3. RESOURCE AND CORPORATE IMPLICATIONS

3.1 **Financial**: The Council Tax base figure is used as the basis to calculate the Council Tax charges for Bath & North East Somerset Council and each of the individual Parish precepts for the area. It also contributes to the tax bases of the Avon & Somerset Police Authority and the Avon Fire & Rescue Service.

3.2 Staffing: None

3.3 **Equalities:** None

3.4 **Economic**: None

3.5 **Environment**: None

3.6 **Council wide impacts**: Council Tax is a significant element of the funding for Council expenditure, and an accurate estimate of the tax base will ensure that sufficient funds are collected in order to pay precepts at the agreed times.

4. BACKGROUND AND LEGAL FRAMEWORK

- 4.1 In accordance with regulations for the Council Tax regime, it is necessary for each billing authority to resolve the calculation of the Council Tax base for its area before the details are provided to the major Precepting Authorities for use in their calculations. The information must be notified between 1st December and 31st January in the financial year preceding that to which the tax base applies.
- 4.2 The base information is provided to the Ministry of Housing, Communities & Local Government in October 2025. This has subsequently been adjusted for alterations in the list, for discretionary changes to discounts and exemptions, for the impact of Council Tax Support (CTS) by parish, and for projected growth in the tax base during 2026-27.
- 4.3 The detailed calculations allow for a **ninety-nine point zero per cent collection rate (99.00%)**. A comparison of the parishes for this year and last year is shown at Appendix 1.
- 4.4 The Section 151 Officer is required to estimate the amount of any surplus or deficit on the Collection Fund as at 31st March 2026. This must be done by the 15th January 2026 (or first working day thereafter), and this report also asks the Chief Finance Officer to approve the balance projected related to Council Tax.
- 4.5 After calculations of current year collection and adjustments to the tax base in 2025-26, it is anticipated that the 2025-26 collection fund account will declare **a deficit of £200,000.** This will be shared amongst the major preceptors to Bath & North East Somerset. The Council's share of the projected deficit is £166,000.

4.6 The Tax Base figures are calculated as follows:

Council Tax base adjusted for discretionary change to discounts and exemptions, the impact of Council Tax Support (CTS) and projected growth in the tax base during 2026-27.	72,048.39
Council Tax base adjusted for discretionary change to discounts and exemptions, the impact of Council Tax Support (CTS) and projected growth in tax base during 2026-27 after allowing for a collection rate estimated at 99.00% of the tax base.	71,327.90
