REV.	DATE	DESCRIPTION
01	17/05/19	FINAL Issue
02	23/05/19	NE corner amended to reflect topography

NOTE
 When this drawing is issued in uncontrolled CAD format it will be accompanied by a PDF version and is issued to ensure the recipient to prepare their own documents/ models/ drawings etc which they are solely responsible for.
 The recipient should report all drawing errors, omissions and discrepancies to the architect. All dimensions should be checked on site by the contractor and such dimensions shall be the contractor's responsibility.
 Allford Hall Monaghan Morris Limited accepts no responsibility or liability for:-
 - any use of this drawing by parties other than the party for whom it was prepared or for purposes other than those for which it was prepared
 - any alterations or additions or discrepancies arising out of changes to the background information on which the drawings are based that was omitted at the time of issue, and which occur to the recipient after it has been issued by AHMM
 - any loss or degradation of the information held in this drawing resulting from the translation from the edging file format to any other file format or from the recipient's reading of it in any other programme or any version of the programme other than that which was used to prepare it
 - the accuracy of survey information provided by others or for any costs, claims, proceedings and expenses arising out of reliance on such information
 - any scaling from this (having other than by the local planning authority solely for the purposes of the planning application to which it relates)
