensure that these are made based on merit. In order to avoid any possible accusation of bias, employees should not be involved in the recruitment process, decisions related to disciplinary procedures, promotion or pay adjustments where they are related to an applicant/employee or have a close personal relationship with them.

4.6.15 Declaration of Financial and Other Interests

As an employee you are required under section 117 of the Local Government Act 1972 to declare any financial interest, whether direct or indirect in any existing or proposed contract.

You must declare in writing to the Chief Executive or your Director, any financial or non-financial interests that could conflict with the council's interests (e.g. Chair of a voluntary group receiving financial assistance from the council).

You must declare to the Chief Executive or their Director, membership of any organisation not open to the public without formal membership, and

commitment of allegiance and which has secrecy about rules, membership or conduct.

You should first discuss interests with your manager and declare the interest using the council's Declaration of Interests form.

Failure to disclose a relevant personal or financial interest or failure to comply with the Chief Executive or Director's decision or course of action following disclosure could result in disciplinary action.

4.6.16 Other Employment/Outside Commitments

Some employees have conditions of service which require them to obtain written consent to take any outside employment. All employees should be clear about their contractual obligations and should not take any additional employment or take up any position in an organisation, which conflicts with the council's interests or their role in the council. If you are unsure you should seek guidance from your manager.

It is important that you ensure that any additional employment does not conflict with the interests of the council or affect your ability and credibility to do your job. You should not use any council material or information not otherwise in the public domain in the execution of that work.

Generally, what you do outside work is your own personal concern, but you should avoid doing anything that might adversely affect the reputation of the council or bring the council into disrepute. This also means respecting confidentiality and upholding equality, diversity and inclusion. Special care should be taken in respect of social media, and council staff must follow the Social Media Policy Framework which applies in both work and non-work settings.

Inventions, patents and intellectual rights - The rights applying under this heading which were created after 1978 will generally become the property of the council. Provided that they had been made in the course of the employee's normal duty or they have been made in the course of duties specifically assigned to the employee and where invention might be reasonably expected or it was made in the course of the employee's duties at the time the employee had (because of the nature of their duties and particular responsibilities arising from them) a special obligation to further the interests of the employer. Normal duties shall be those described in the job description or by implicit instructions where there is a temporary change to duties.

4.6.17 Dealing with the Council's Money

All employees must ensure that they use public funds entrusted to them in a responsible and lawful manner and in accordance with the council's financial regulations (and related Codes of Practice and Contract Standing Orders). They should strive to ensure value for money to the local community and to avoid legal challenge to the council.

Employees involved in the tendering process and dealing with contractors should be clear on the separation of client and contractor roles within the council. Senior employees who have both a client and contractor responsibility must be aware of the need for accountability and openness. Where a conflict is identified, the member of staff concerned must not take any further part in the tender, to preserve the integrity of the process.

Employees must exercise fairness and impartiality when dealing with all customers, suppliers, other contractors and sub-contractors.

Employees who are privy to confidential information on tenders or costs for either internal or external contractors should not disclose that information to any unauthorised party or organisation.

Employees should ensure that special favour is not shown to current, recent former employees or their partners, close relatives or associates in awarding contracts to businesses run by them or employing them in a senior or relevant managerial capacity.

Employees should endeavour to ensure that the supplier does not employ a former council employee when producing and submitting the response to the tender. This will ensure that all suppliers in the tendering process are treated fairly and that no one supplier is given a tendering advantage and respects council confidentiality.

Any financial irregularities or misuse of resources must be reported to the Chief Internal Auditor in compliance with the council's financial regulations or via the Whistleblowing policy.

4.6.18 Gifts and Hospitality

When hospitality must be declined those making the offer should courteously but firmly inform of the procedures and standards operating within the council.

Employees must not accept gifts from contractors, suppliers, customers, etc. other than modest gifts of a promotional nature, and of nominal value, such as calendars, diaries, and pens. through the declaration process and where the council is satisfied that any purchasing decisions are not compromised.
